

Probability Density Function for NP1ANXS

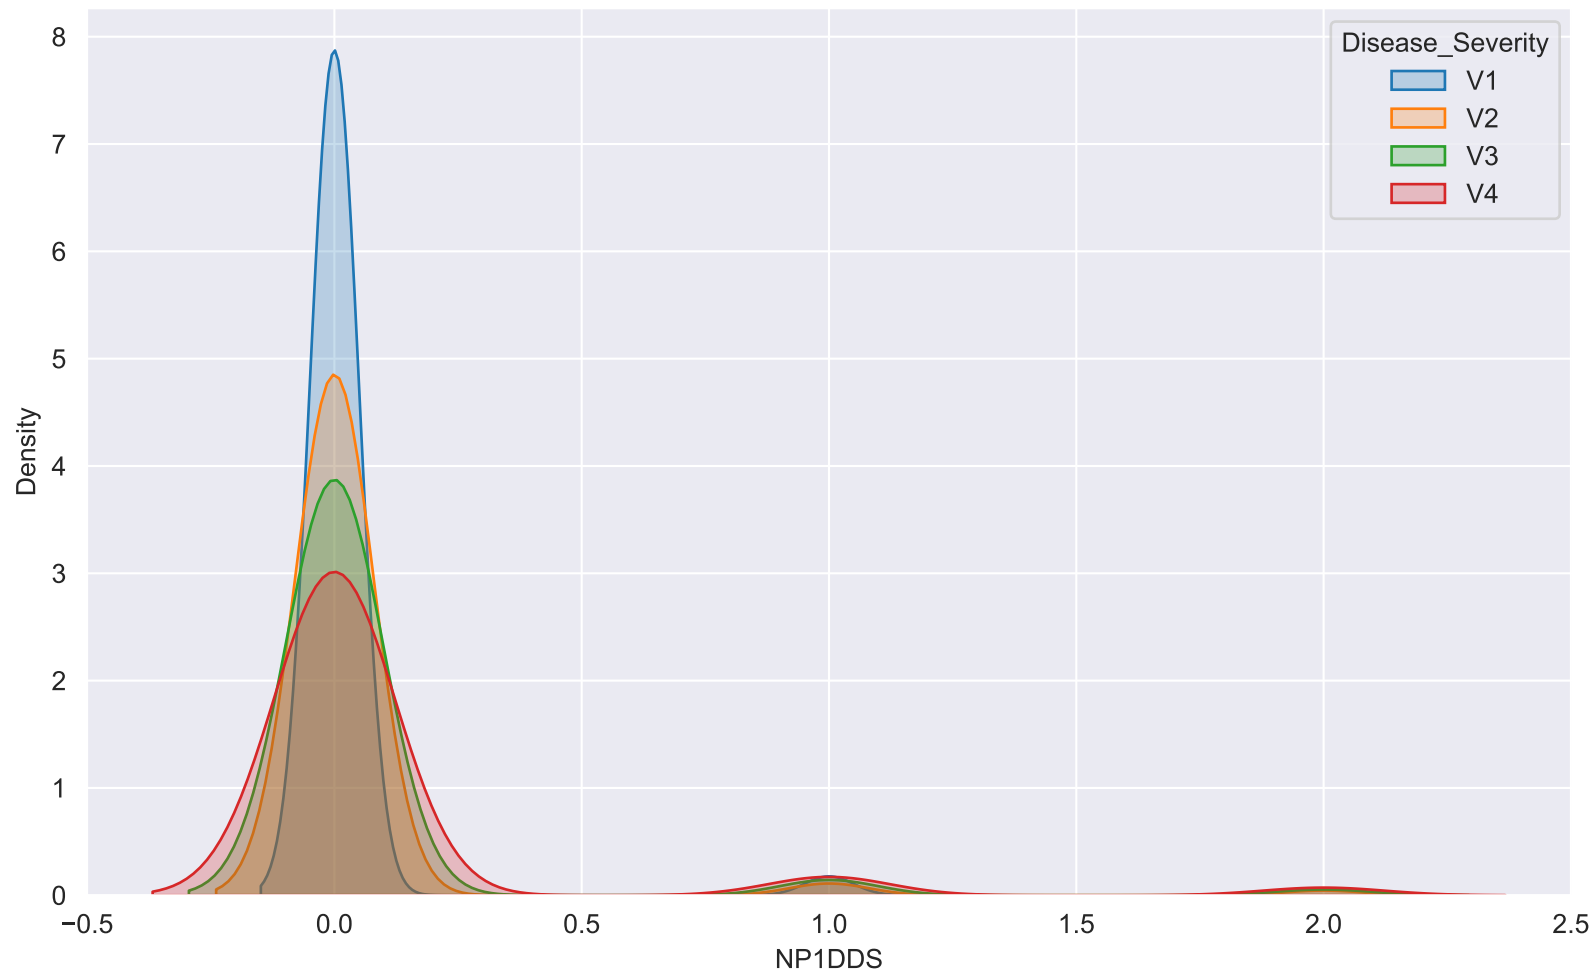

Probability Density Function for NP1APAT

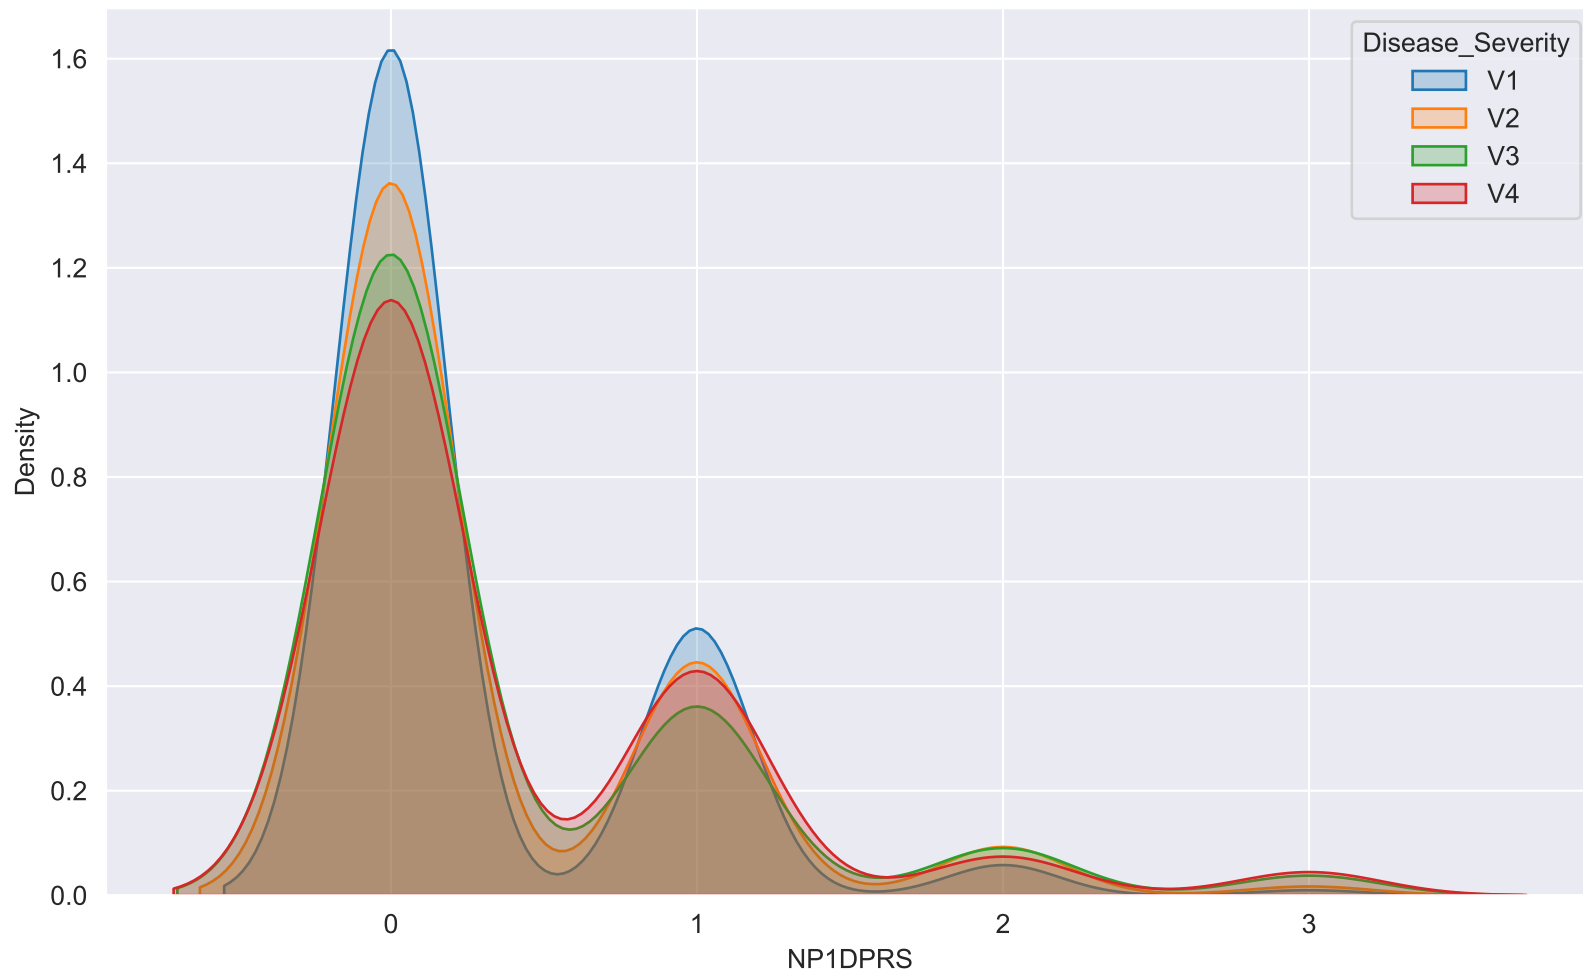

Probability Density Function for NP1COG

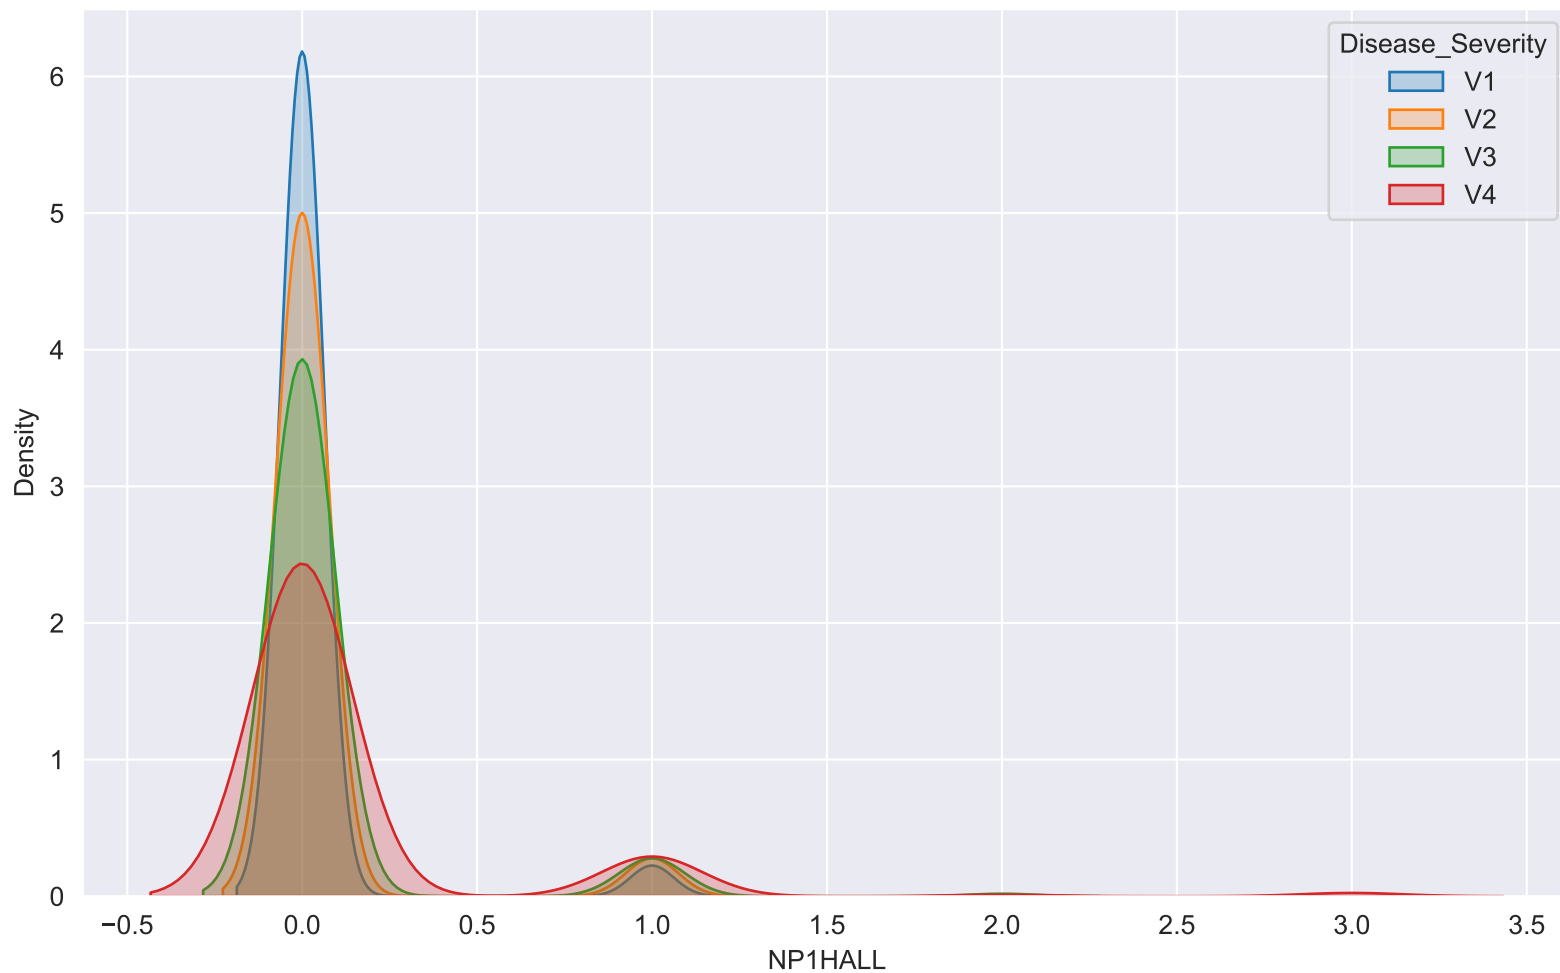

Probability Density Function for NP1DDS

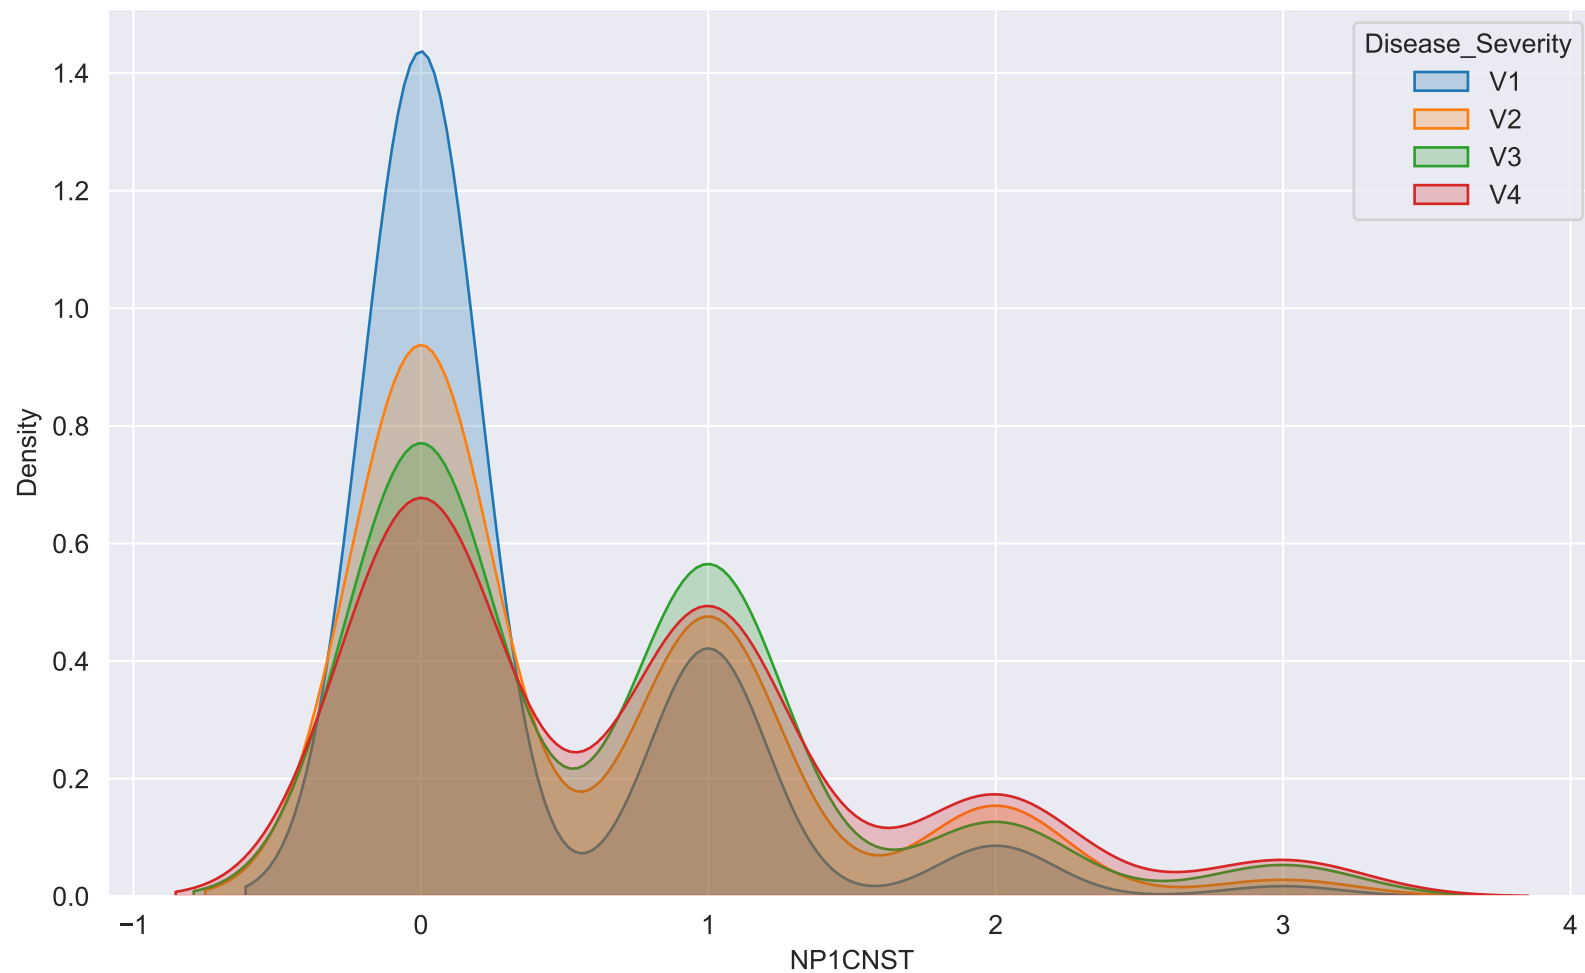

Probability Density Function for NP1DPRS

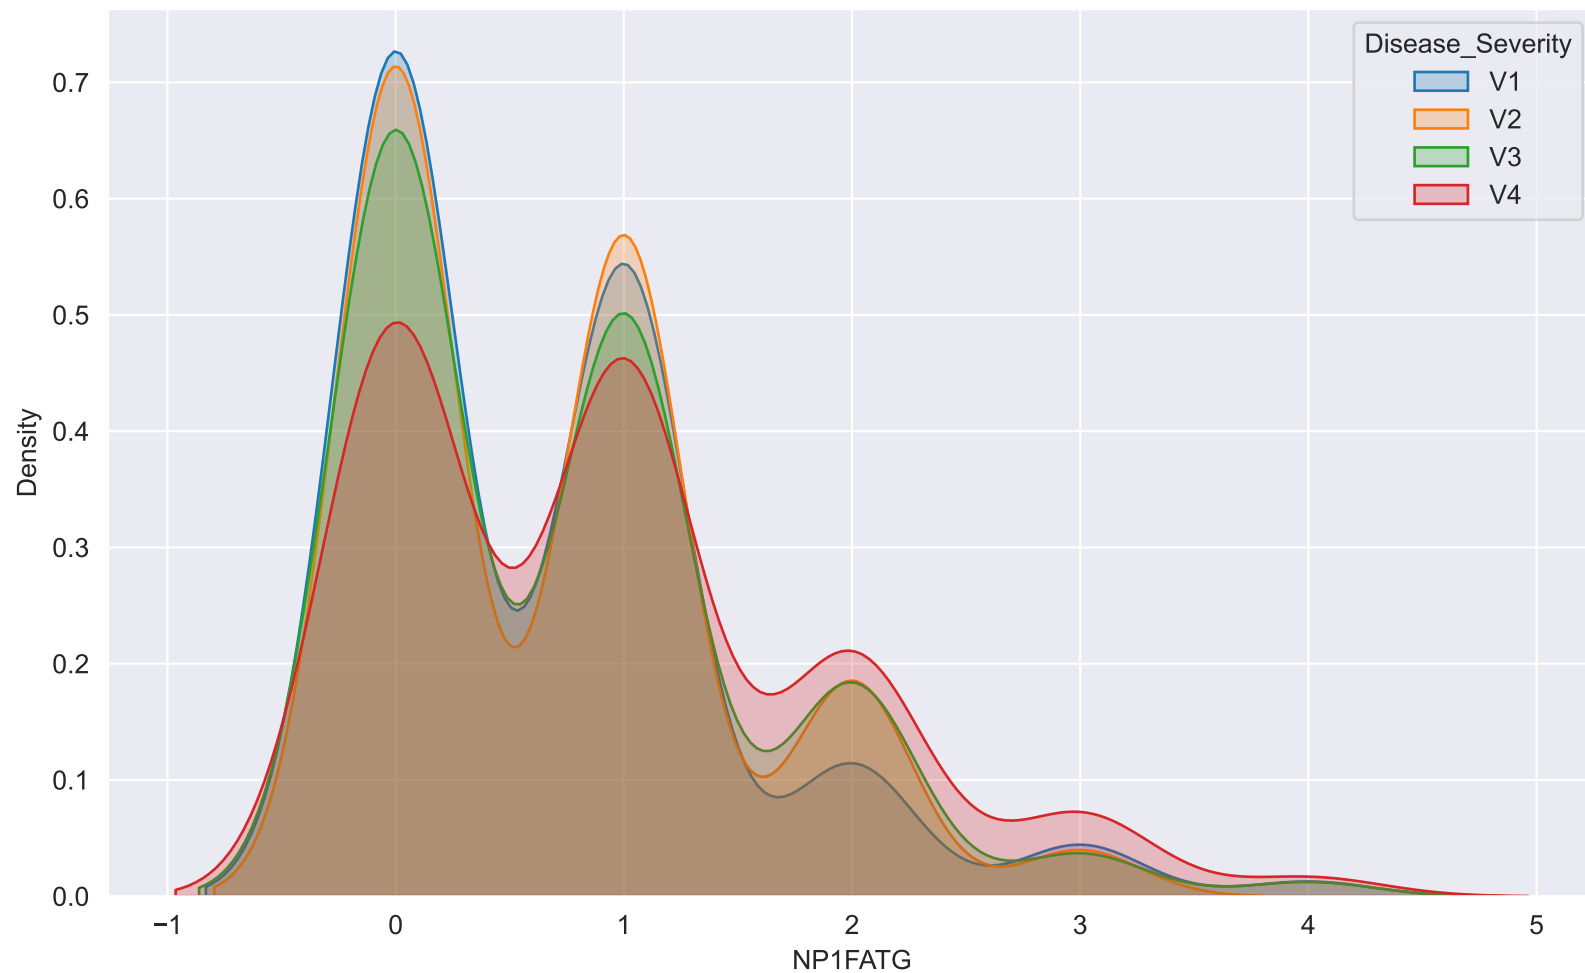

Probability Density Function for NP1HALL

Probability Density Function for NP1CNST

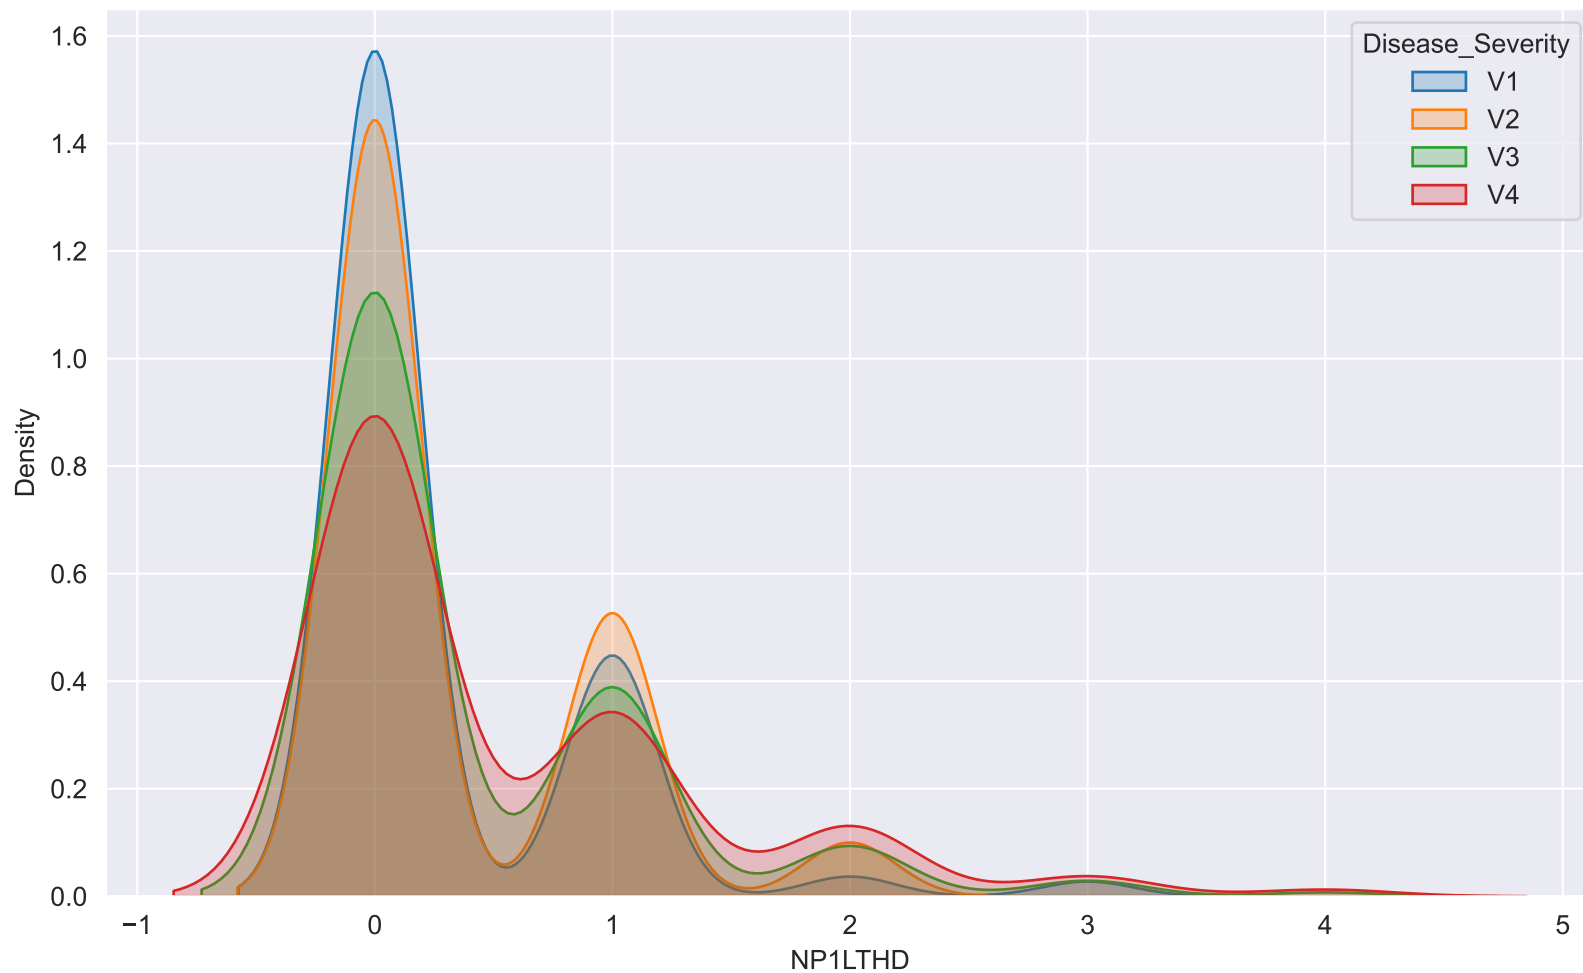

Probability Density Function for NP1FATG

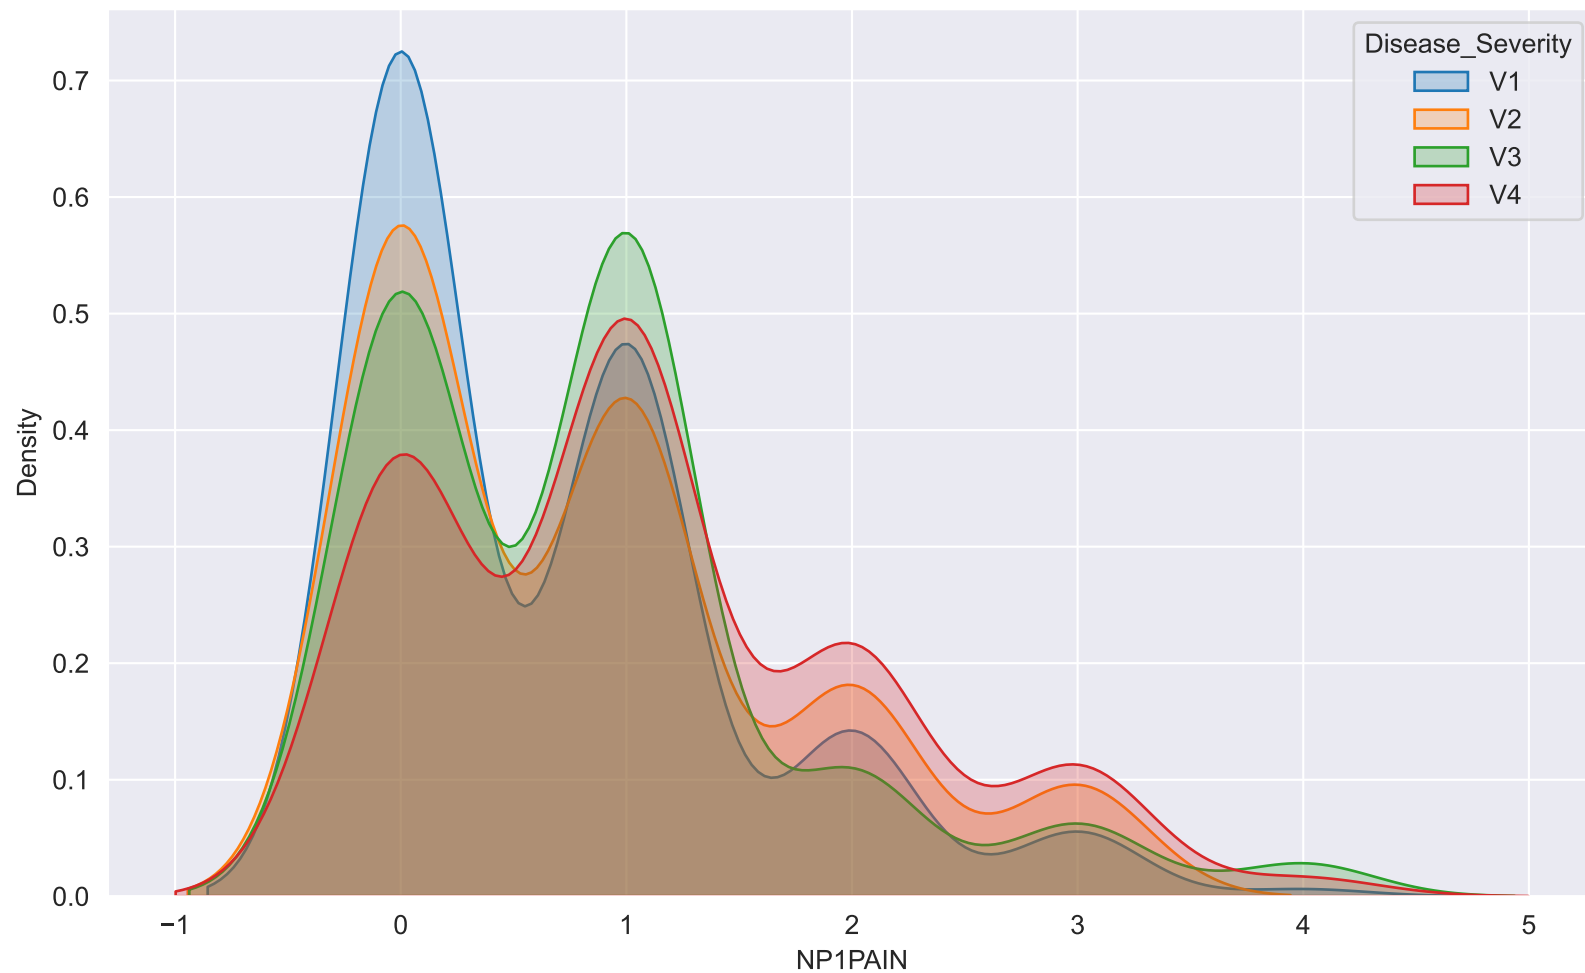

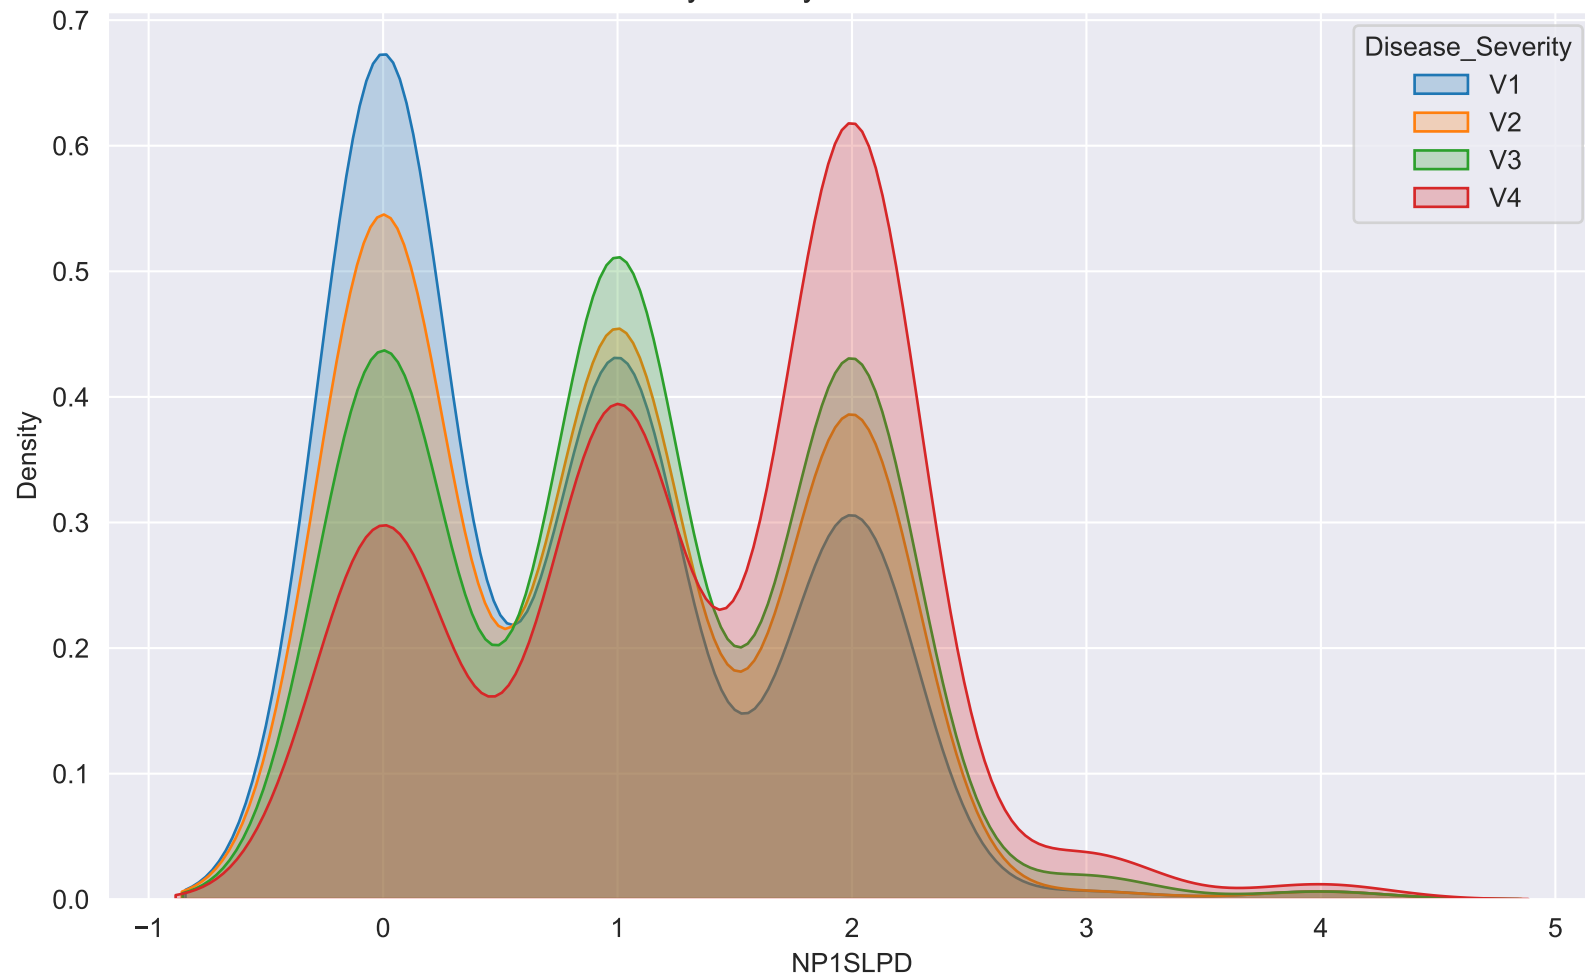

Probability Density Function for NP1LTHD

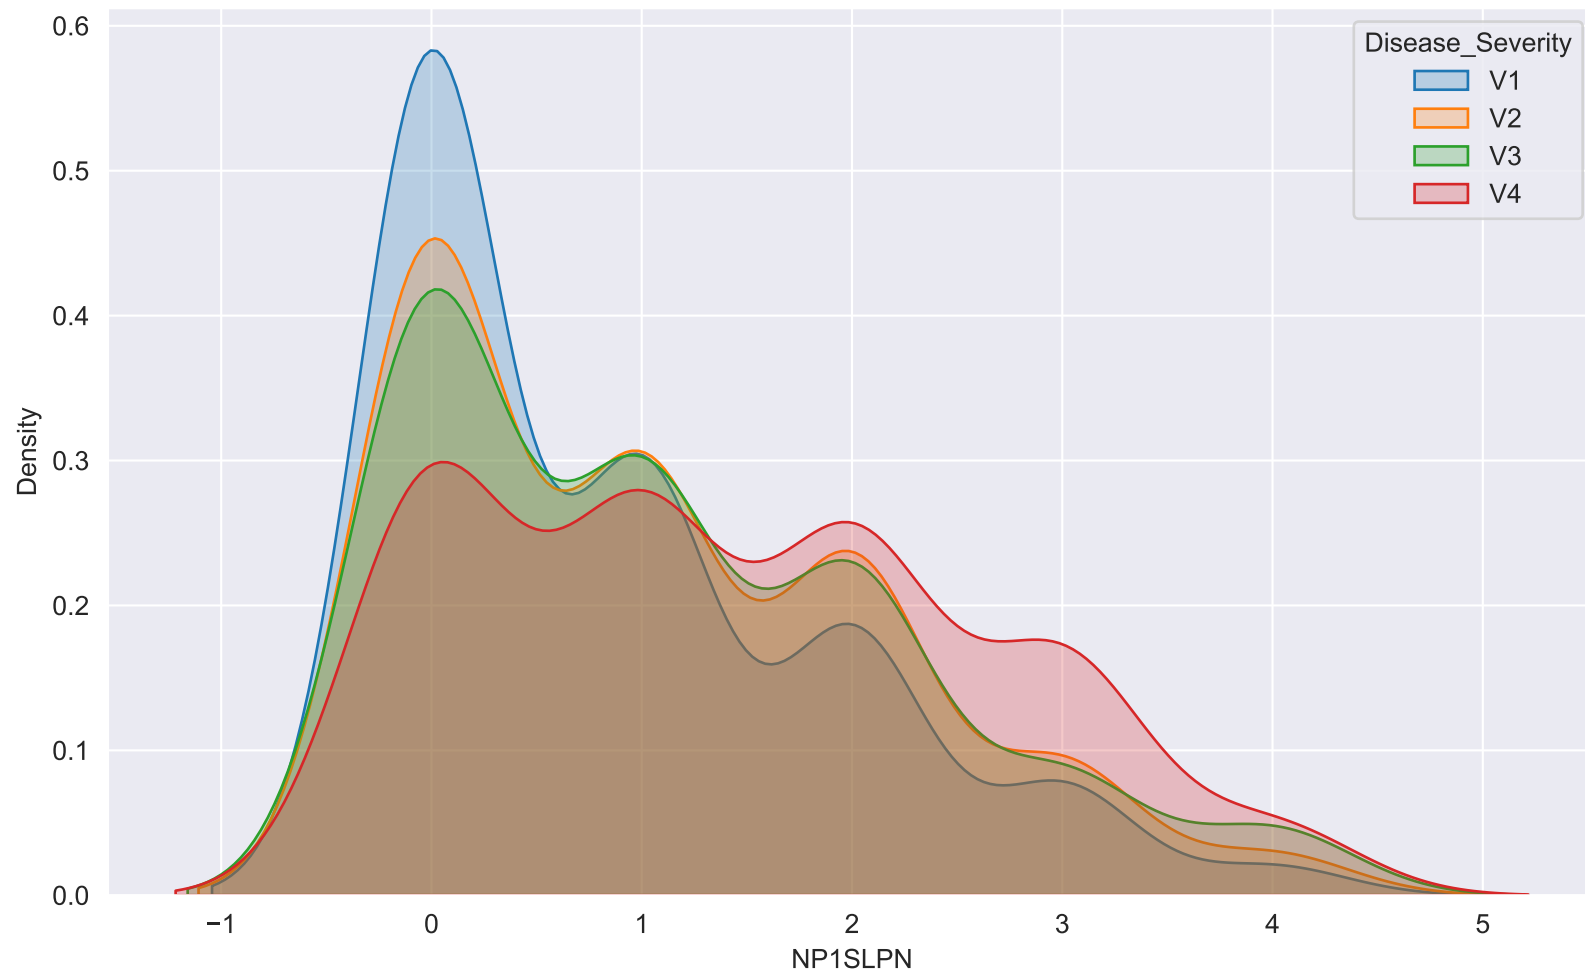

Probability Density Function for NP1PAIN

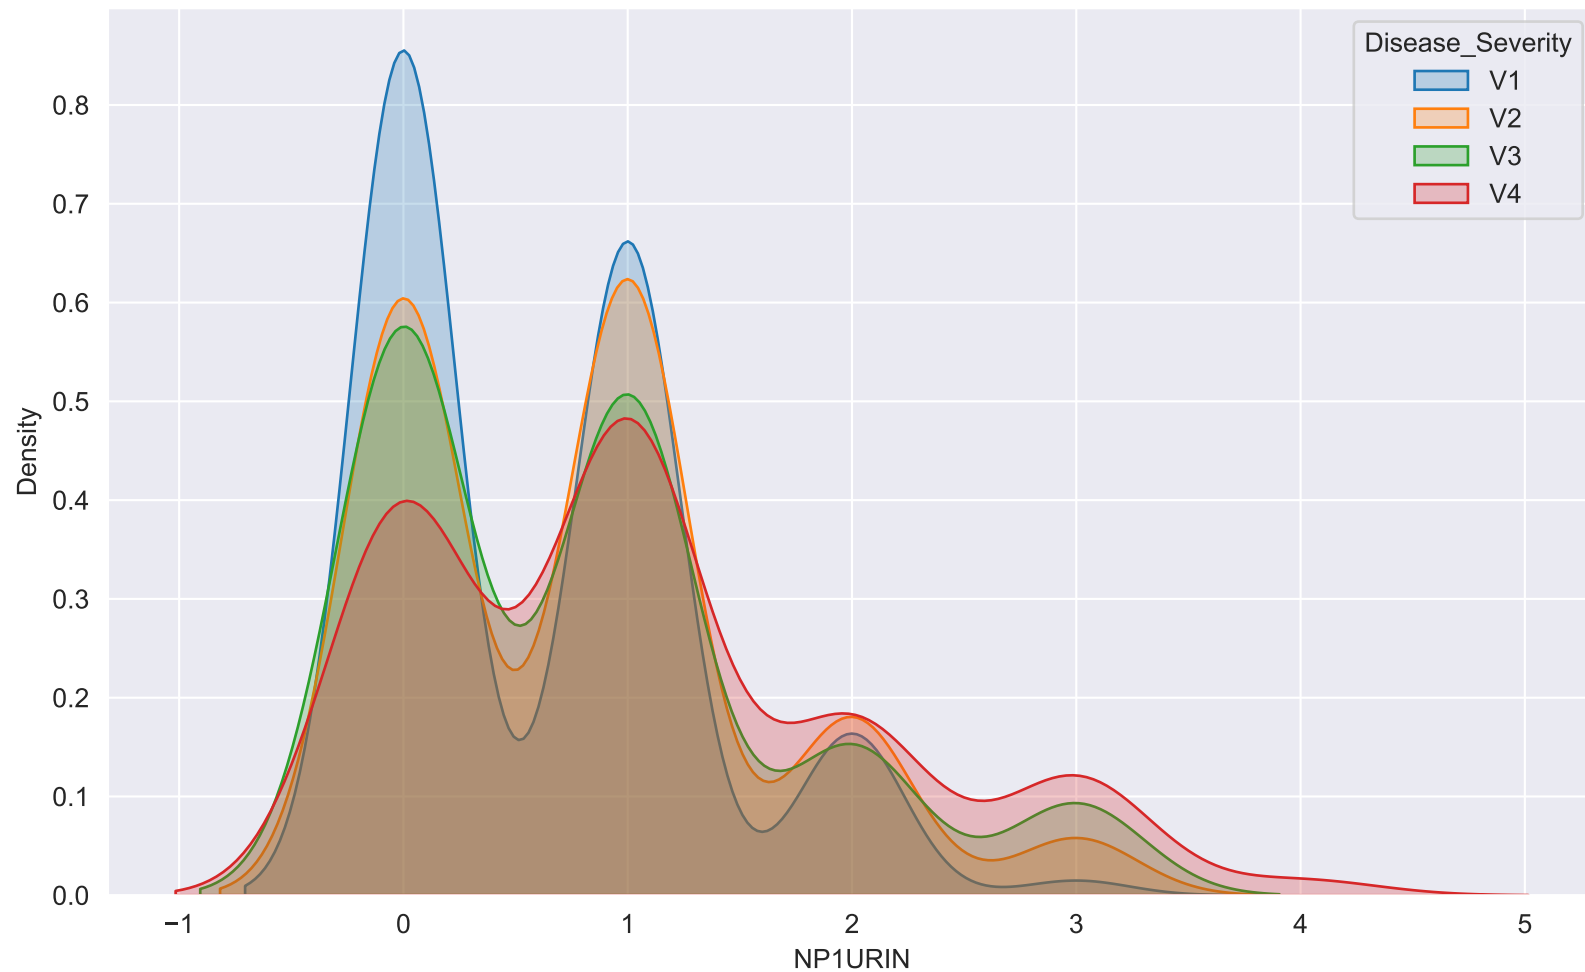

Probability Density Function for NP1SLPD

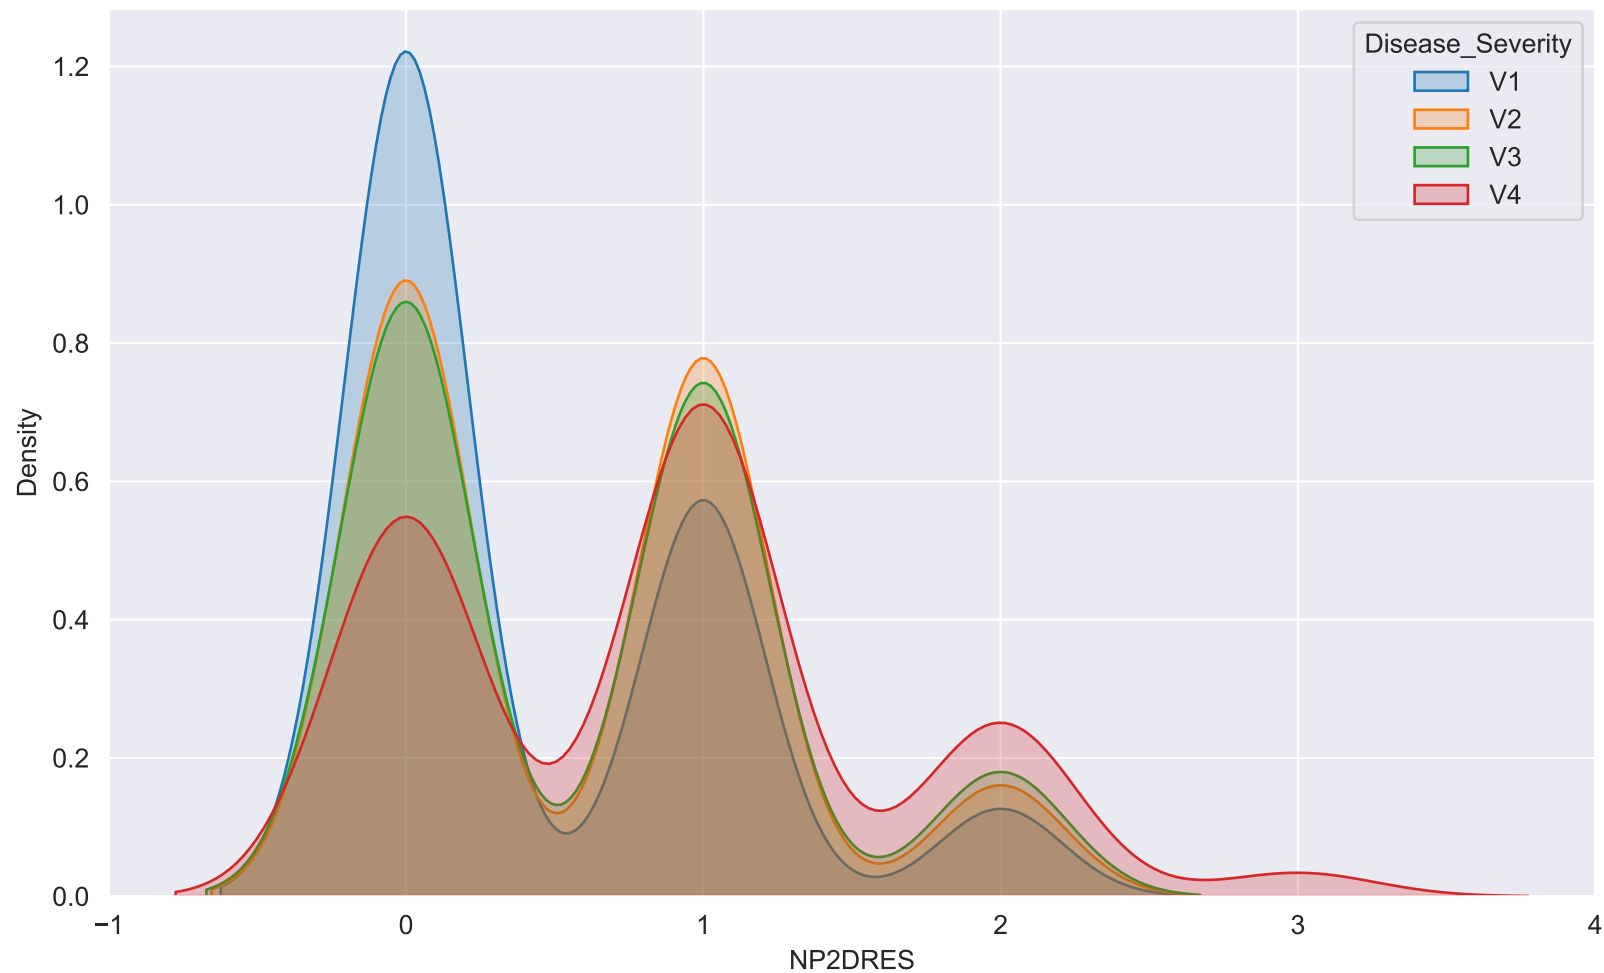

Probability Density Function for NP1SLPN

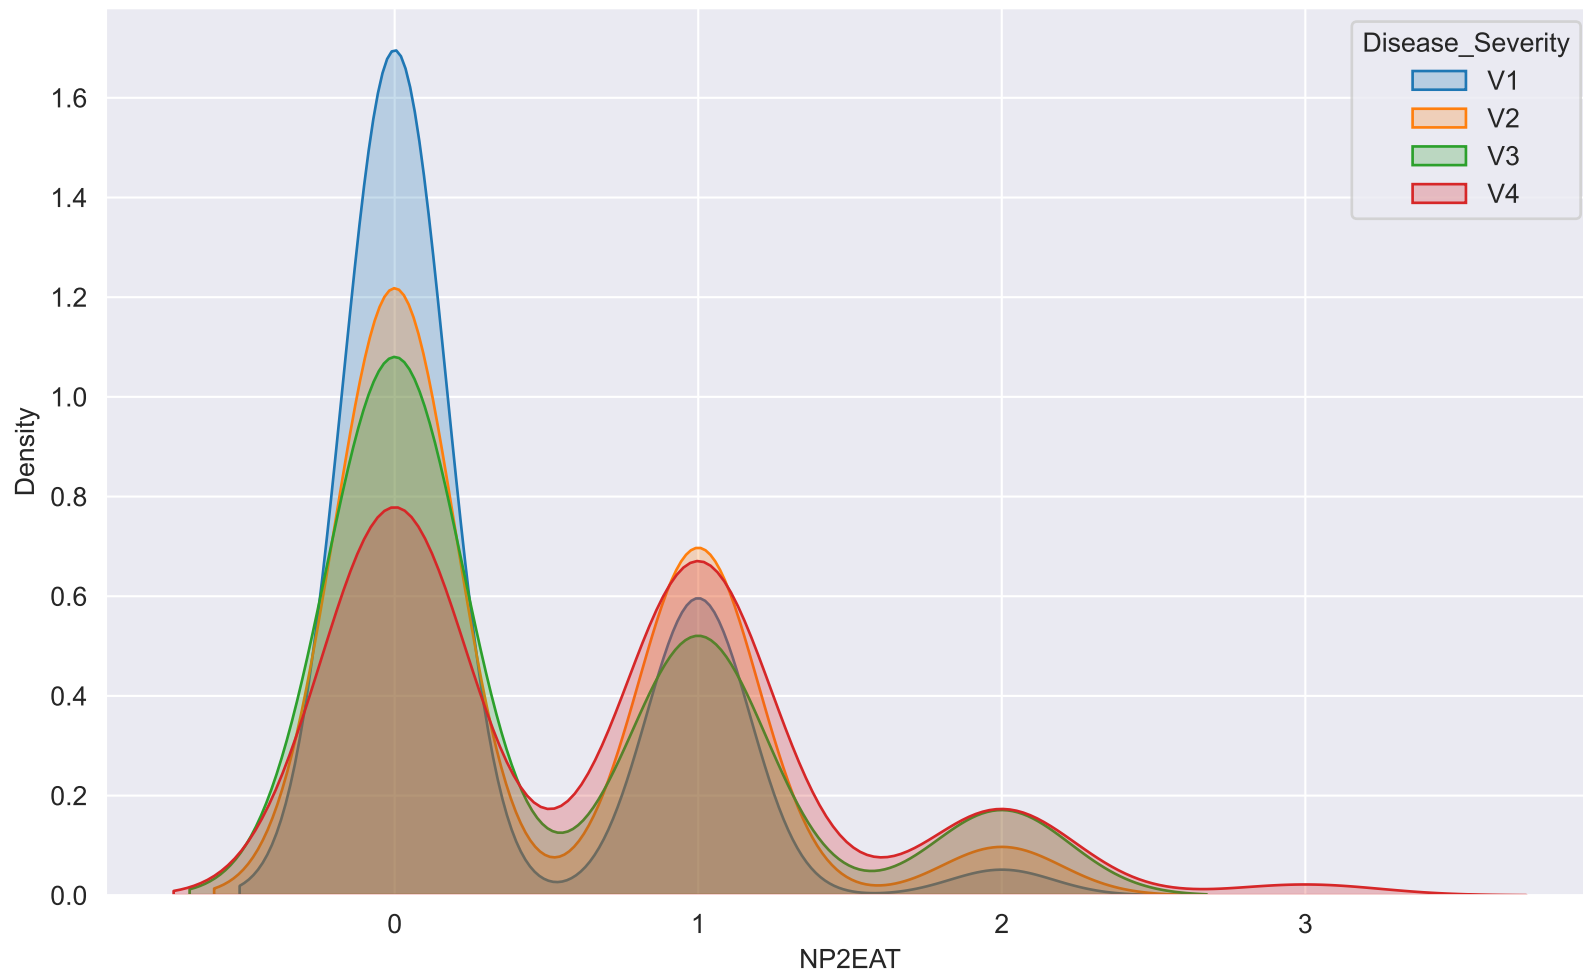

Probability Density Function for NP1URIN

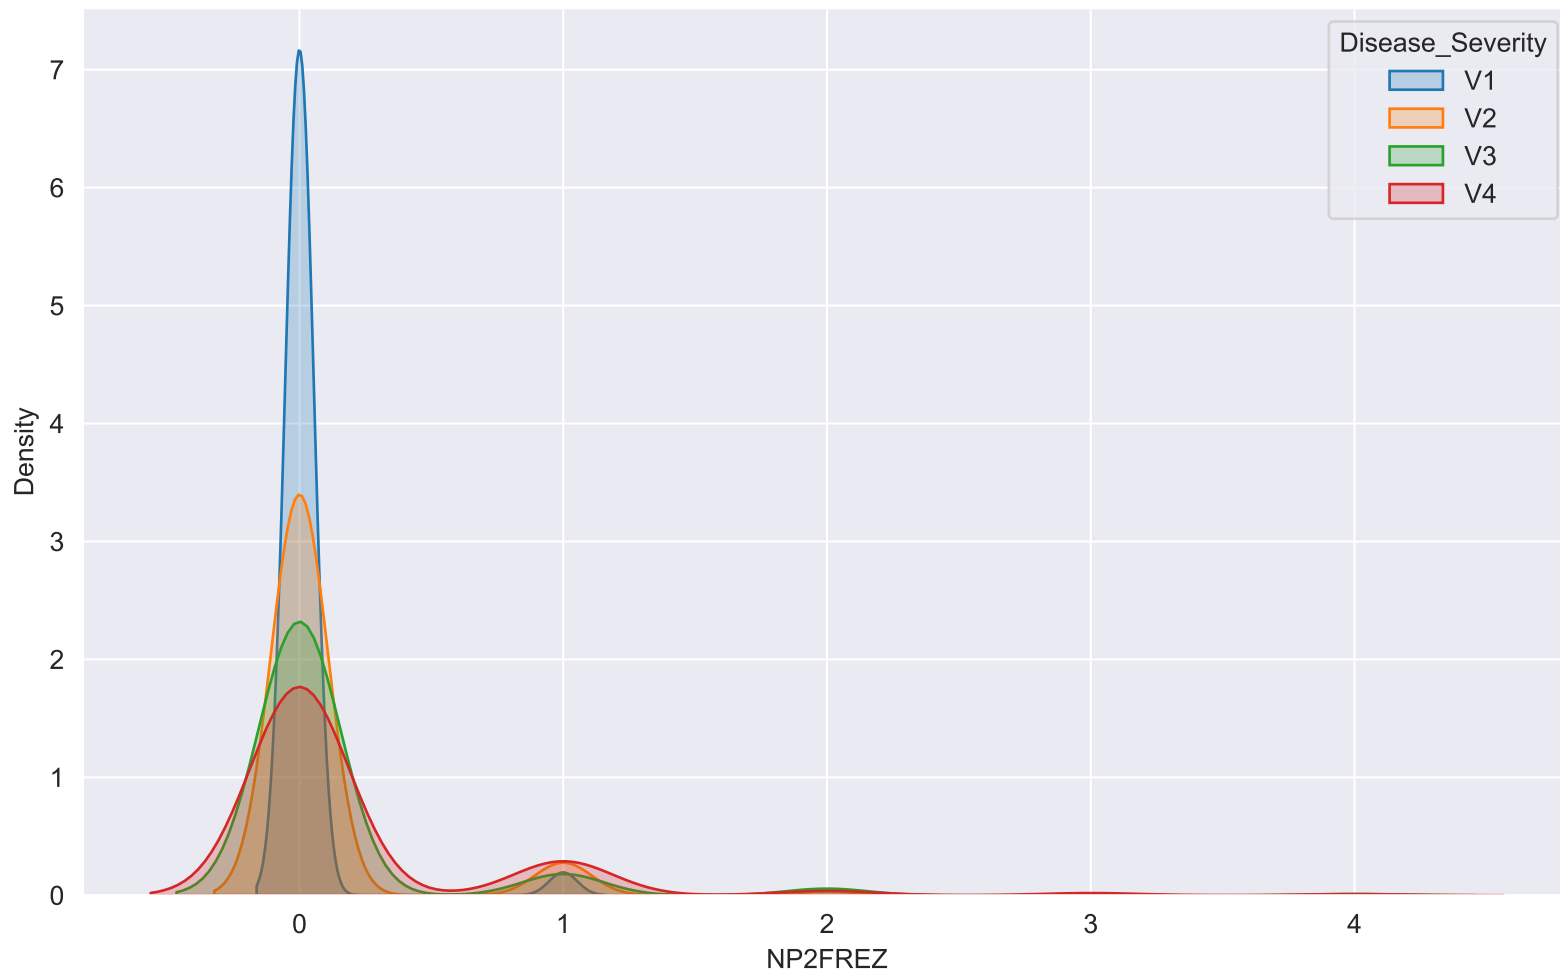

Probability Density Function for NP2DRES

Probability Density Function for NP2EAT

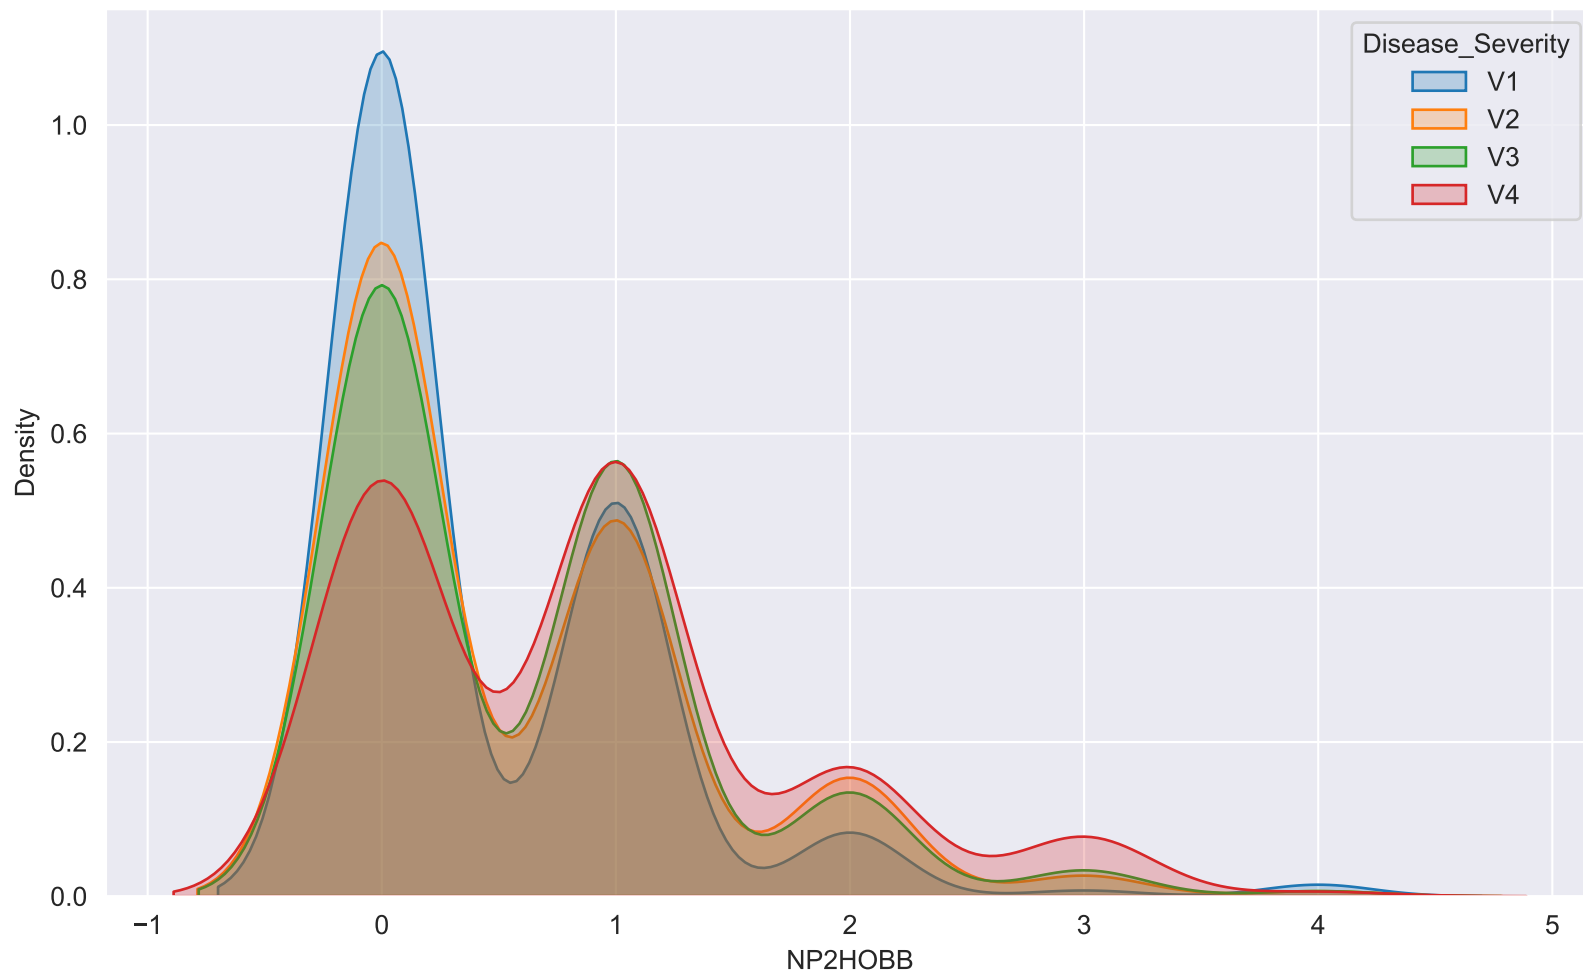

Probability Density Function for NP2FREZ

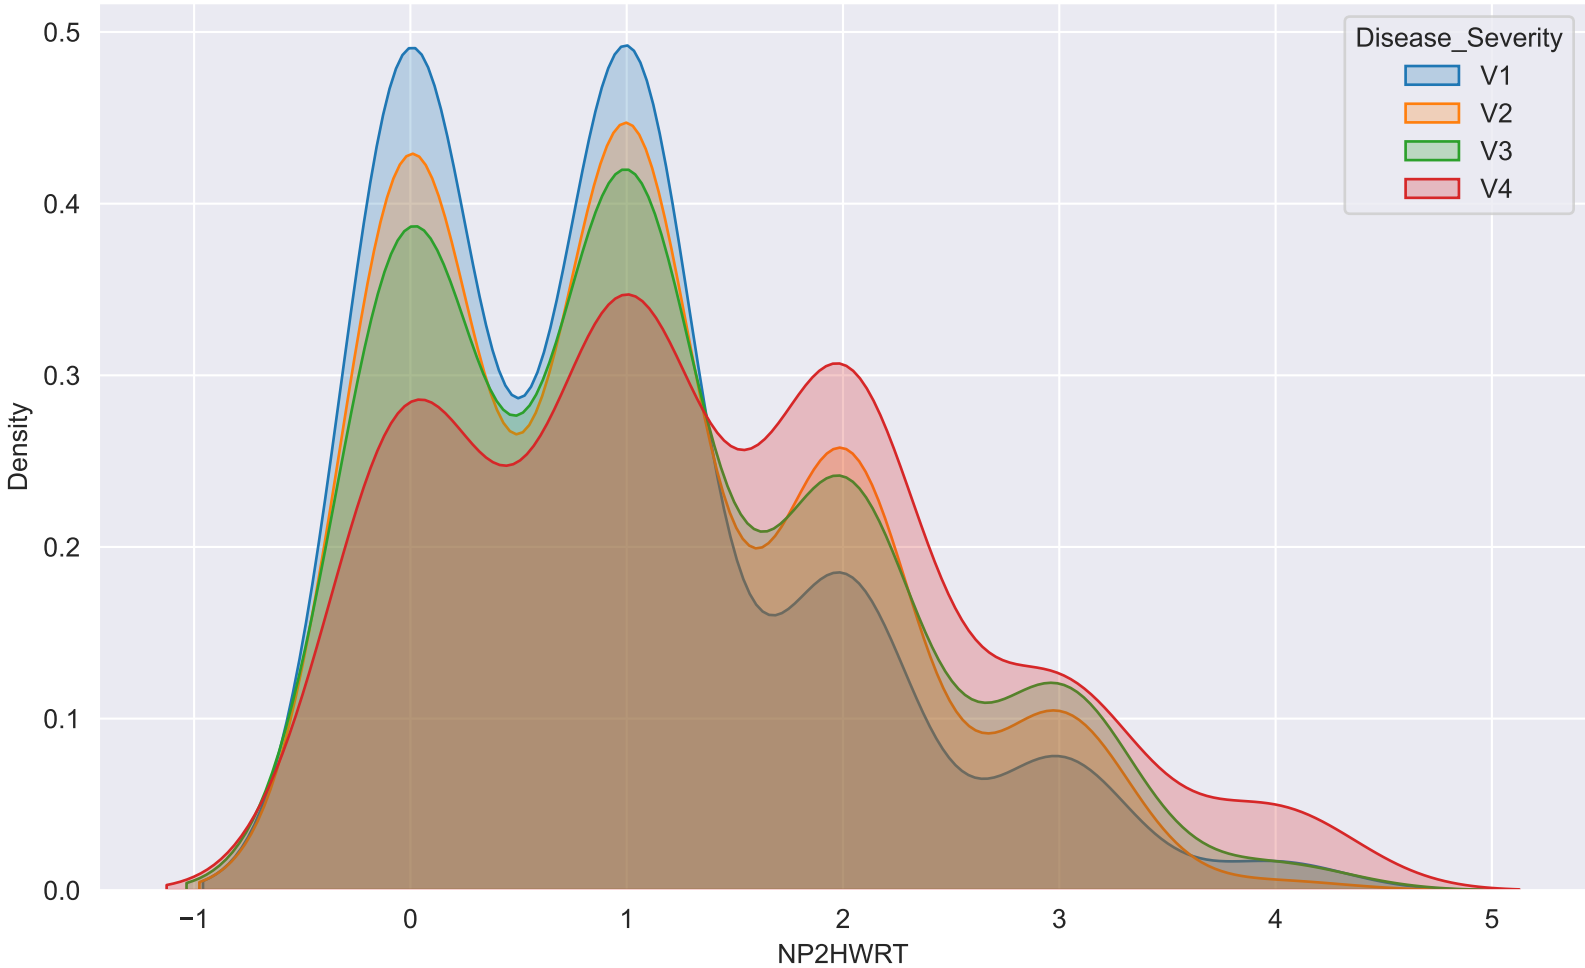

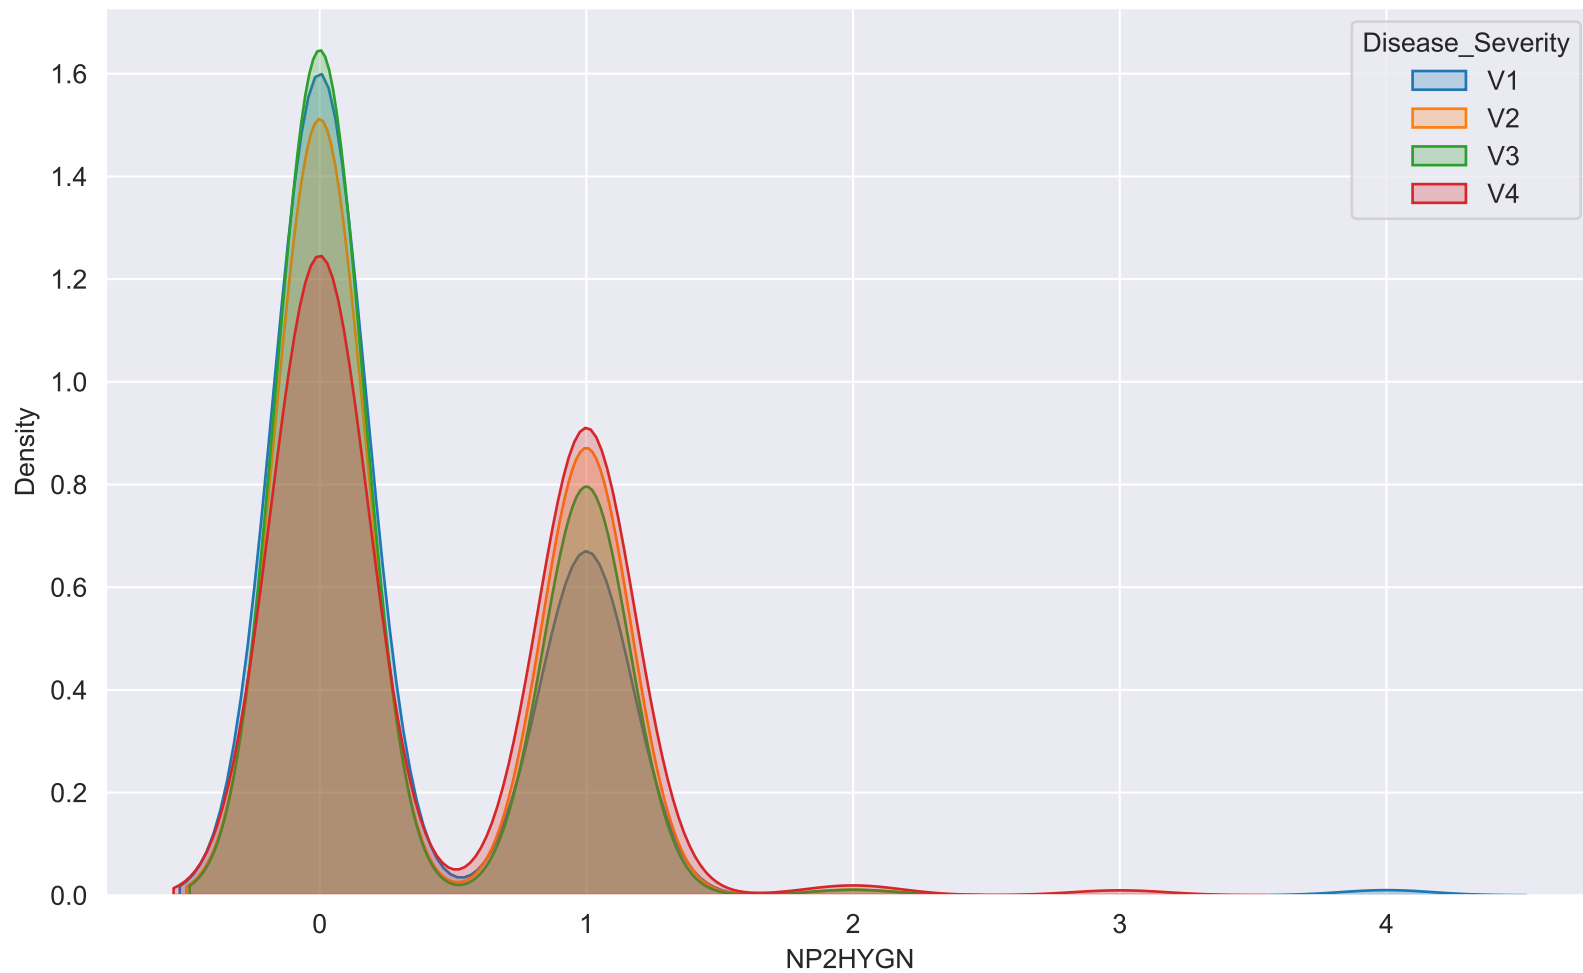

Probability Density Function for NP2HOBB

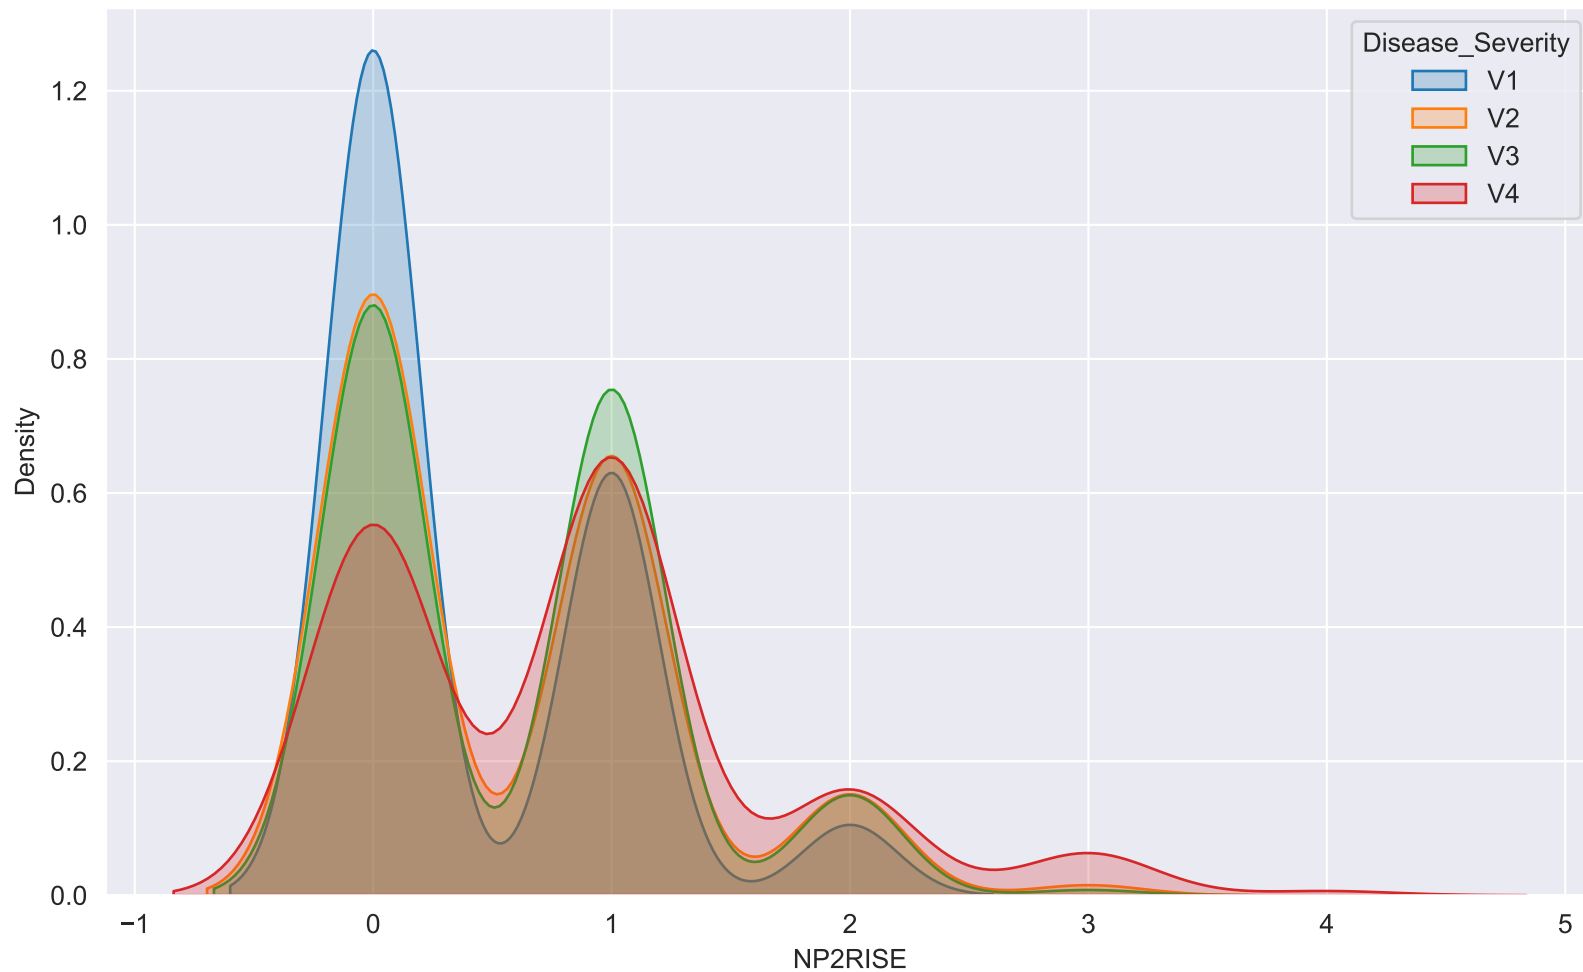

Probability Density Function for NP2HWRT

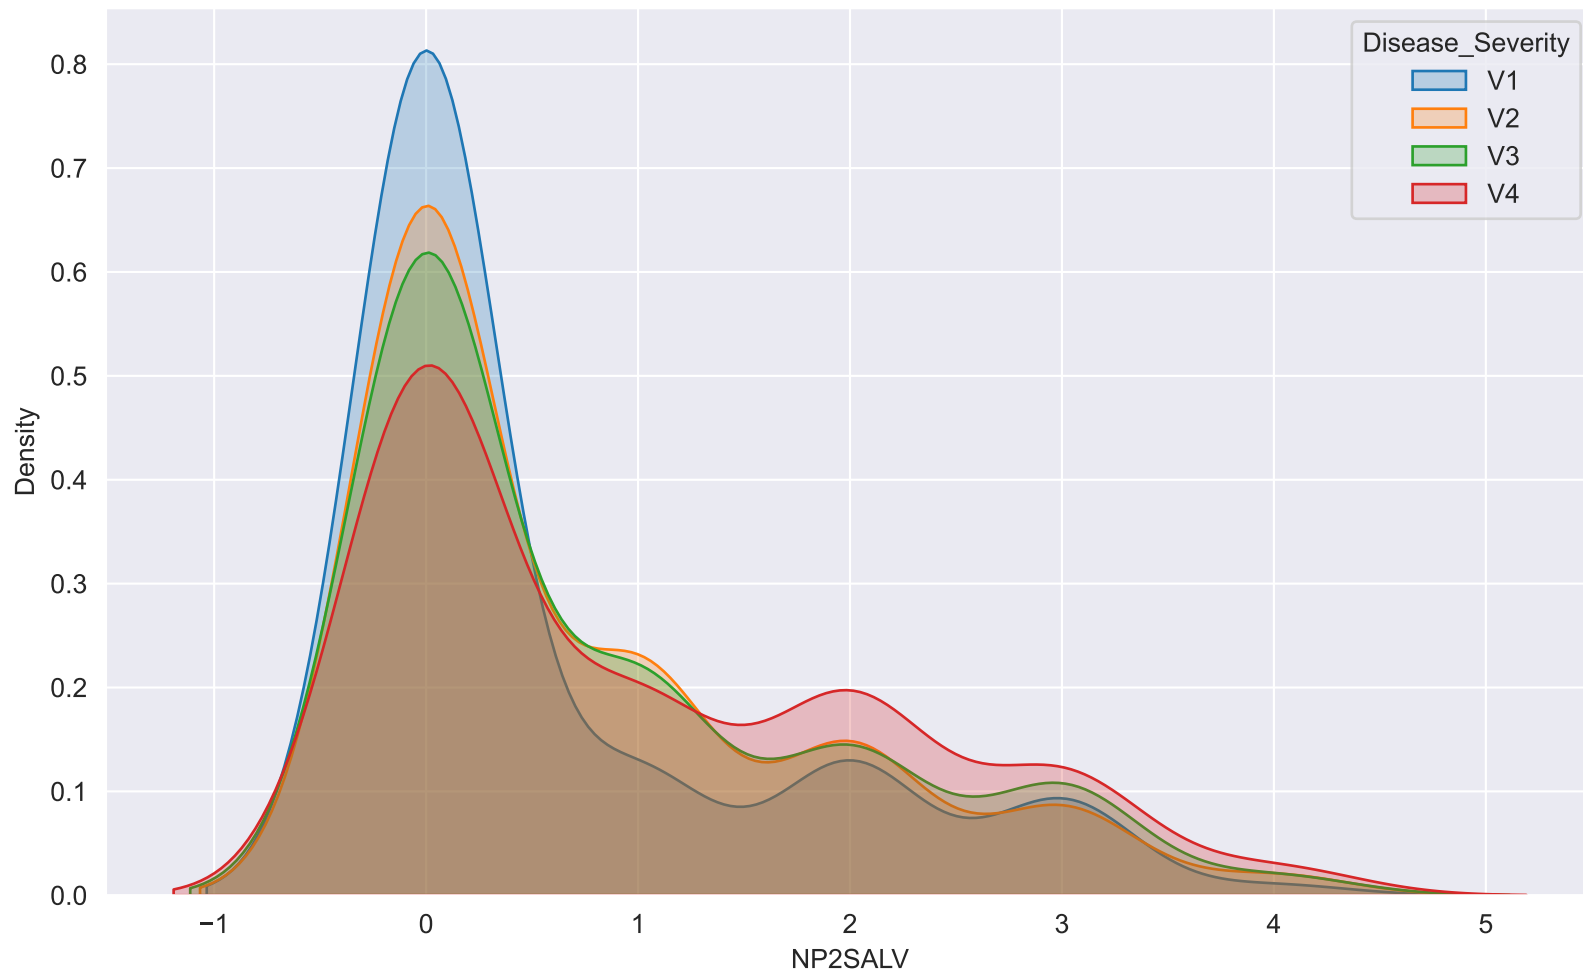

Probability Density Function for NP2HYGN

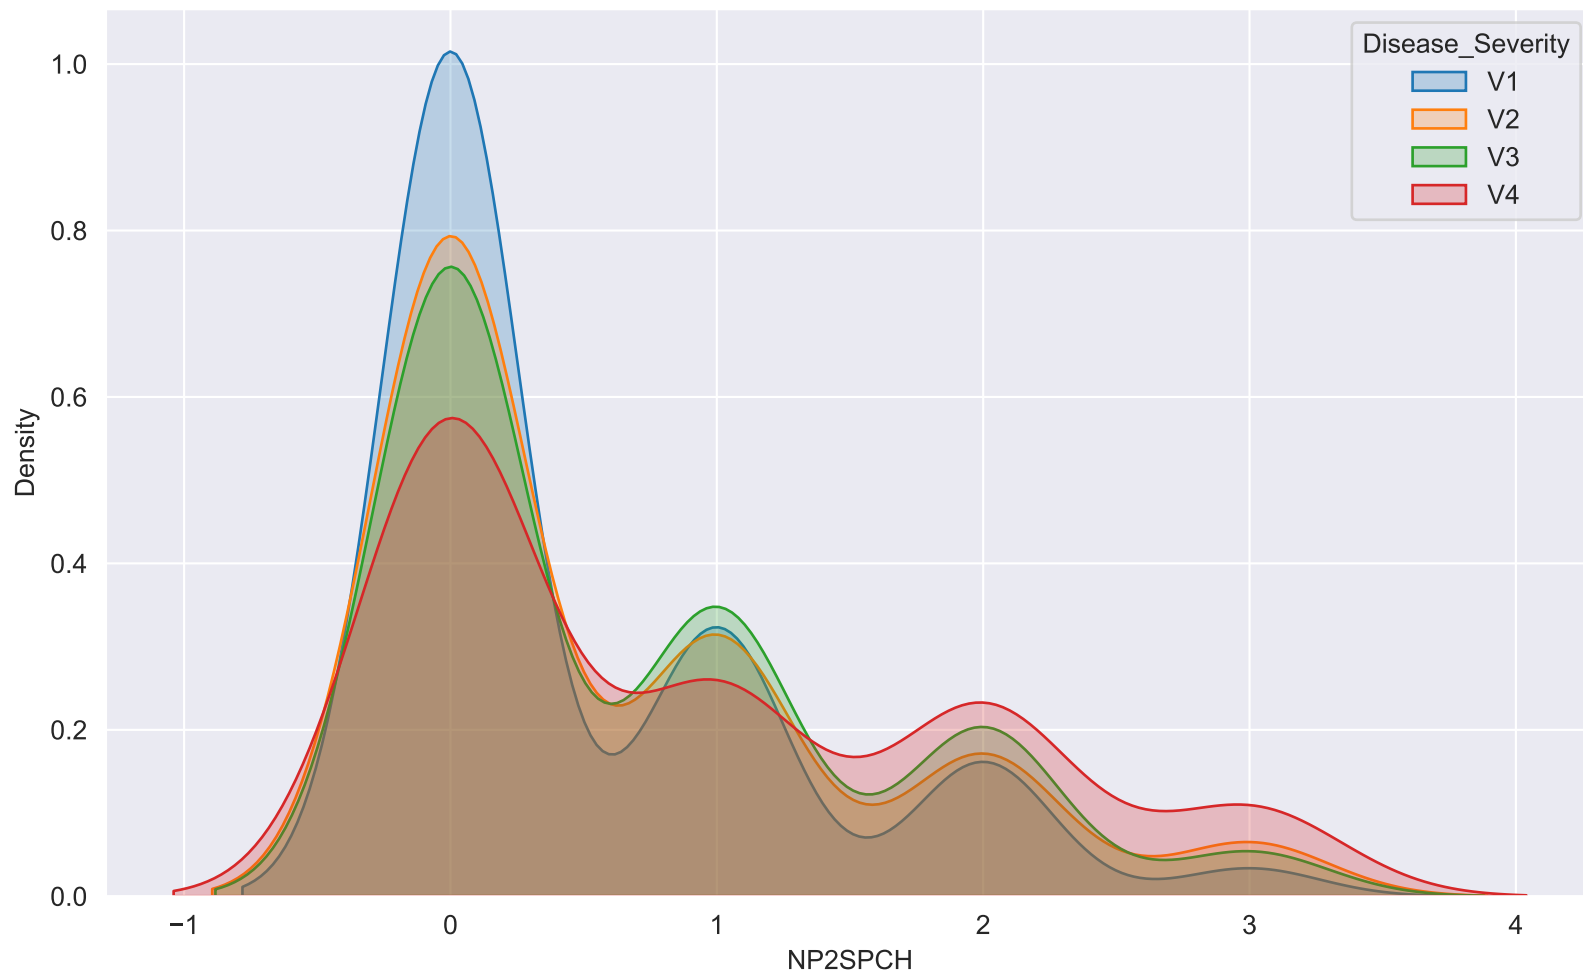

Probability Density Function for NP2RISE

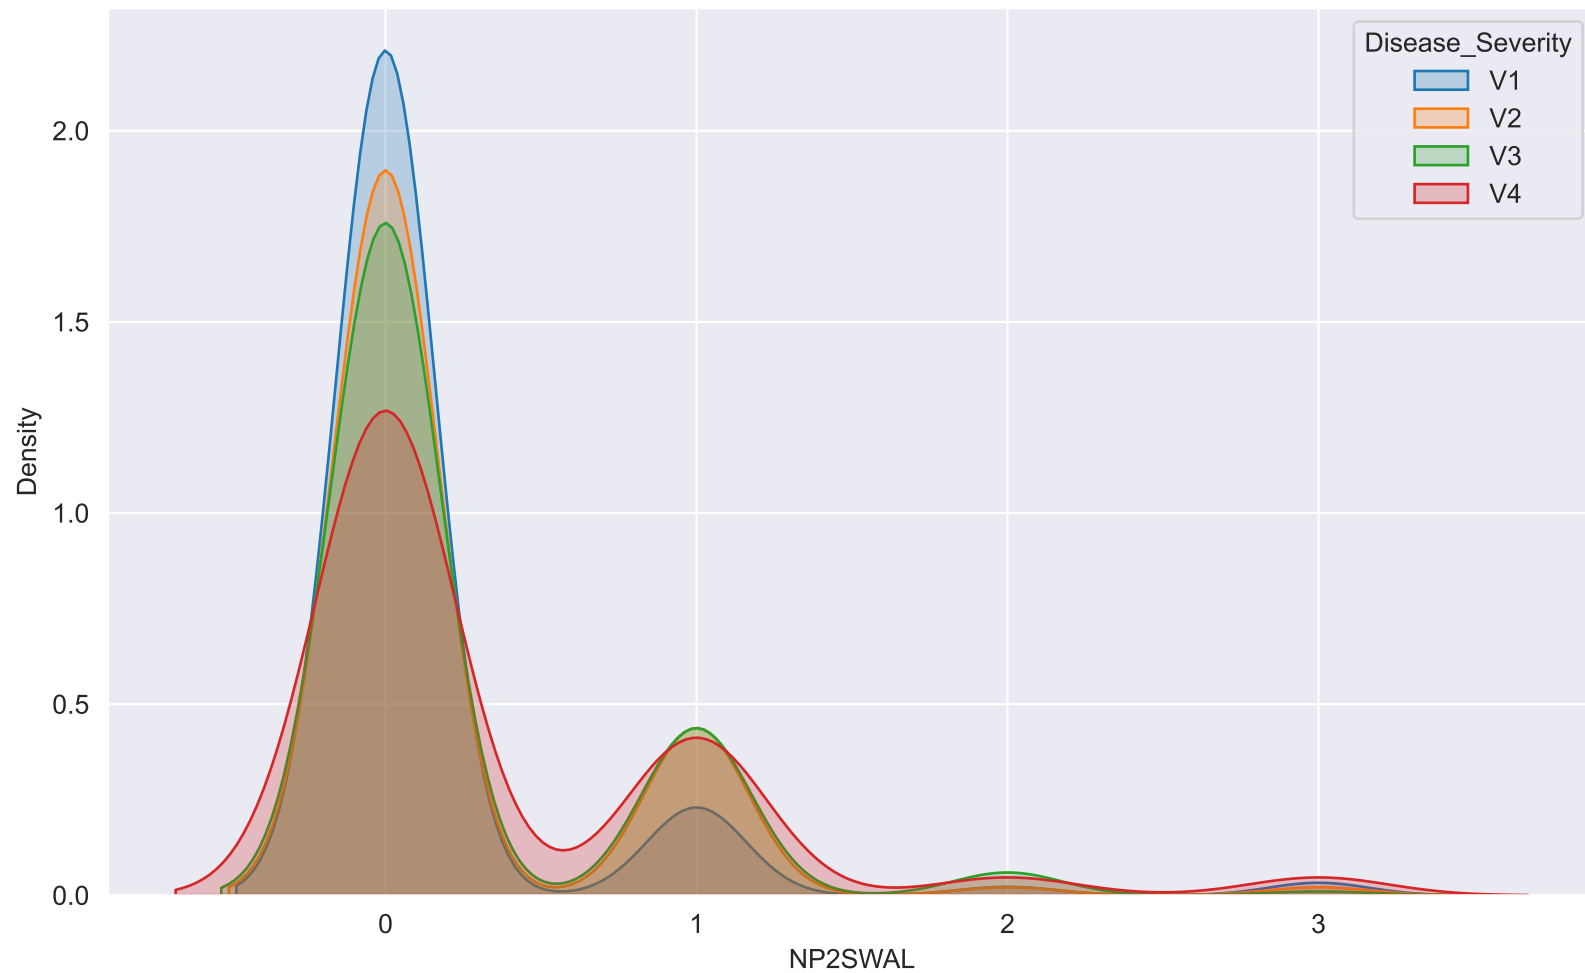

Probability Density Function for NP2SALV

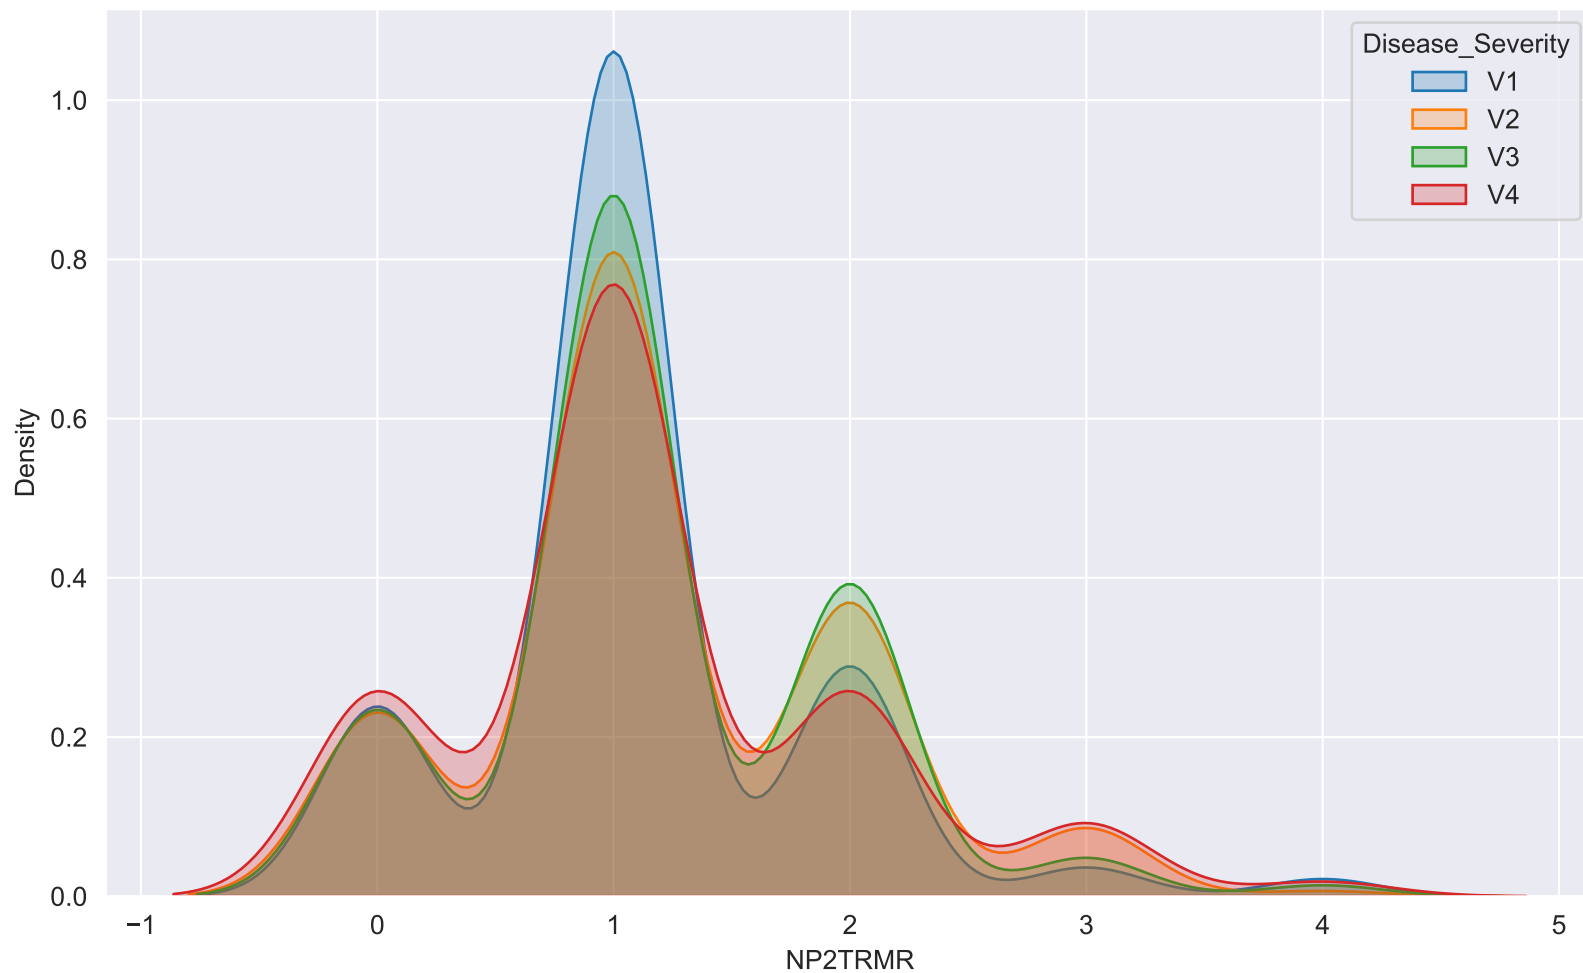

Probability Density Function for NP2SPCH

Probability Density Function for NP2SWAL

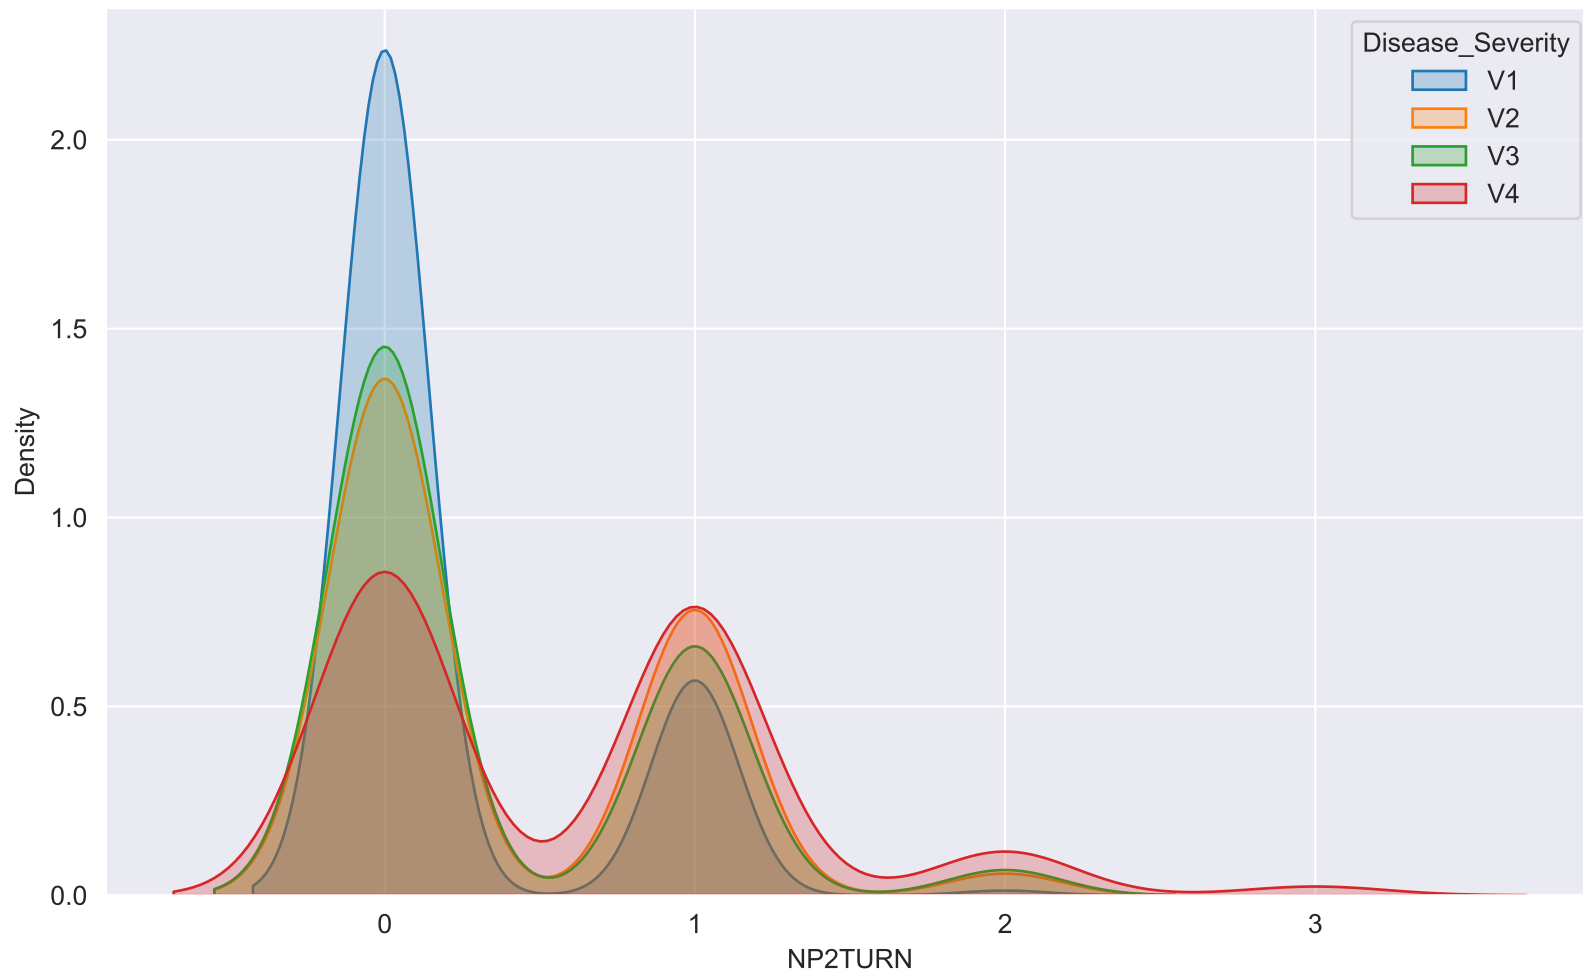

Probability Density Function for NP2TRMR

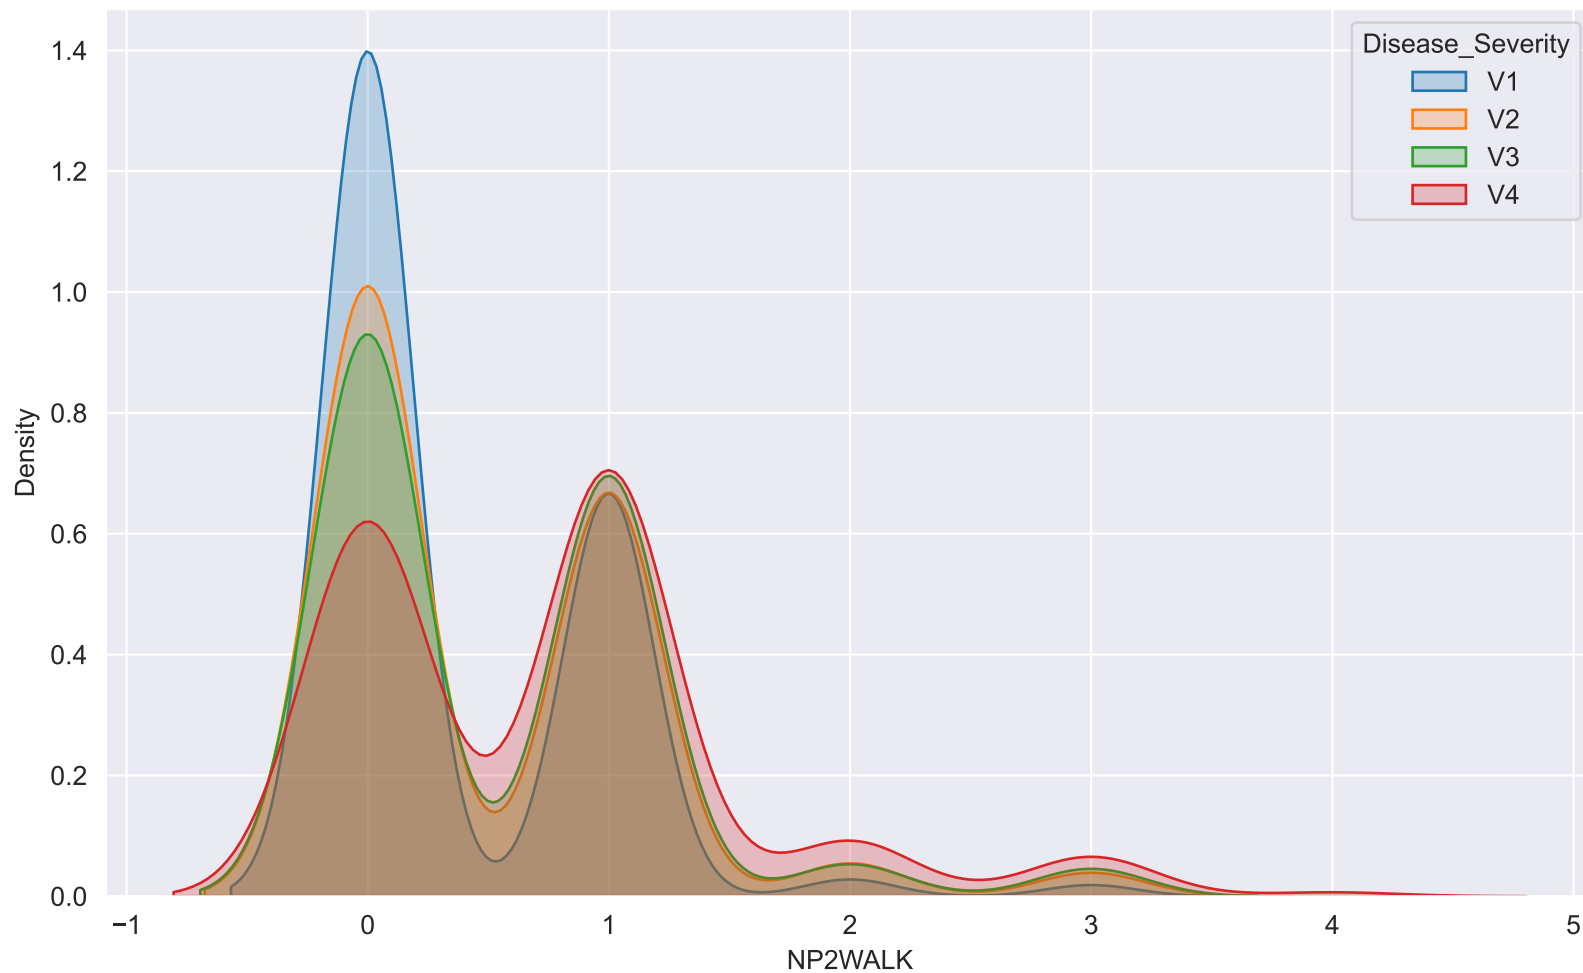

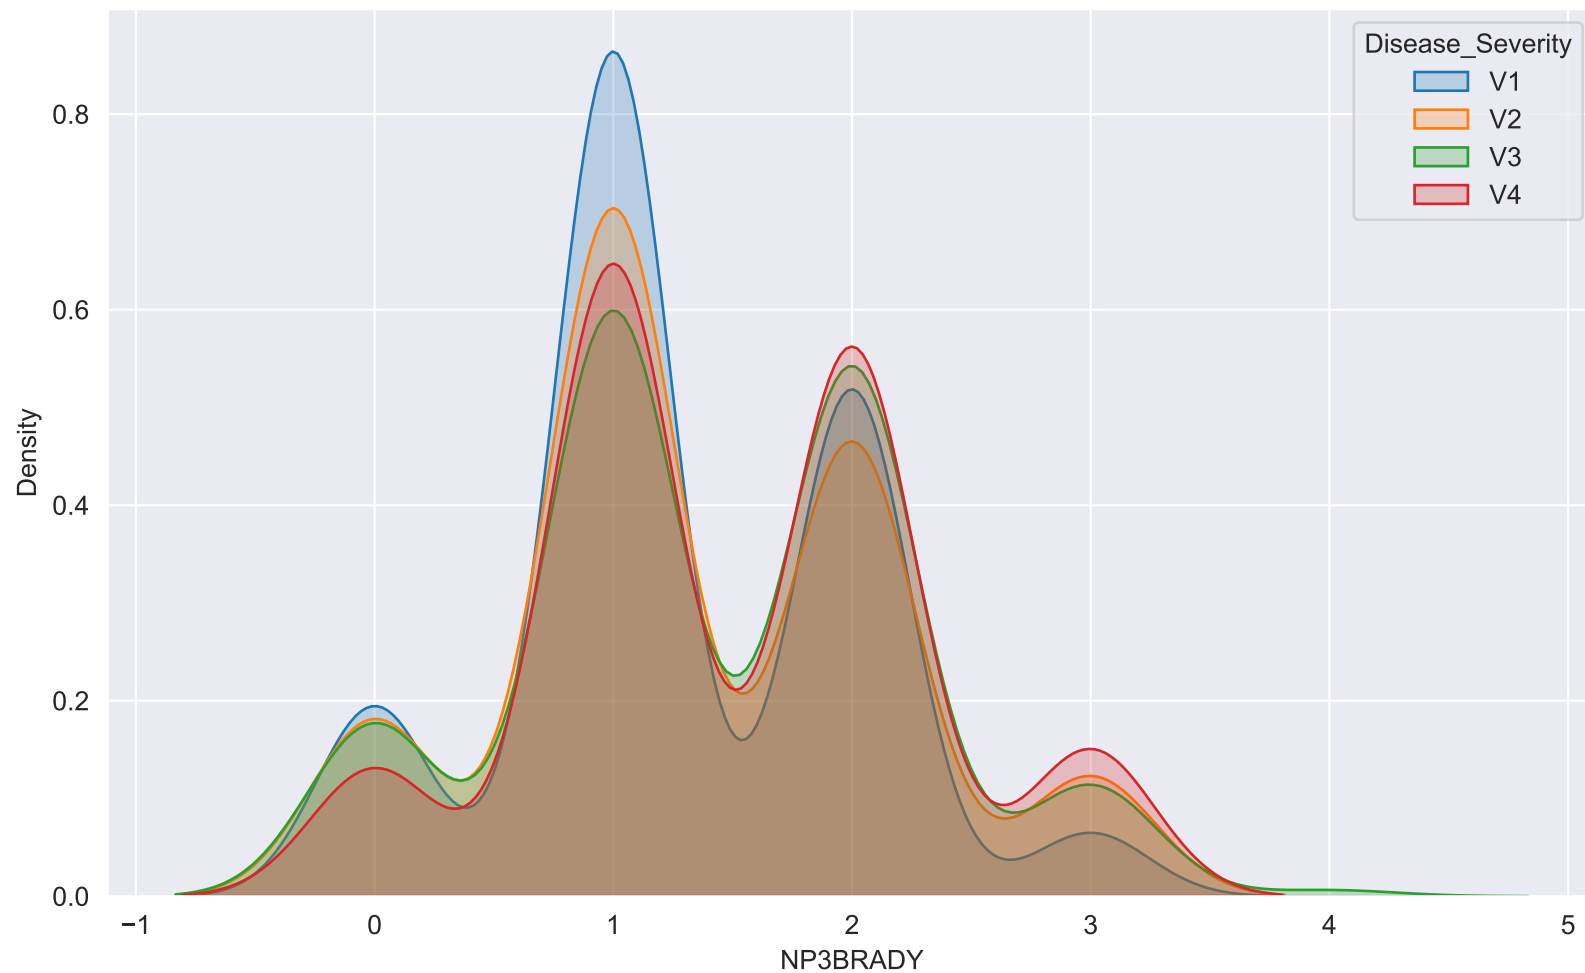

Probability Density Function for NP2TURN

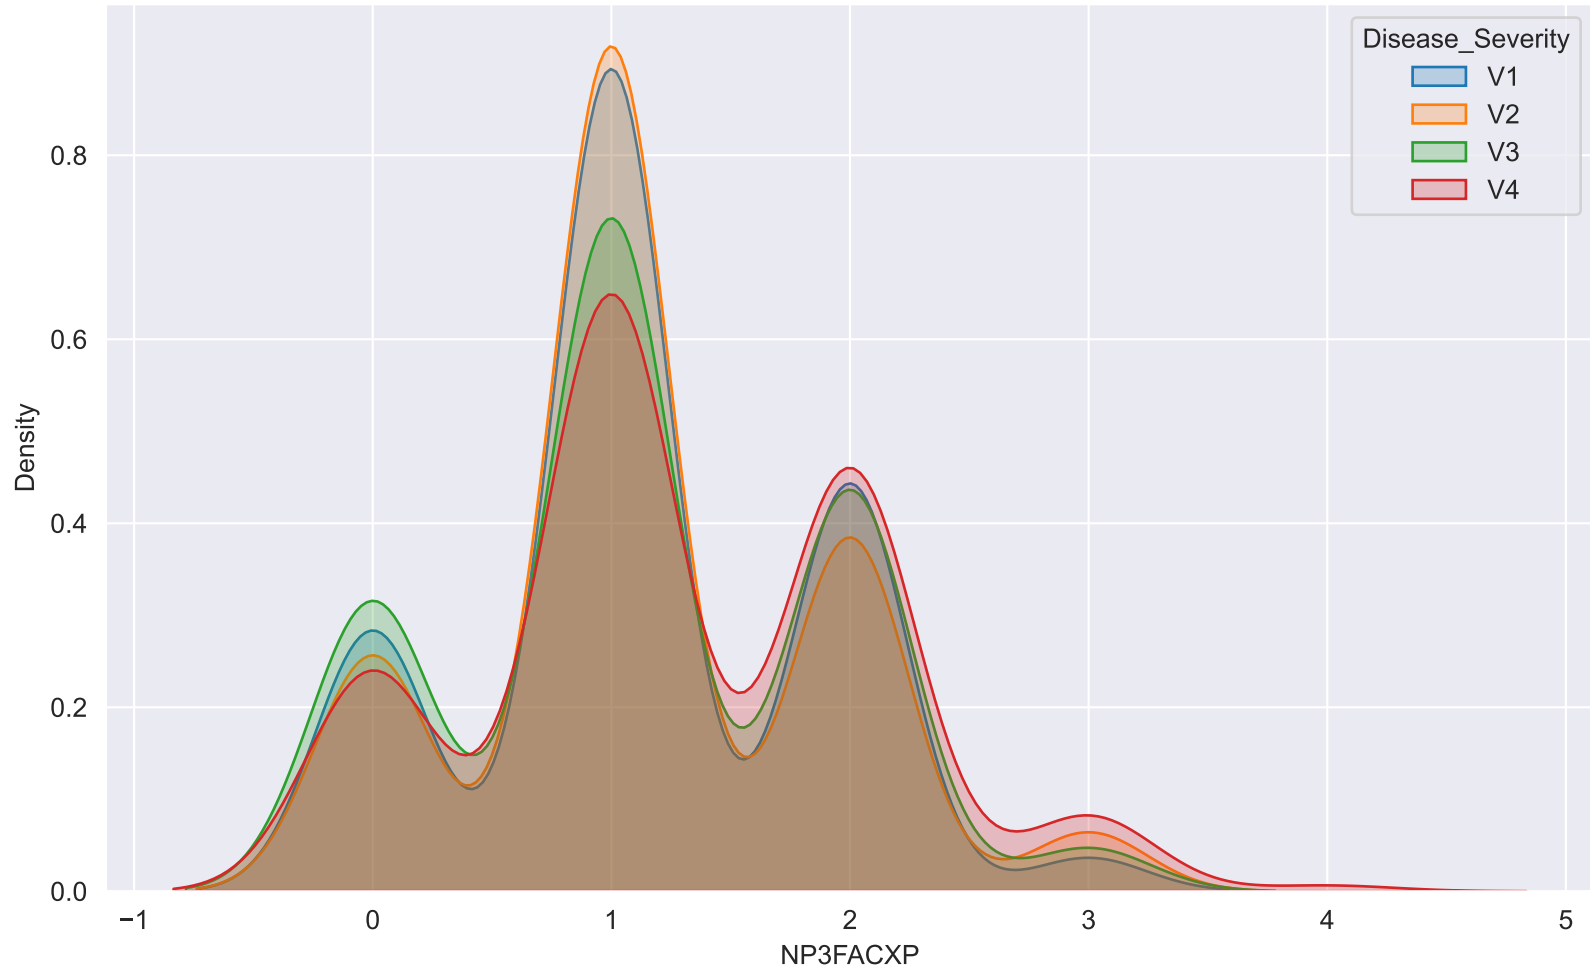

Probability Density Function for NP2WALK

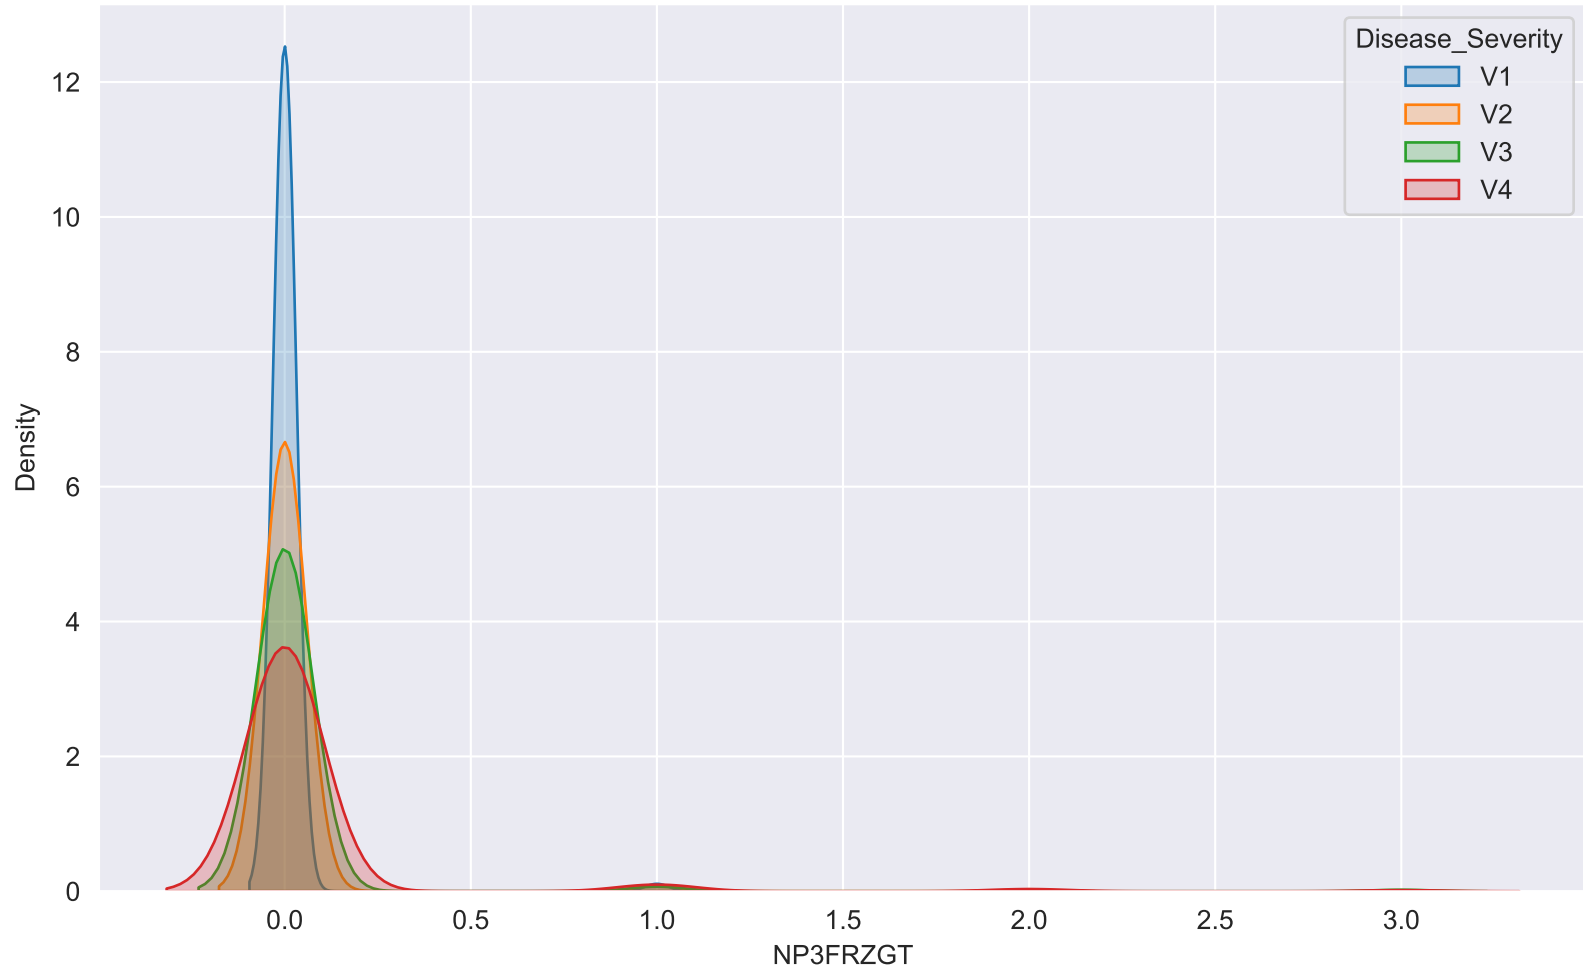

Probability Density Function for NP3BRADY

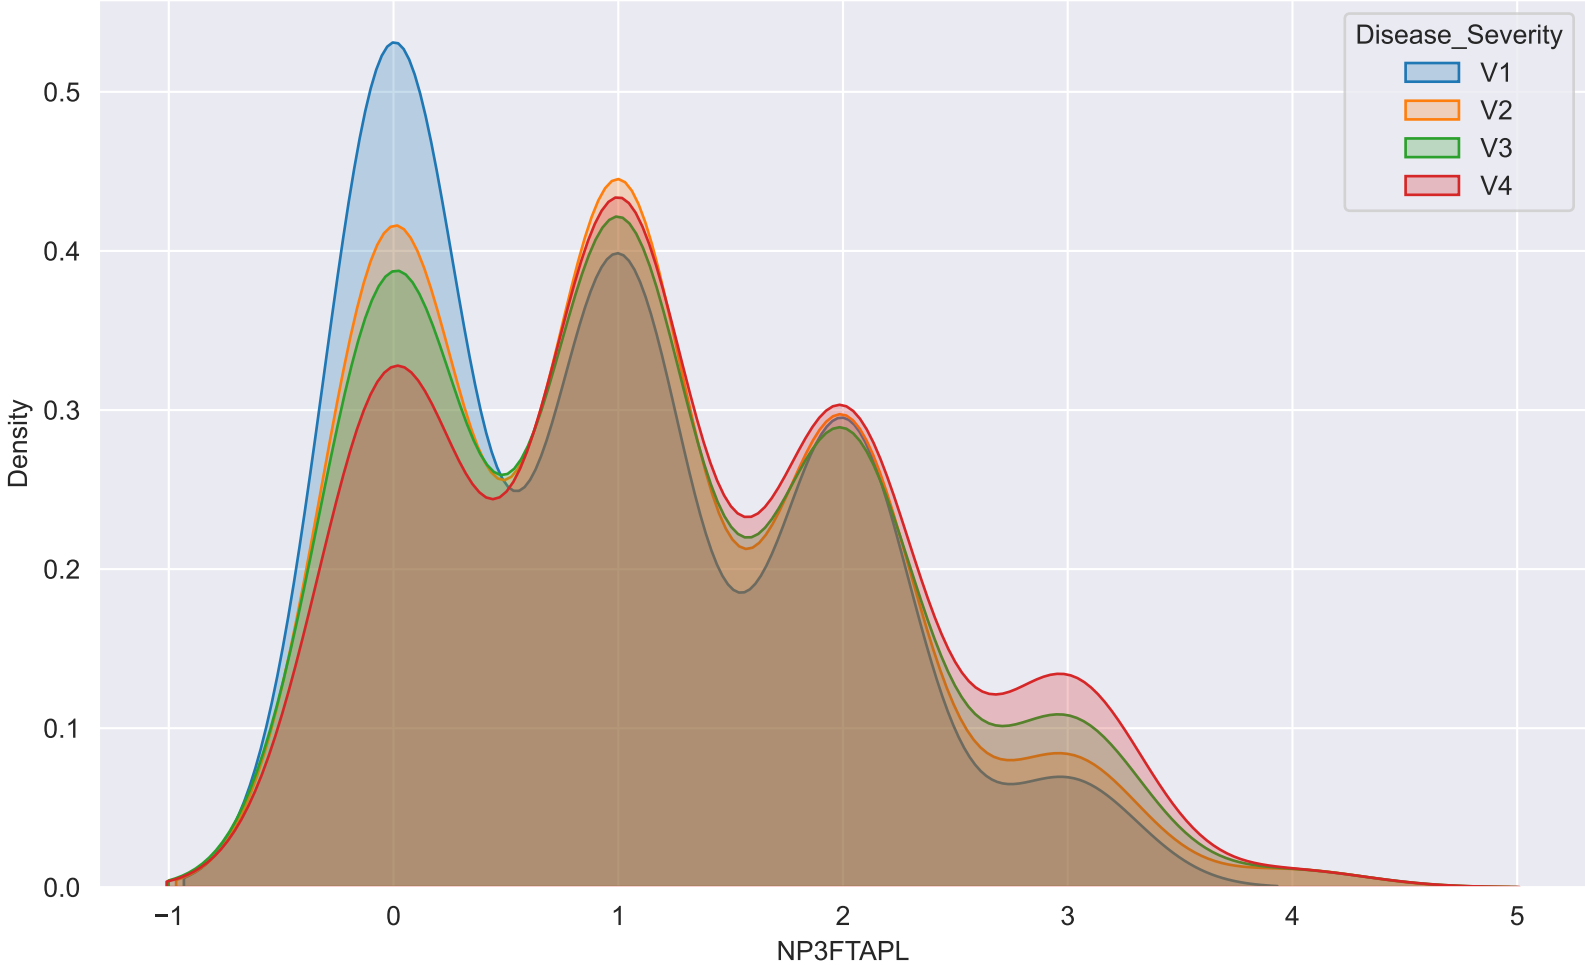

Probability Density Function for NP3FACXP

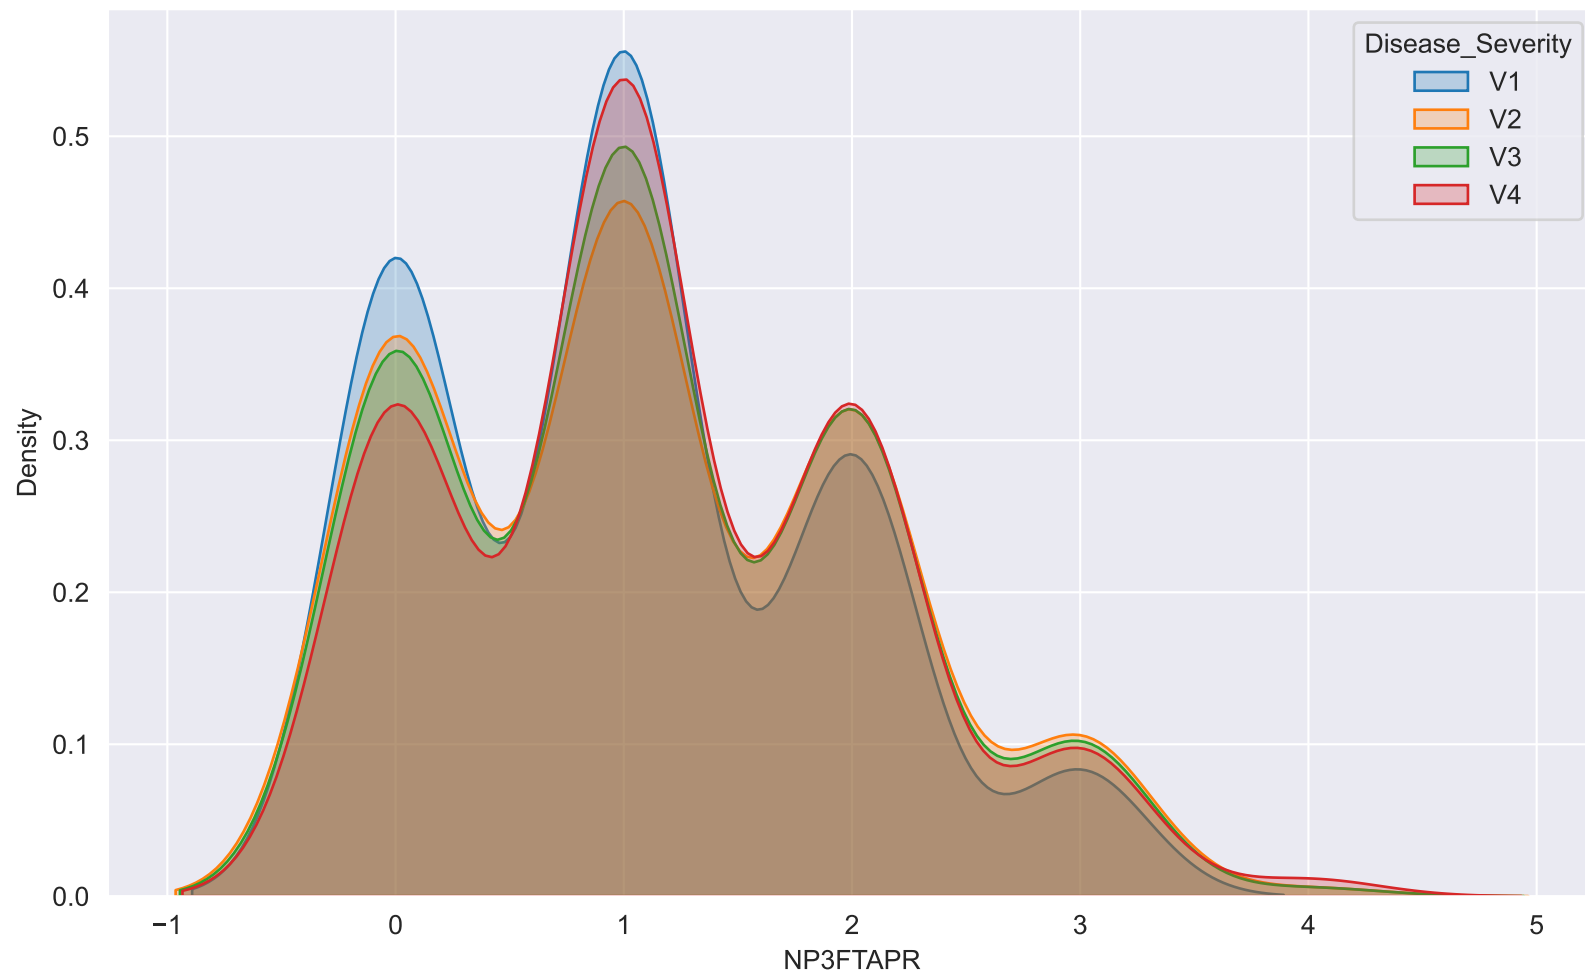

Probability Density Function for NP3FRZGT

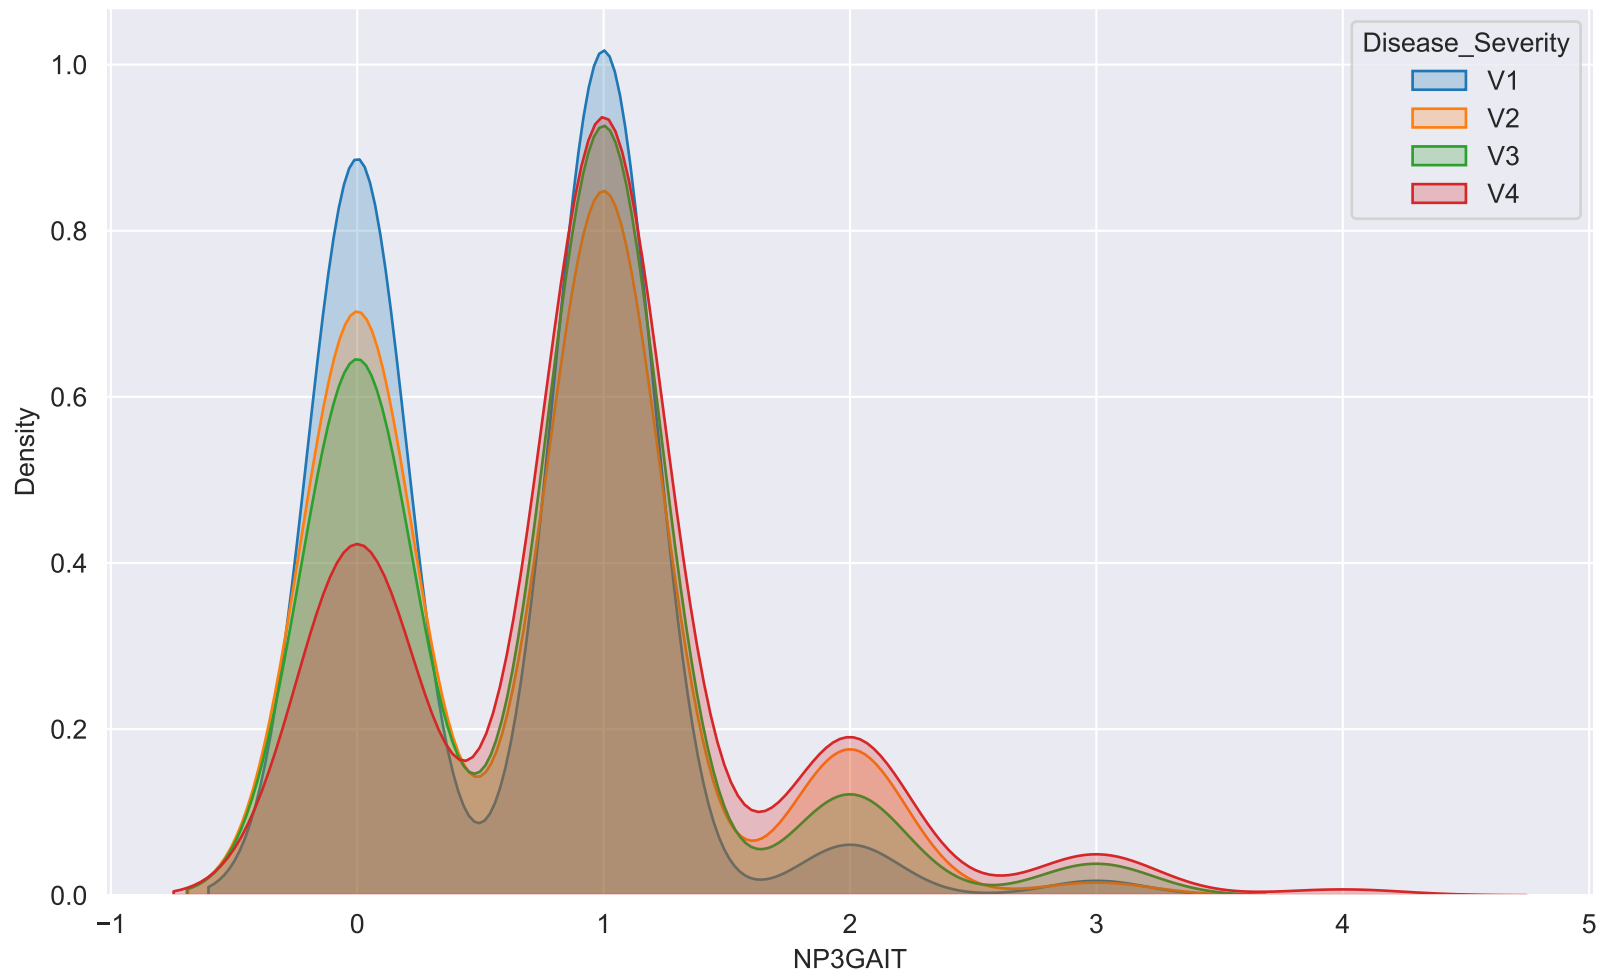

Probability Density Function for NP3FTAPL

Probability Density Function for NP3FTAPR

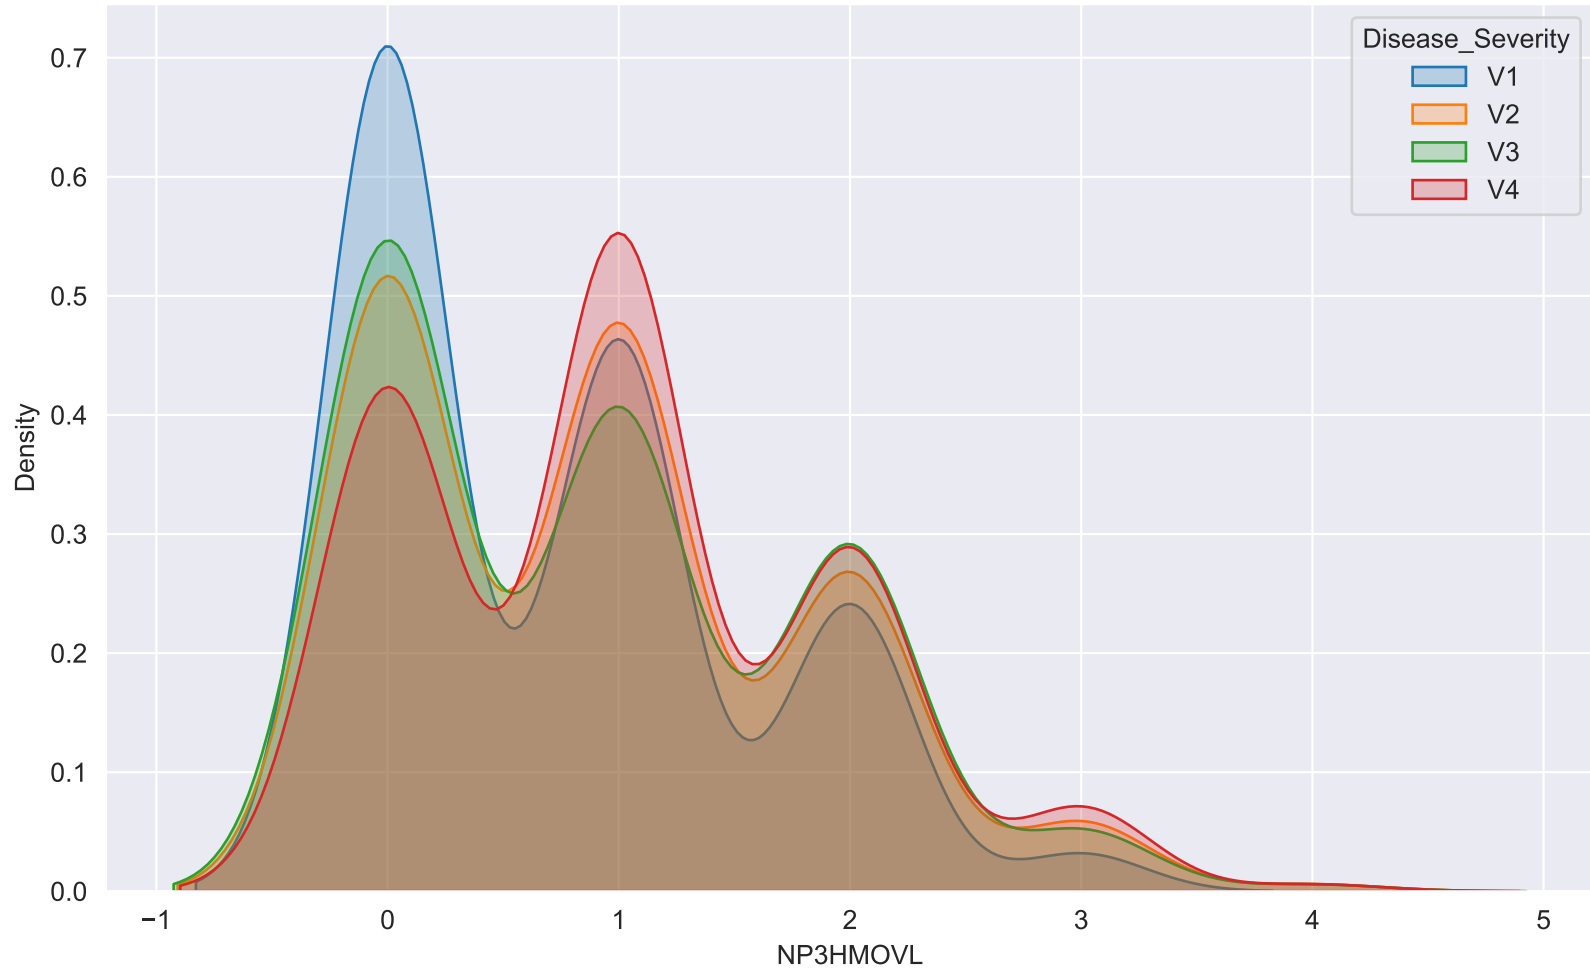

Probability Density Function for NP3GAIT

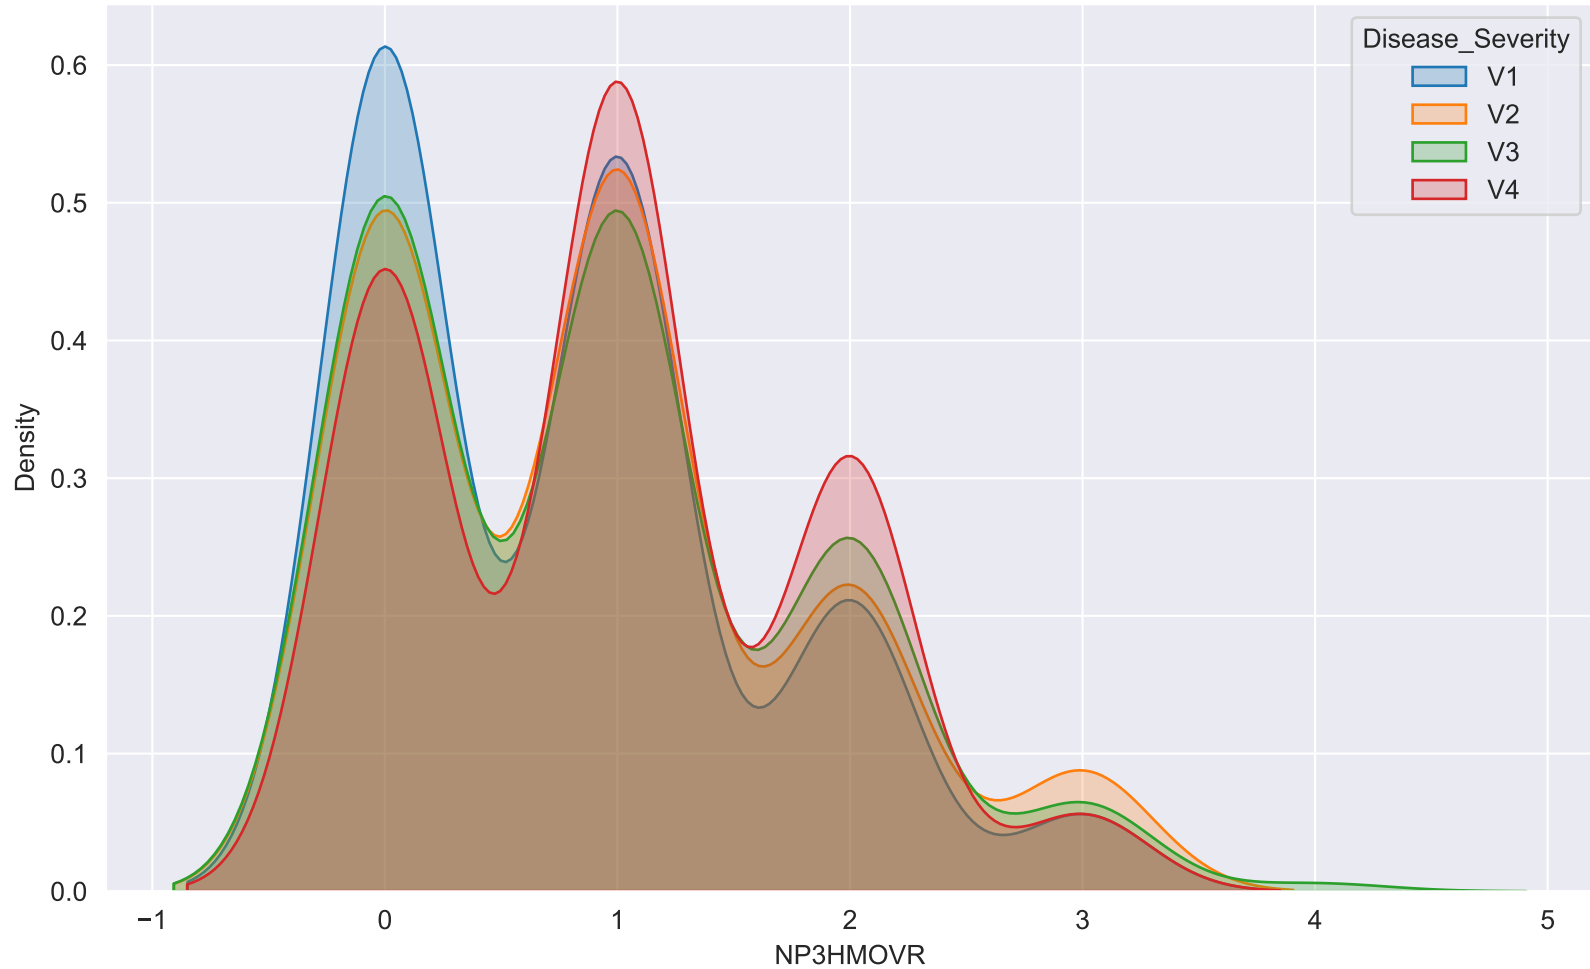

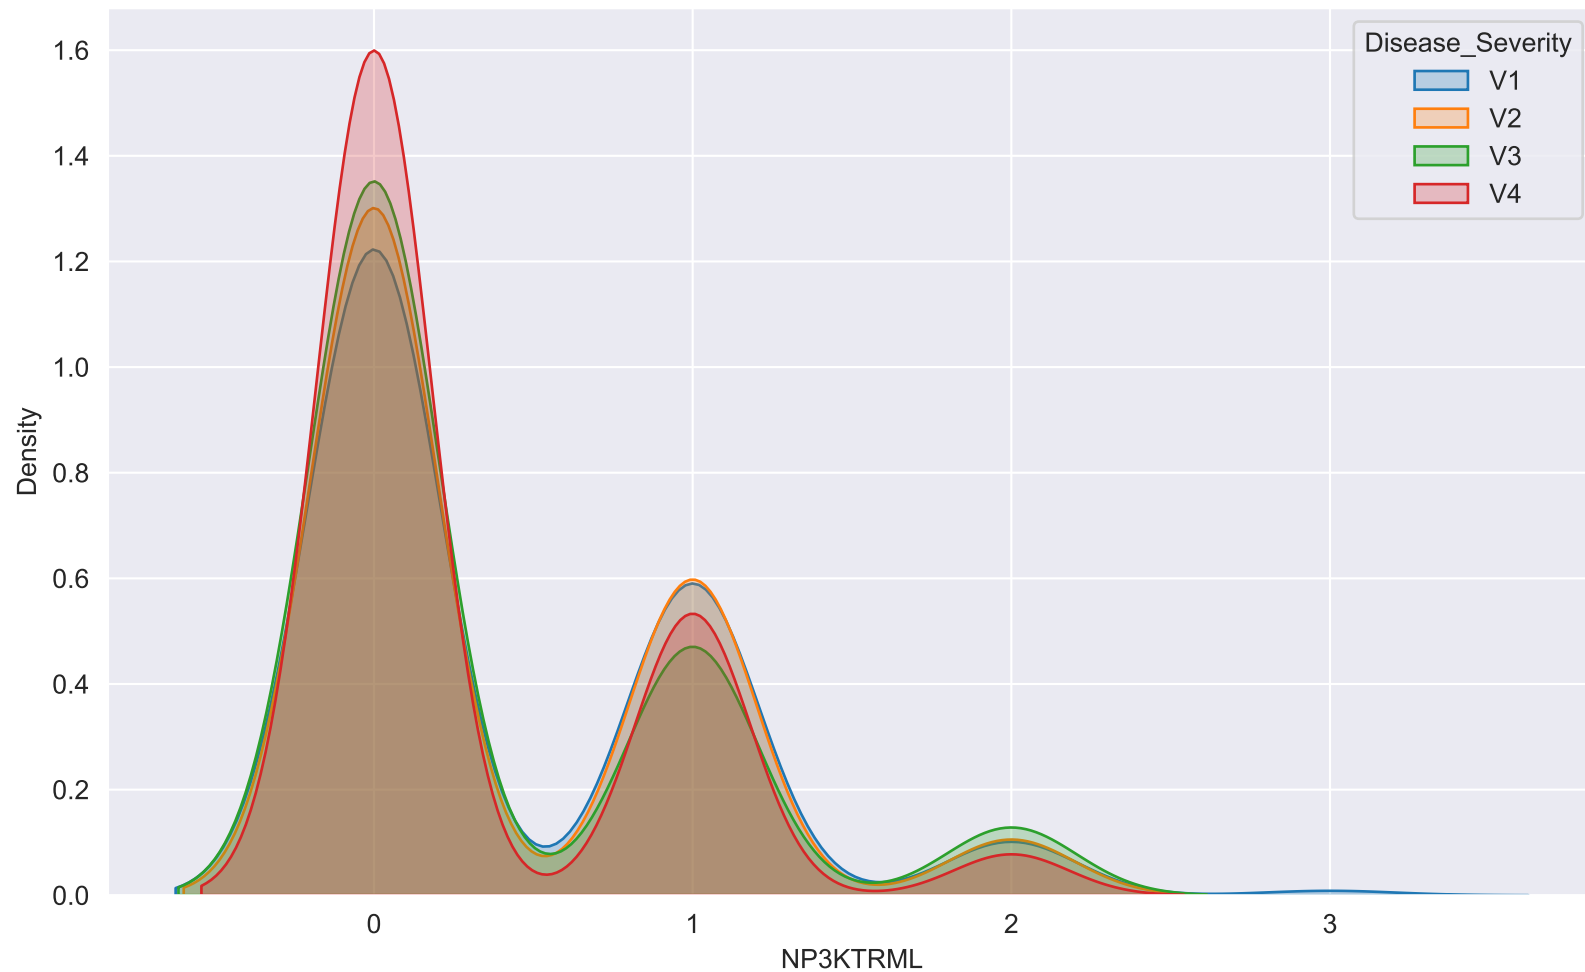

Probability Density Function for NP3HMOVL

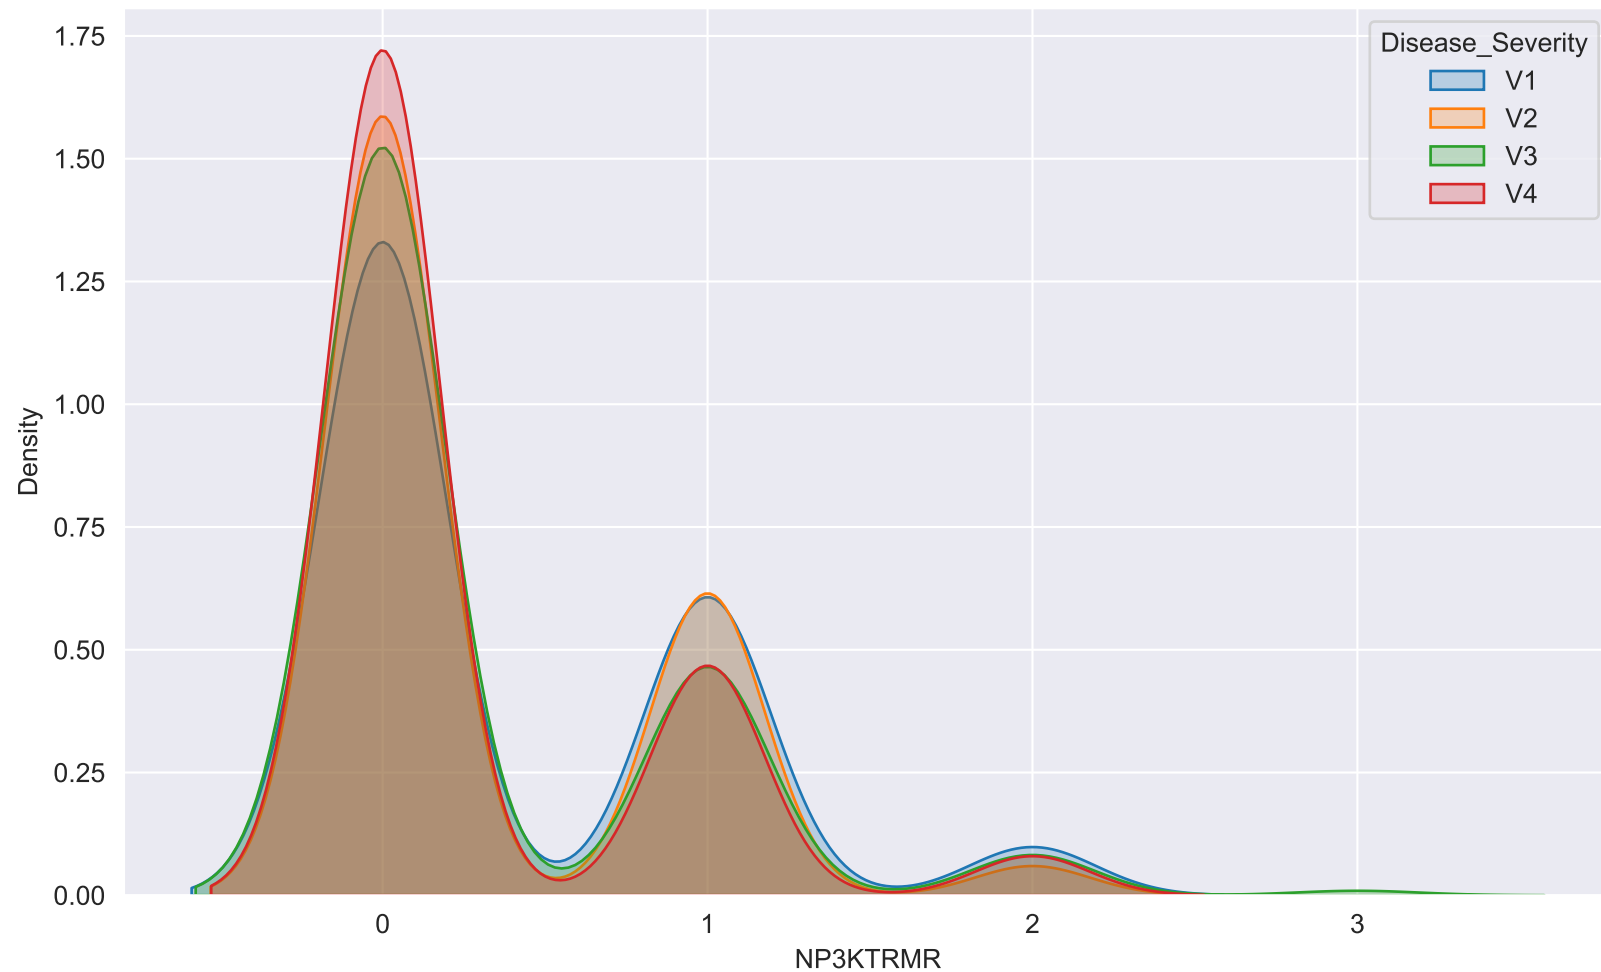

Probability Density Function for NP3HMOVR

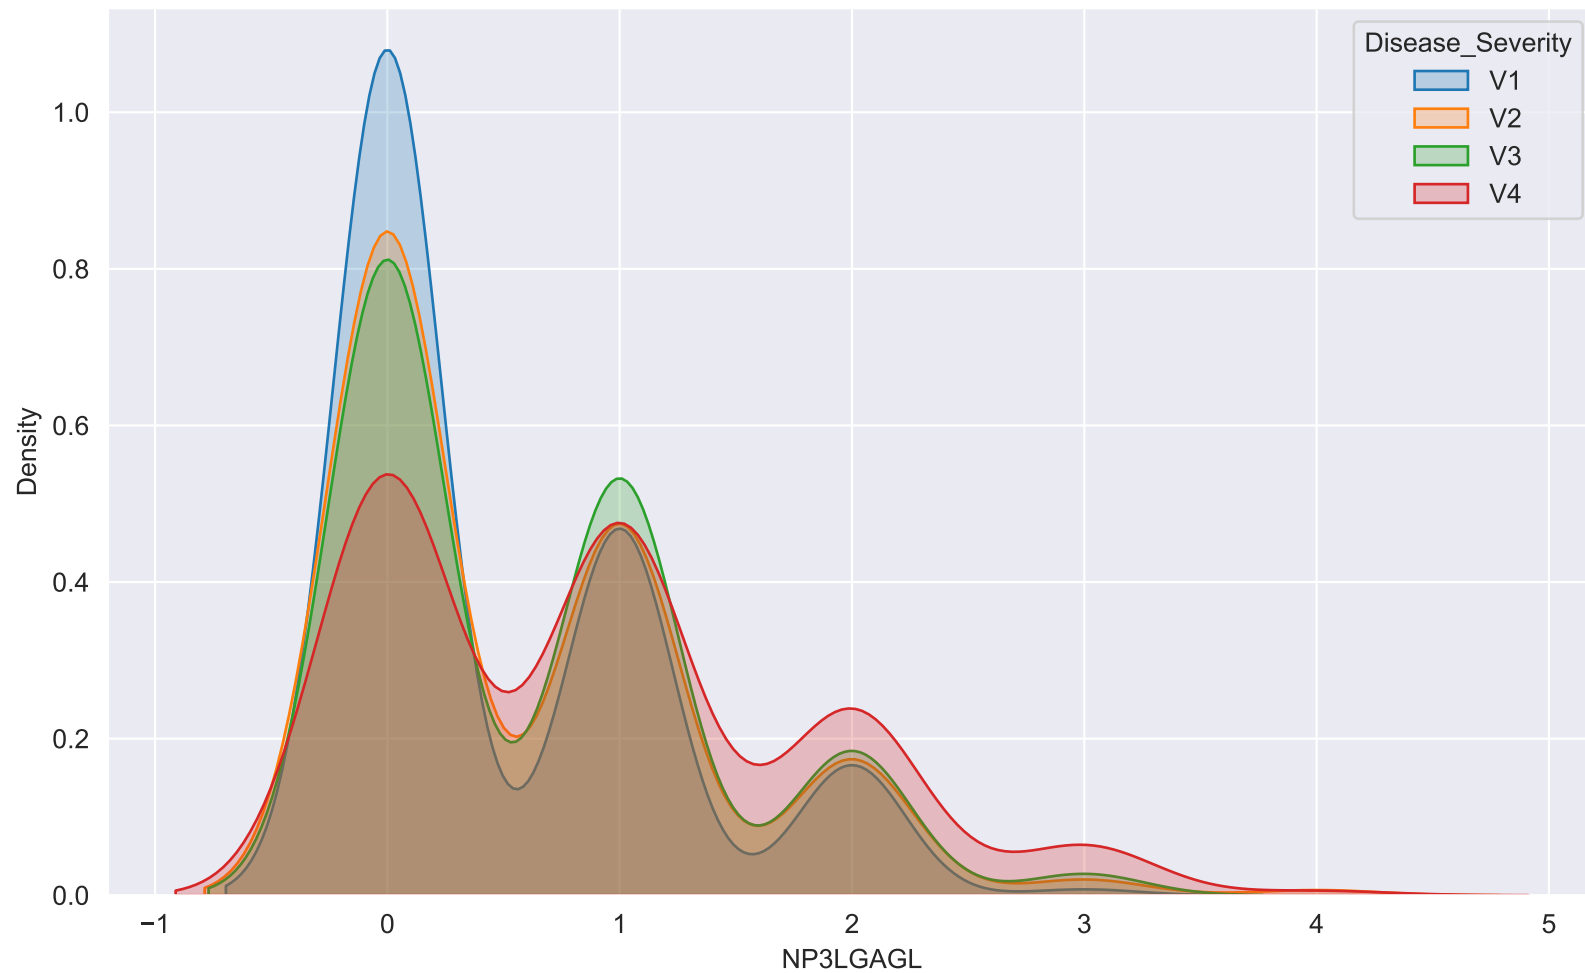

Probability Density Function for NP3KTRML

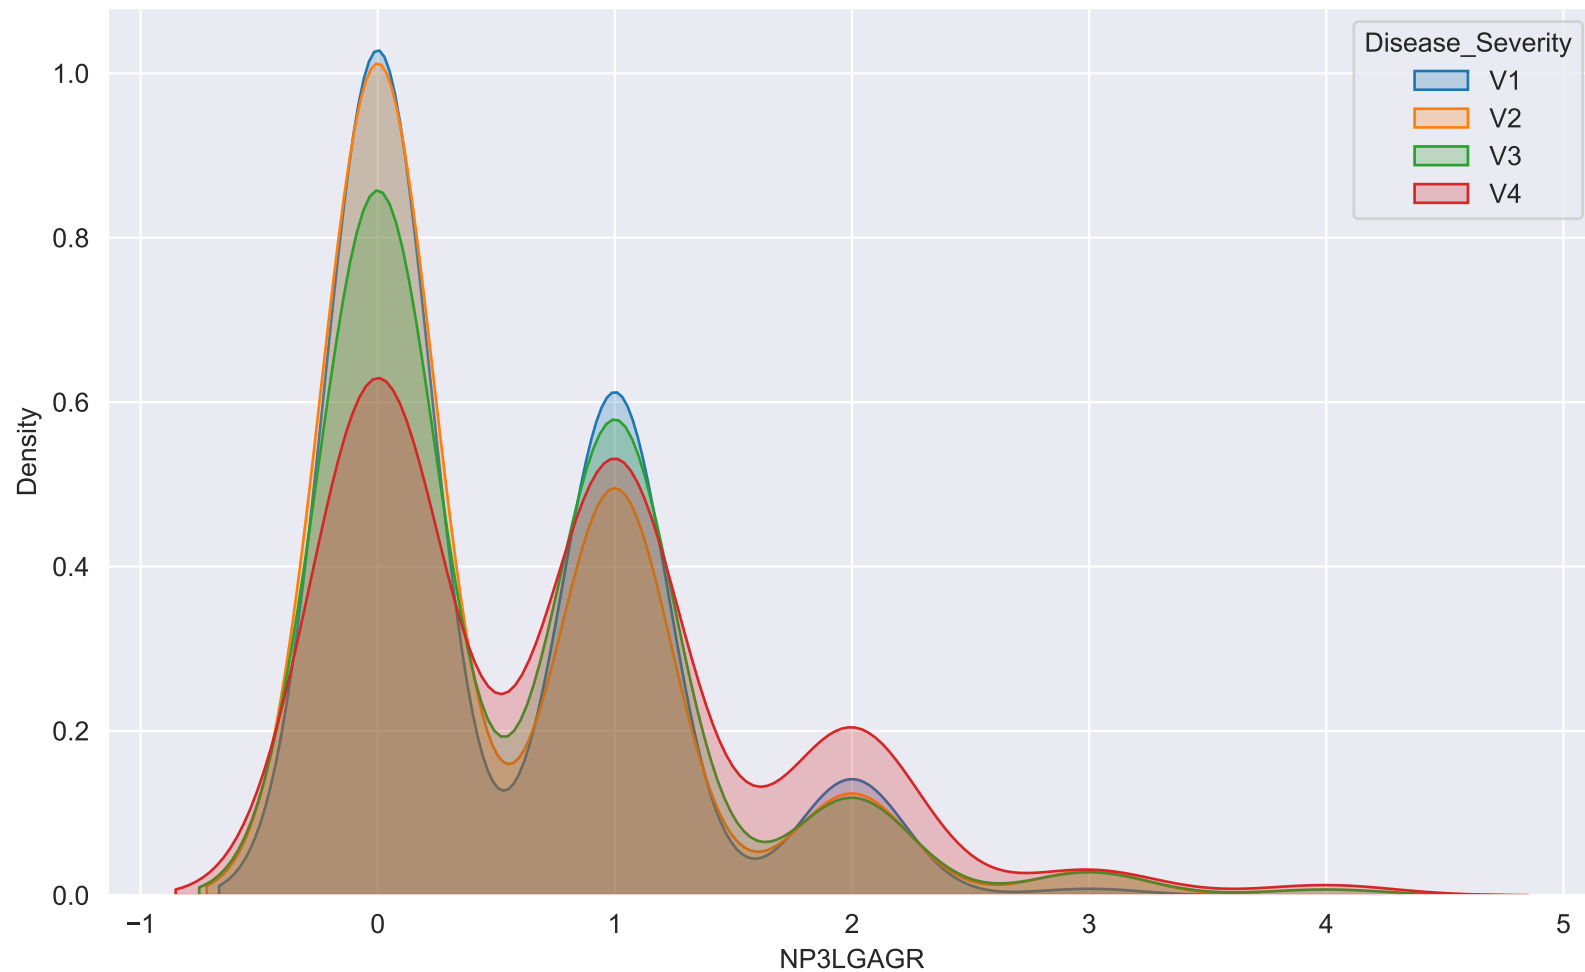

Probability Density Function for NP3KTRMR

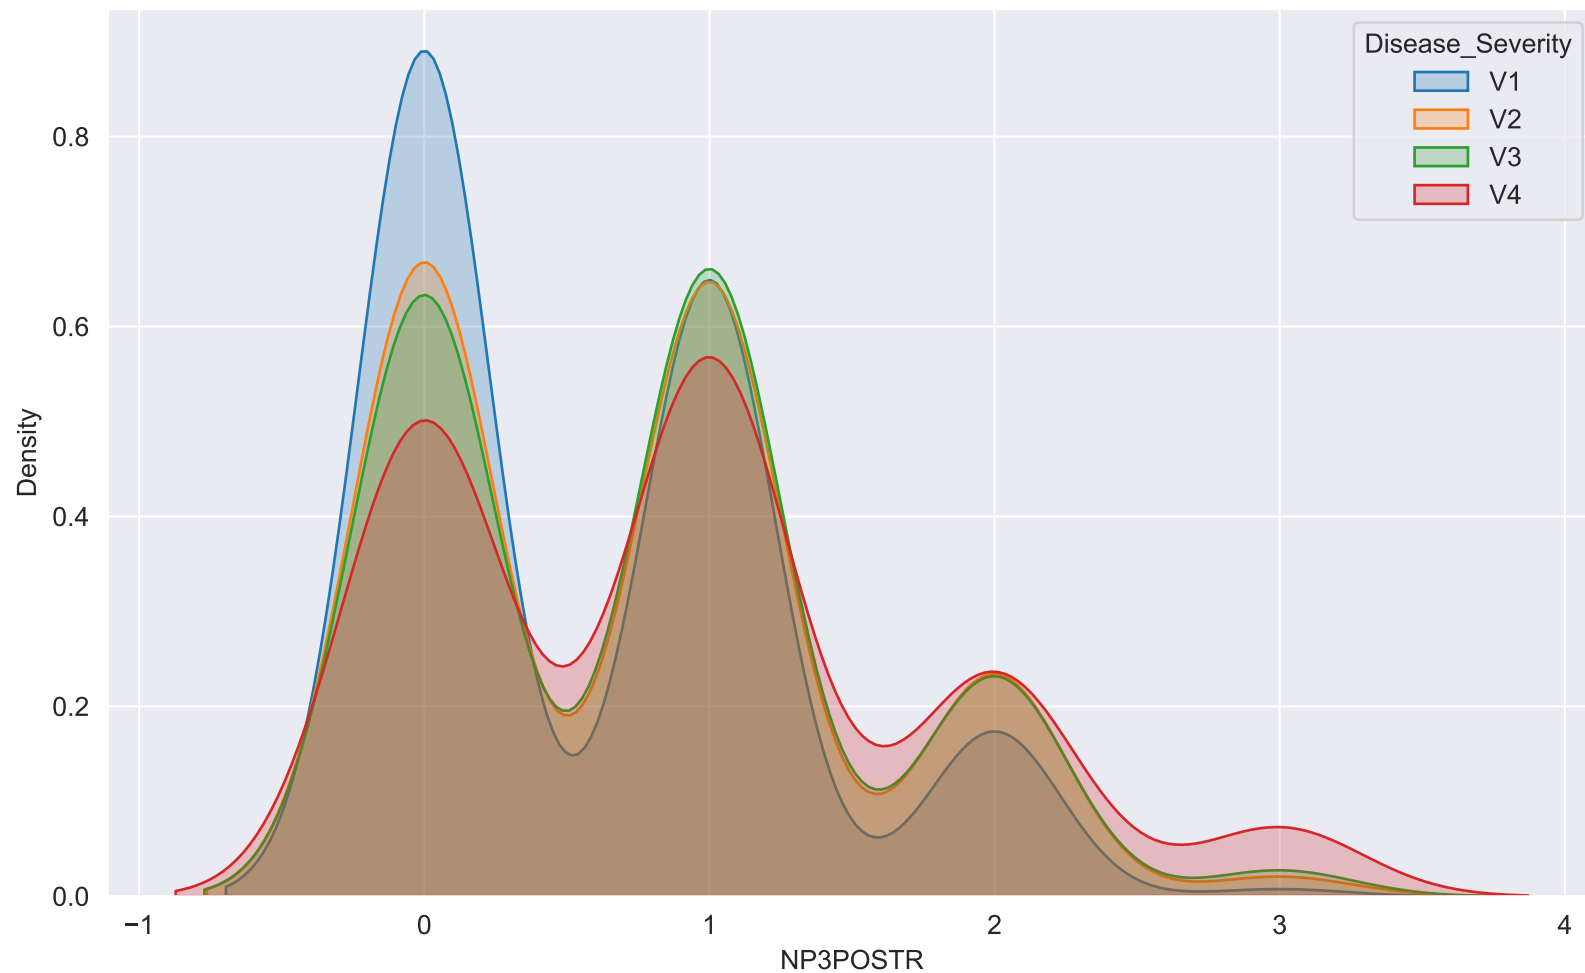

Probability Density Function for NP3LGAGL

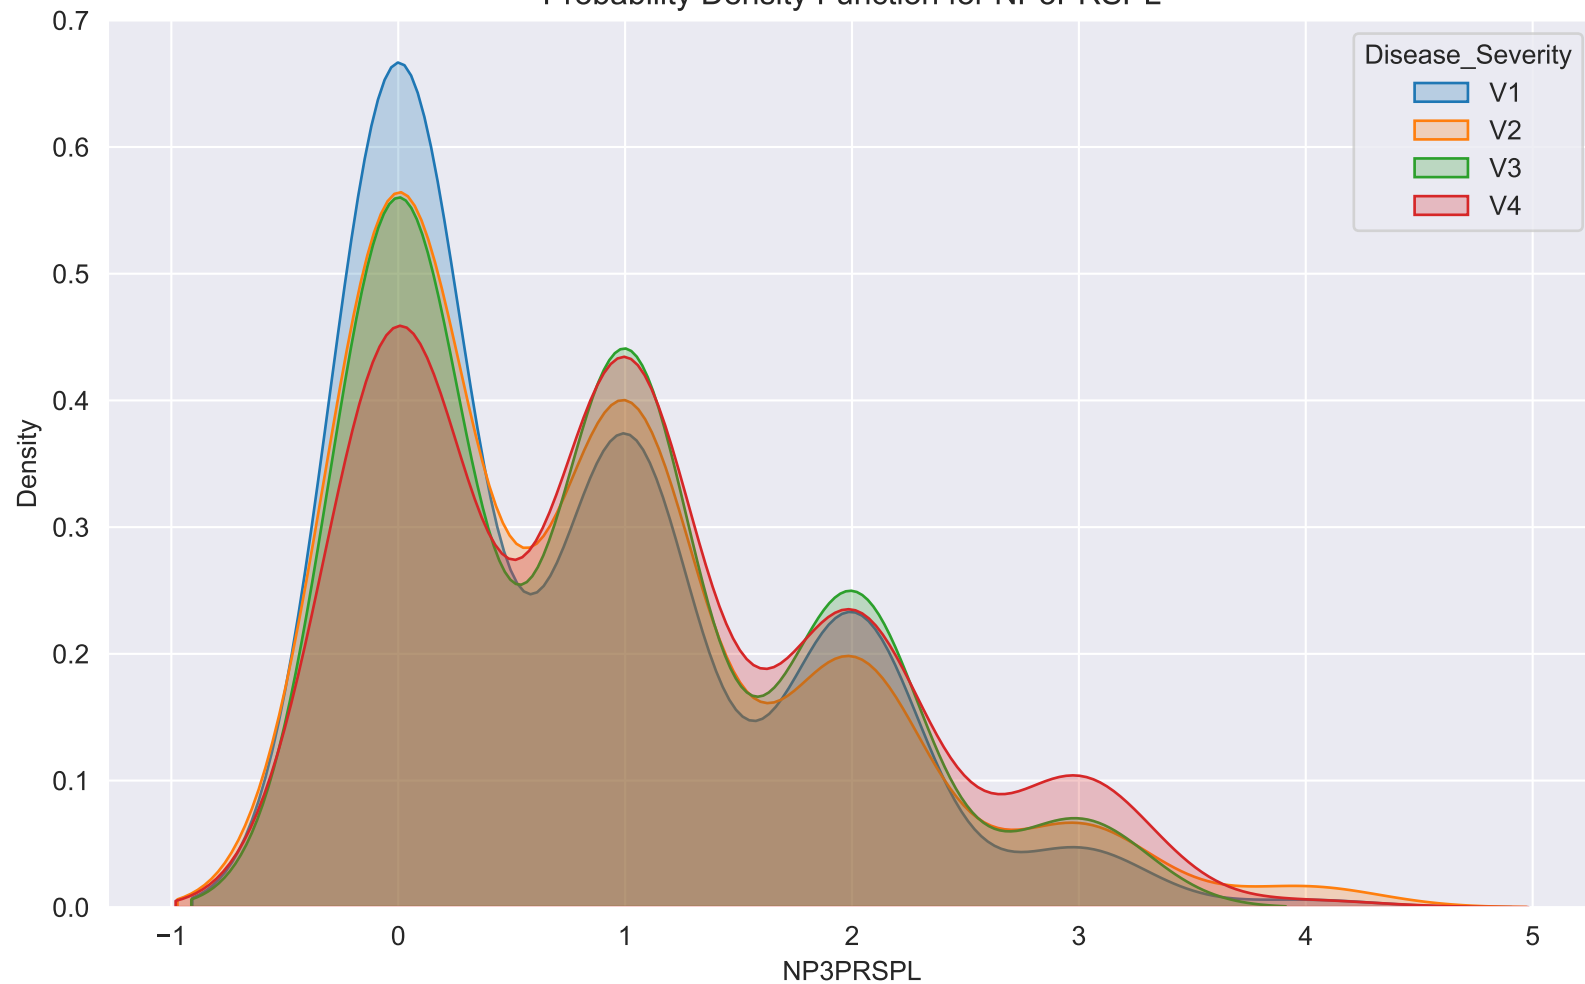

Probability Density Function for NP3LGAGR

Probability Density Function for NP3POSTR

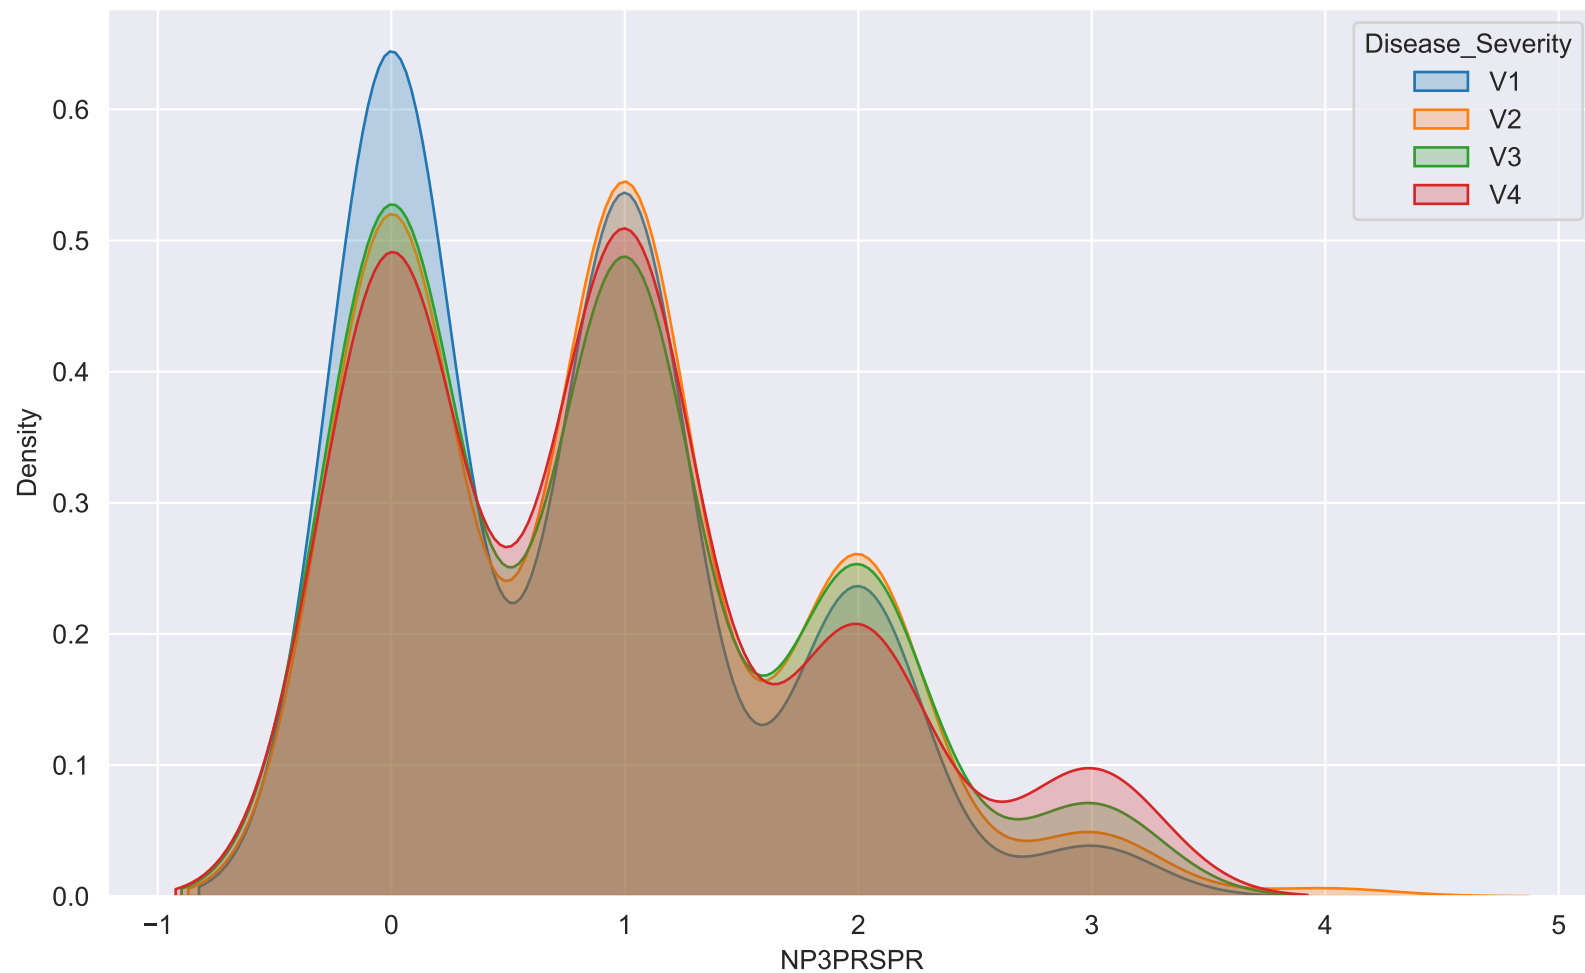

Probability Density Function for NP3PRSPL

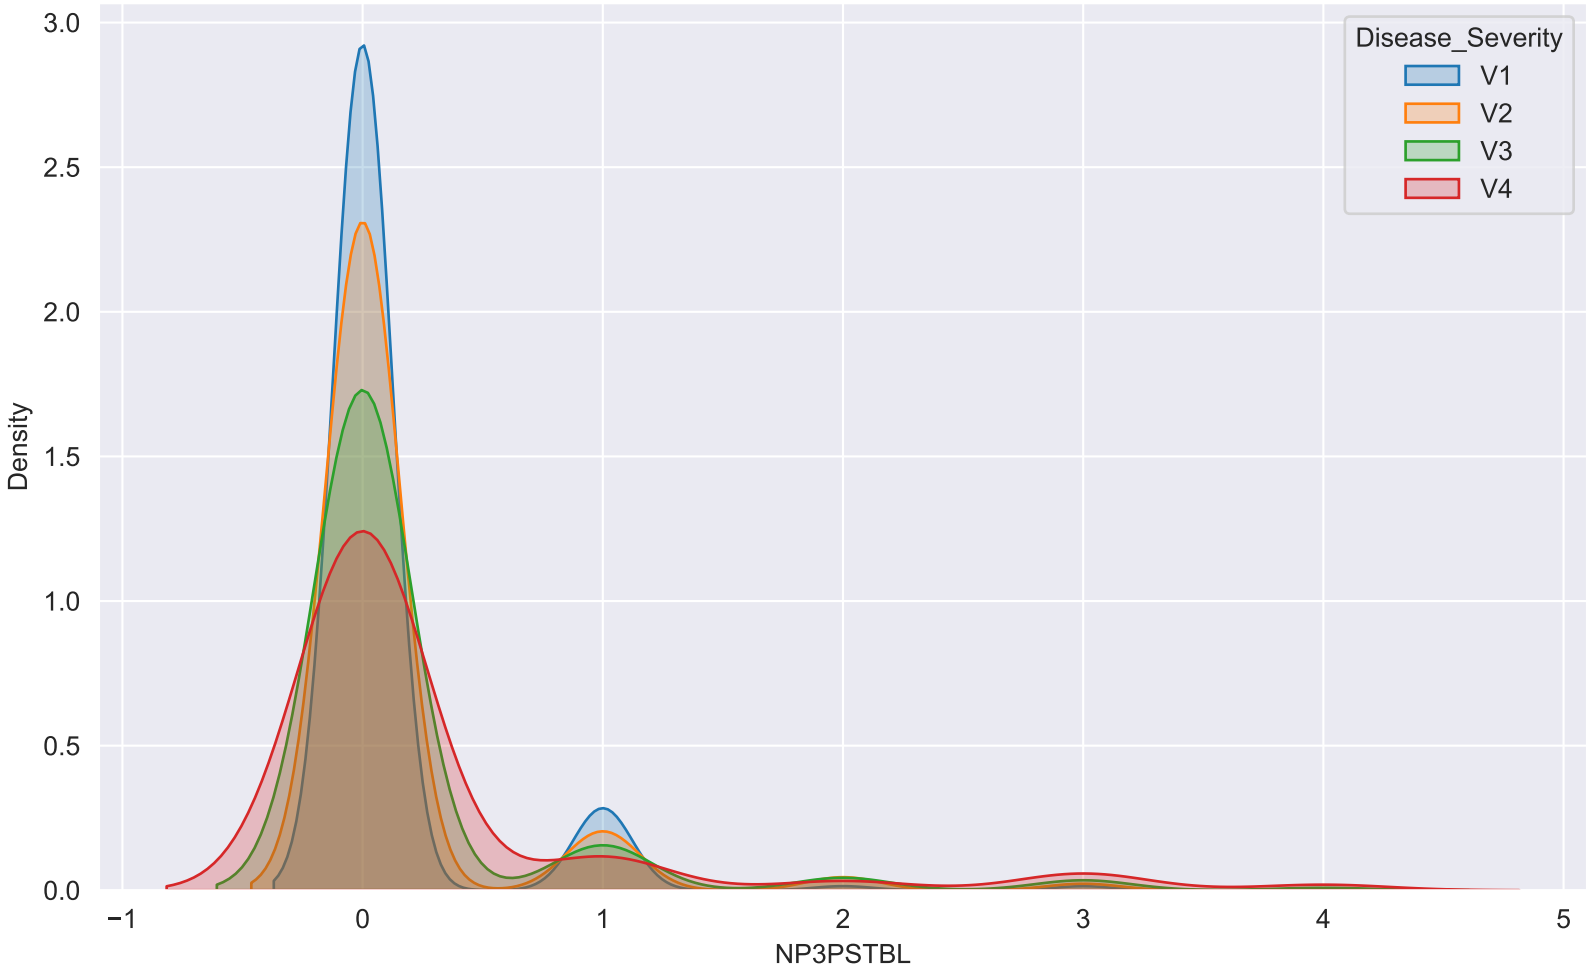

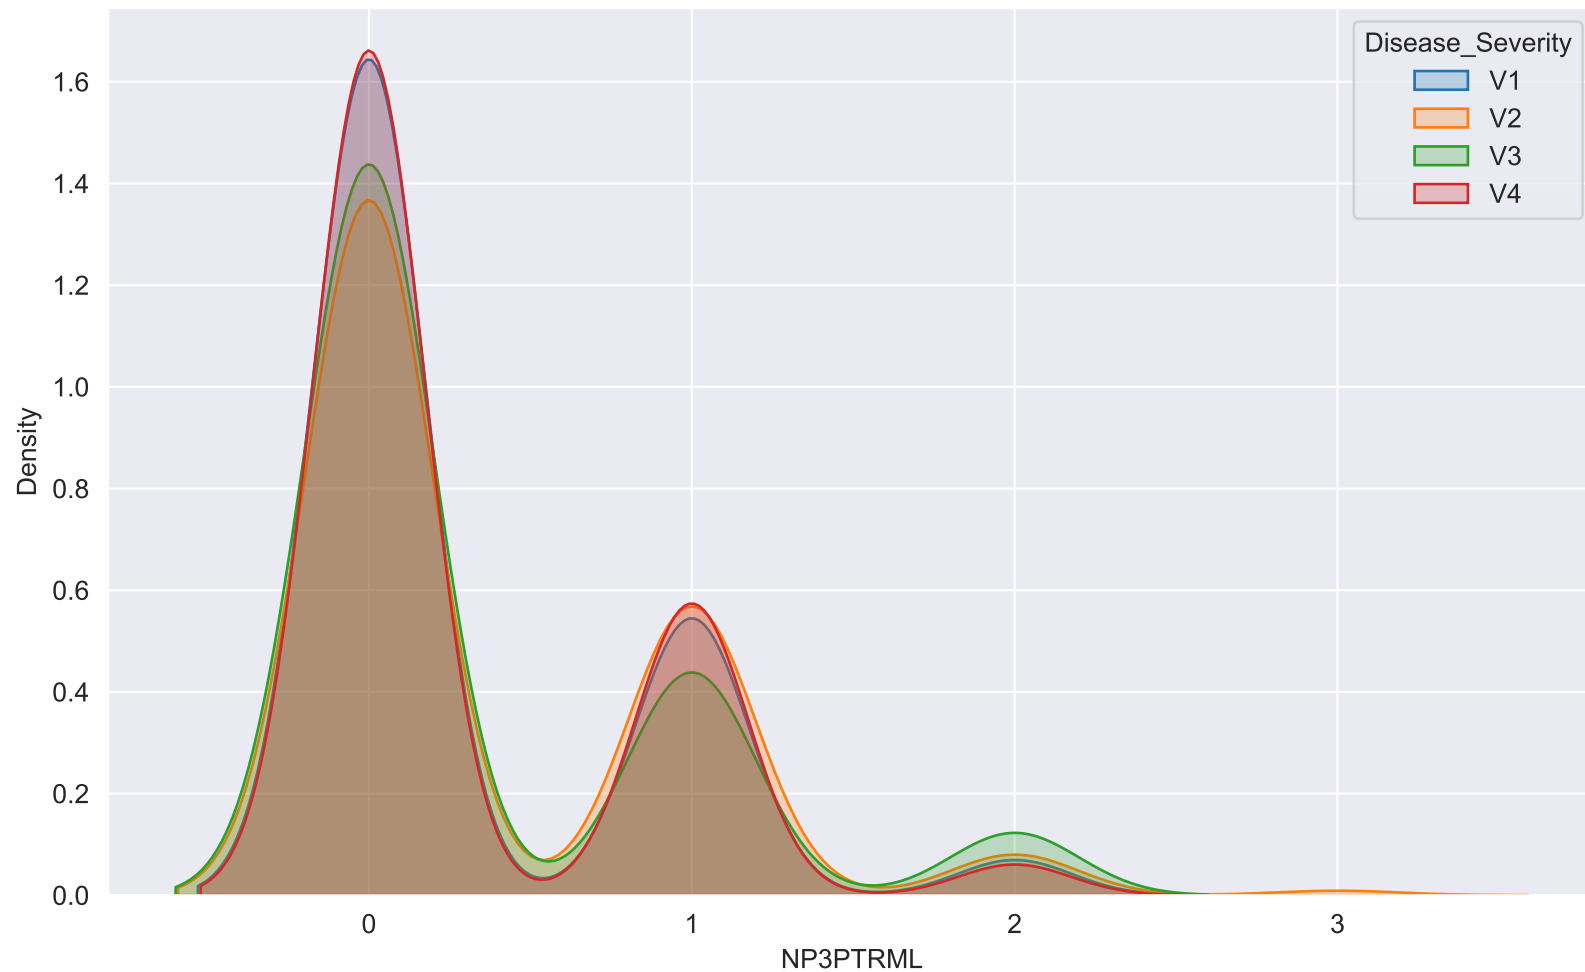

Probability Density Function for NP3PRSPR

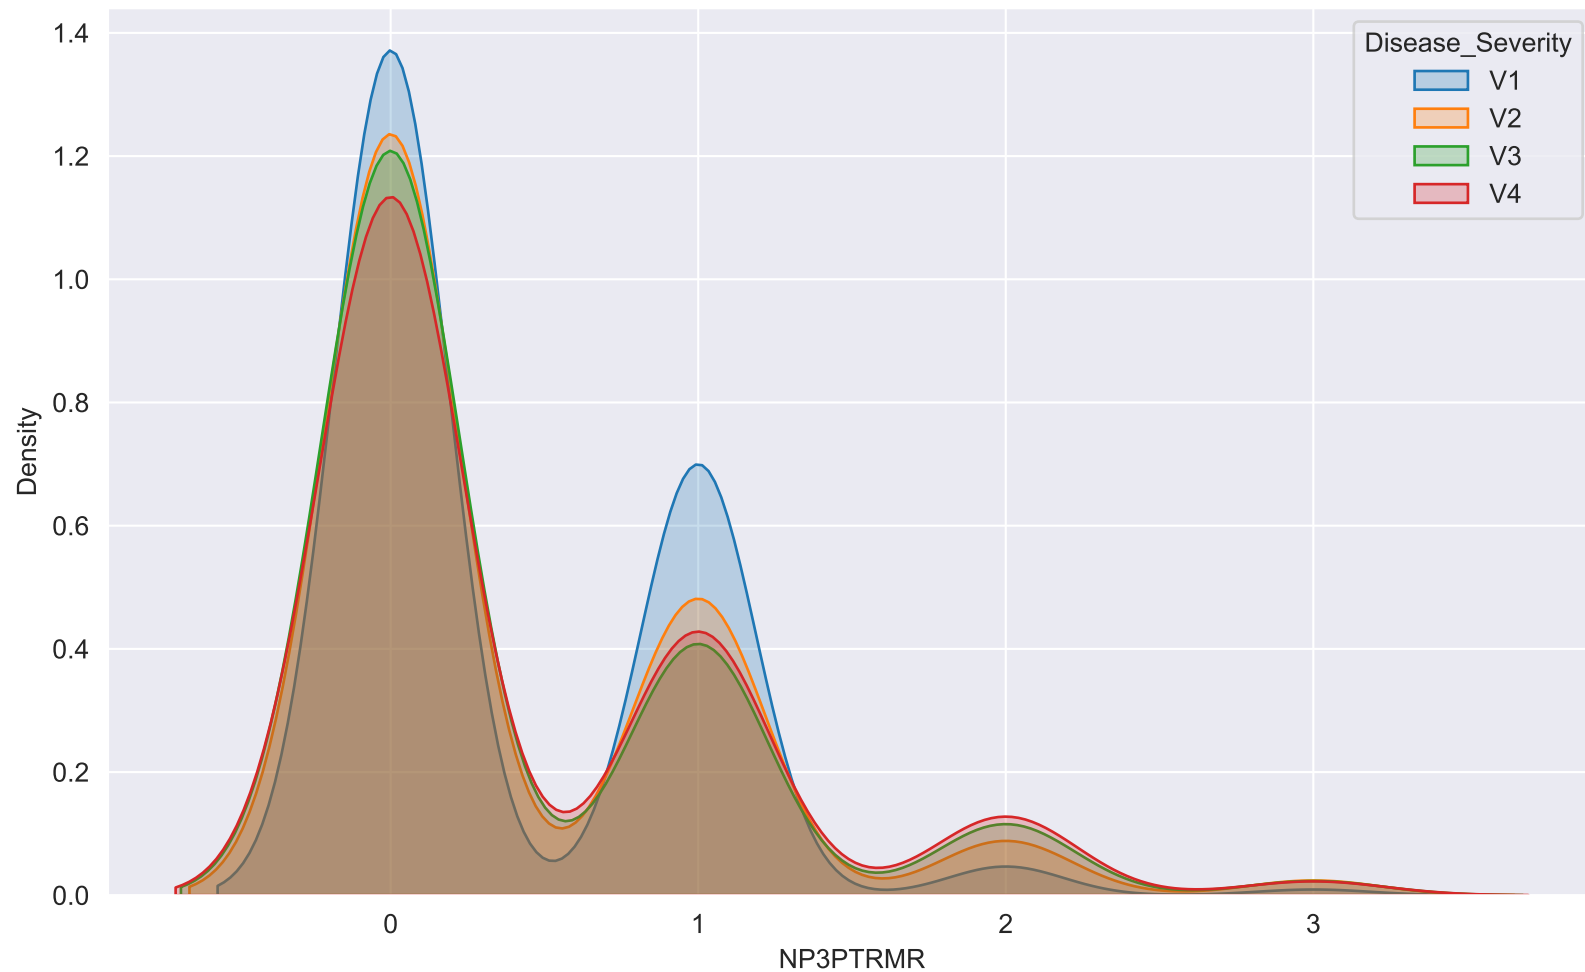

Probability Density Function for NP3PSTBL

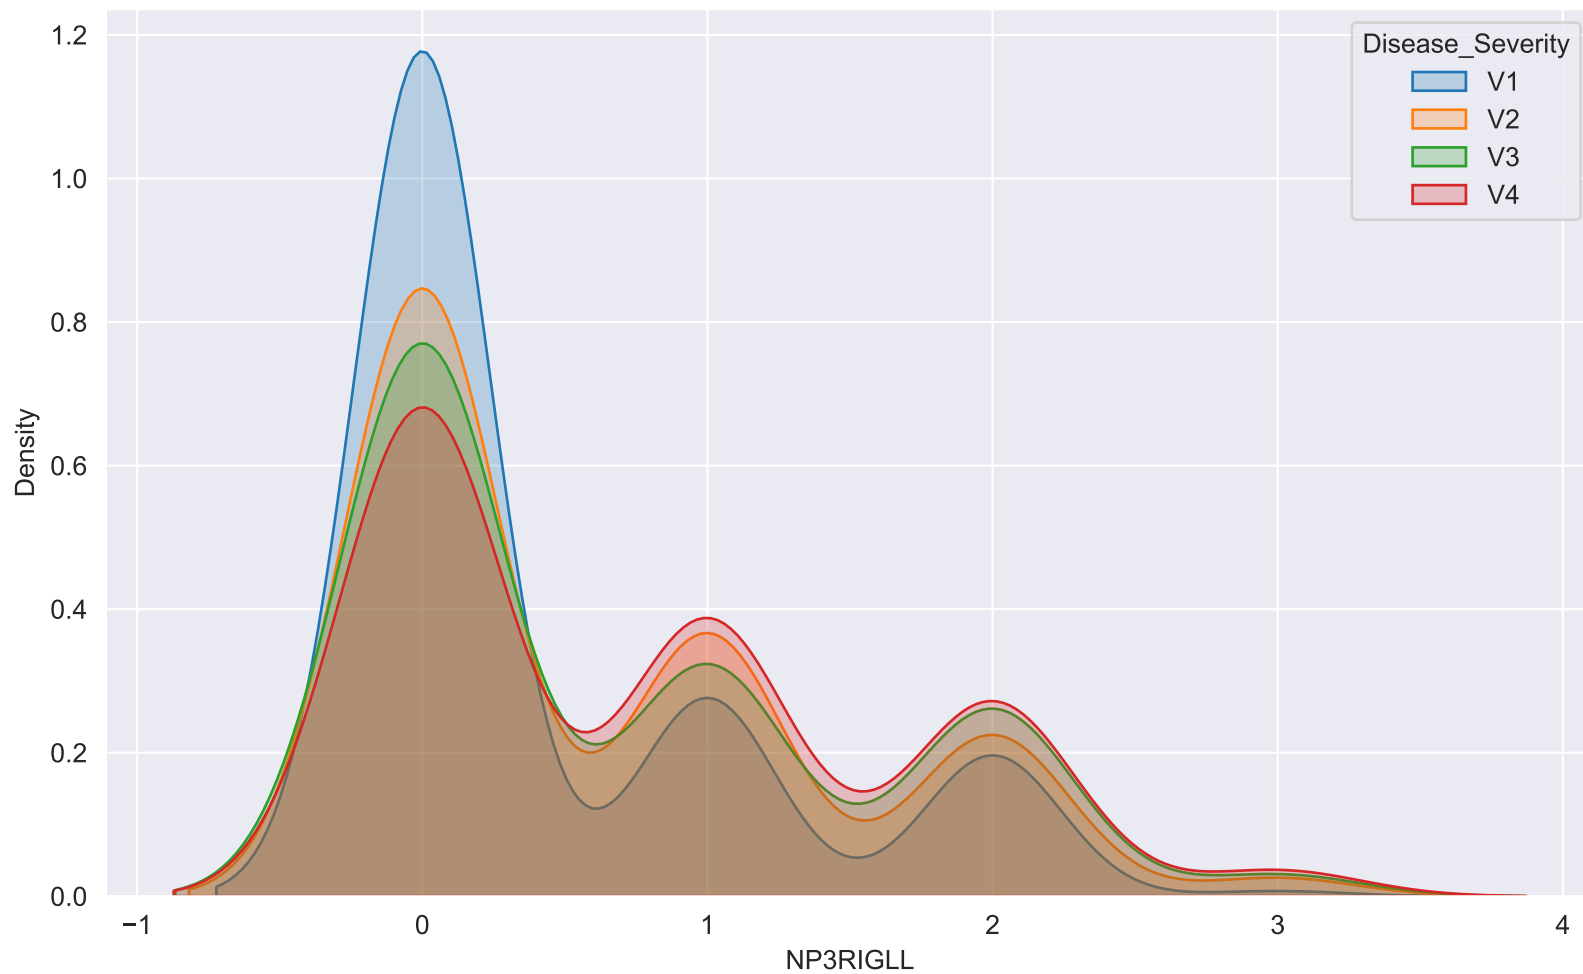

Probability Density Function for NP3PTRML

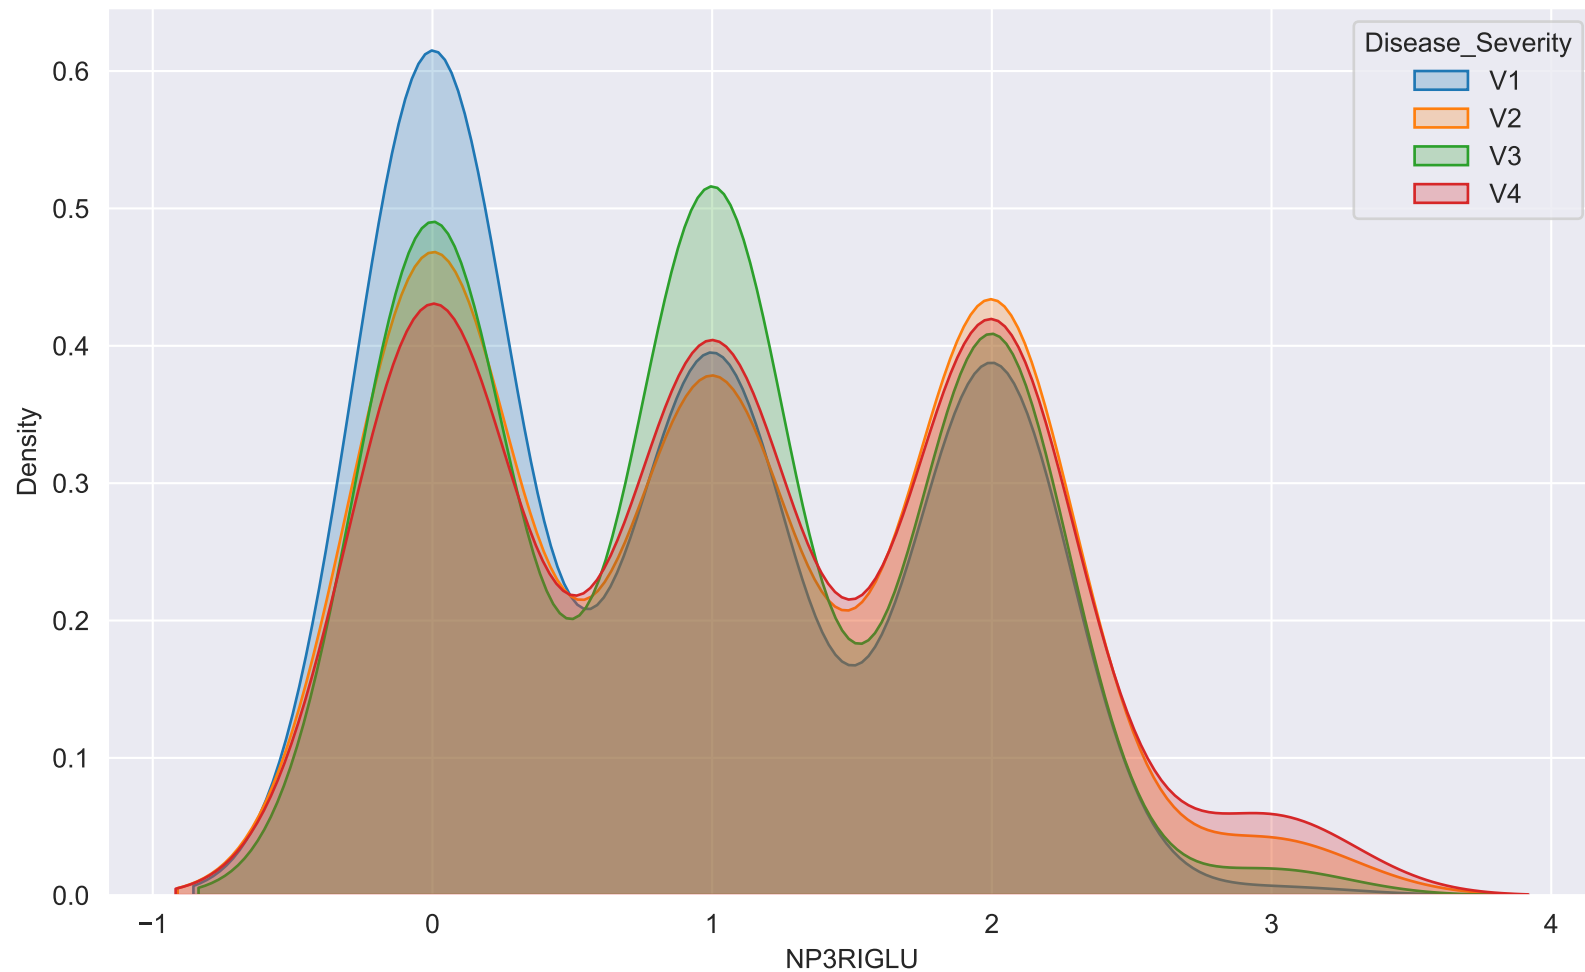

Probability Density Function for NP3PTRMR

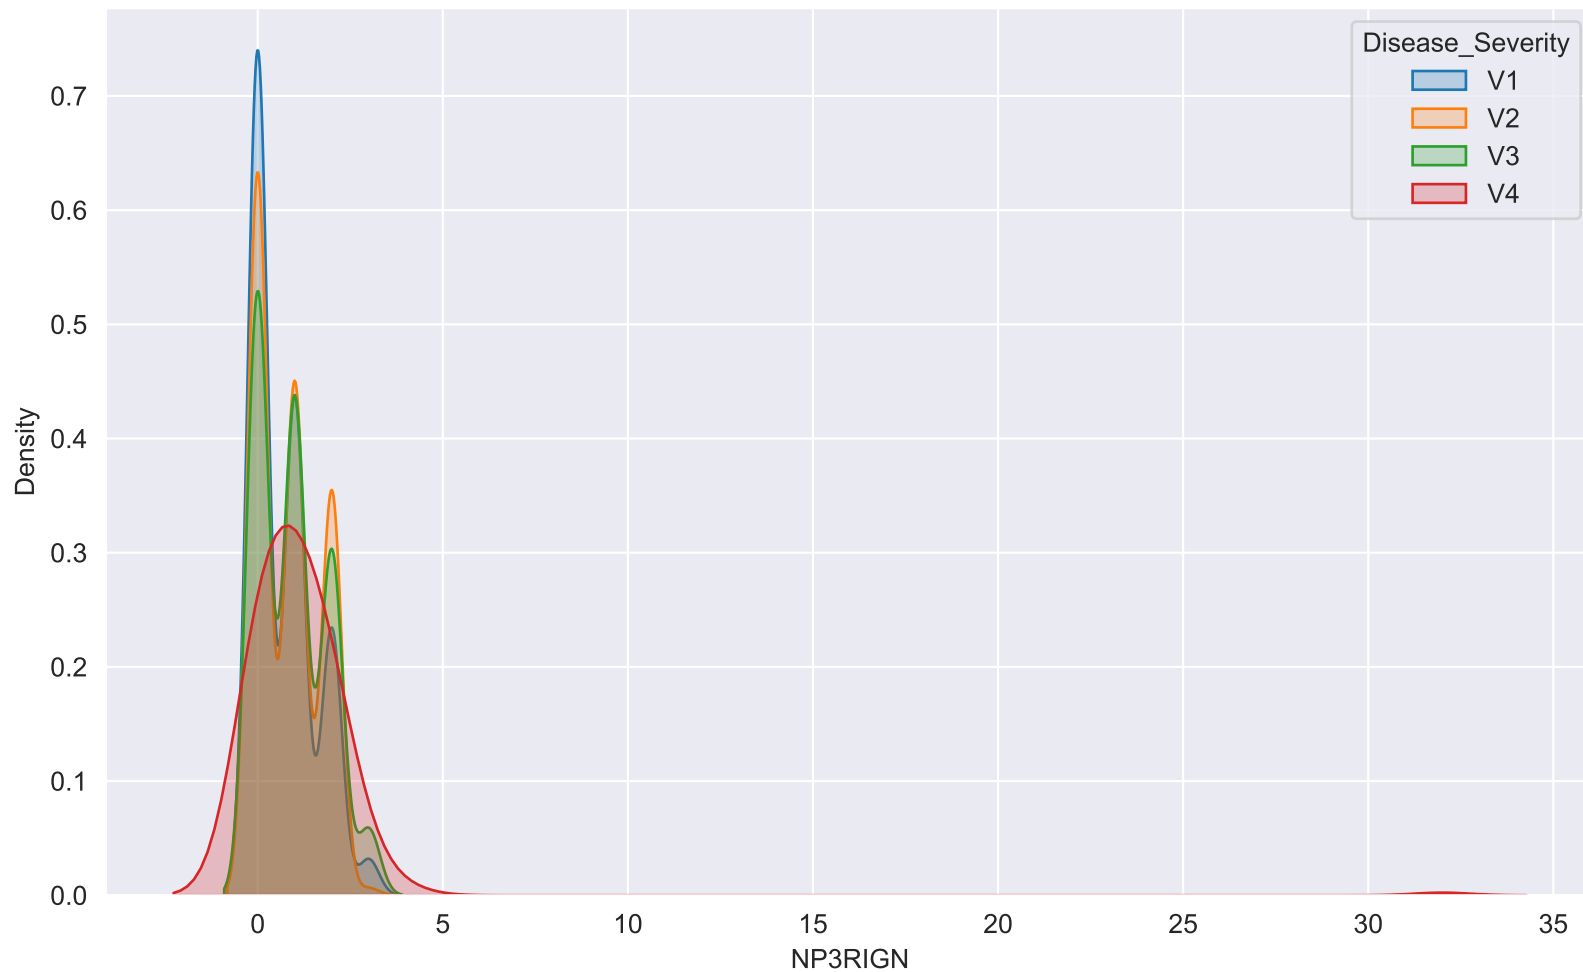

Probability Density Function for NP3RIGLL

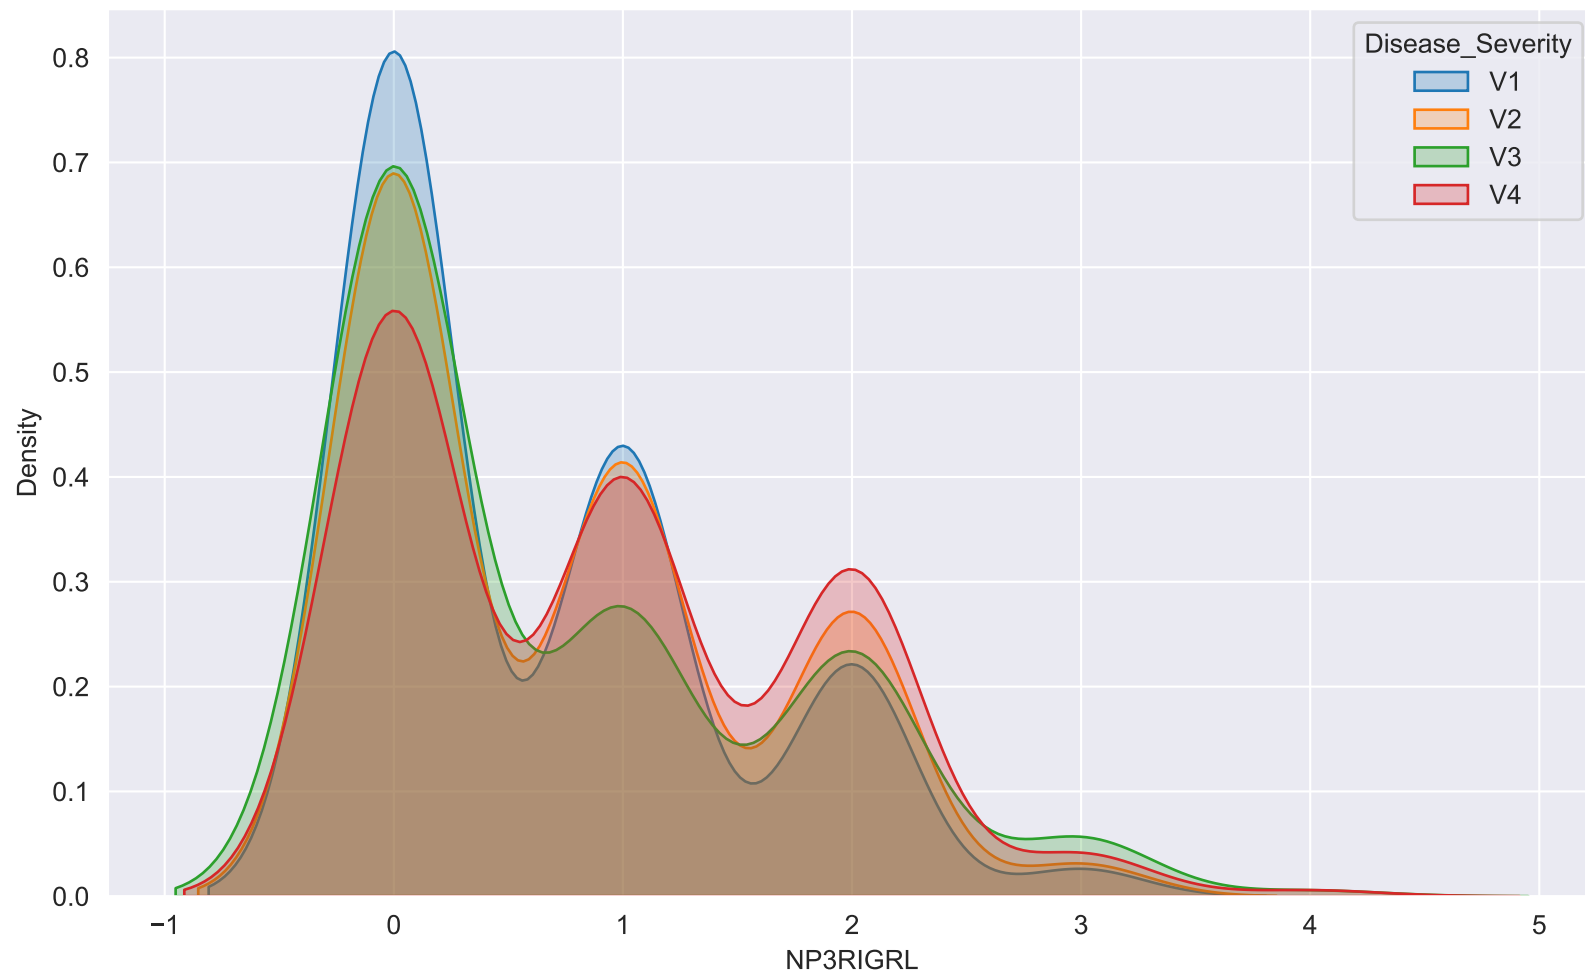

Probability Density Function for NP3RIGLU

Probability Density Function for NP3RIGN

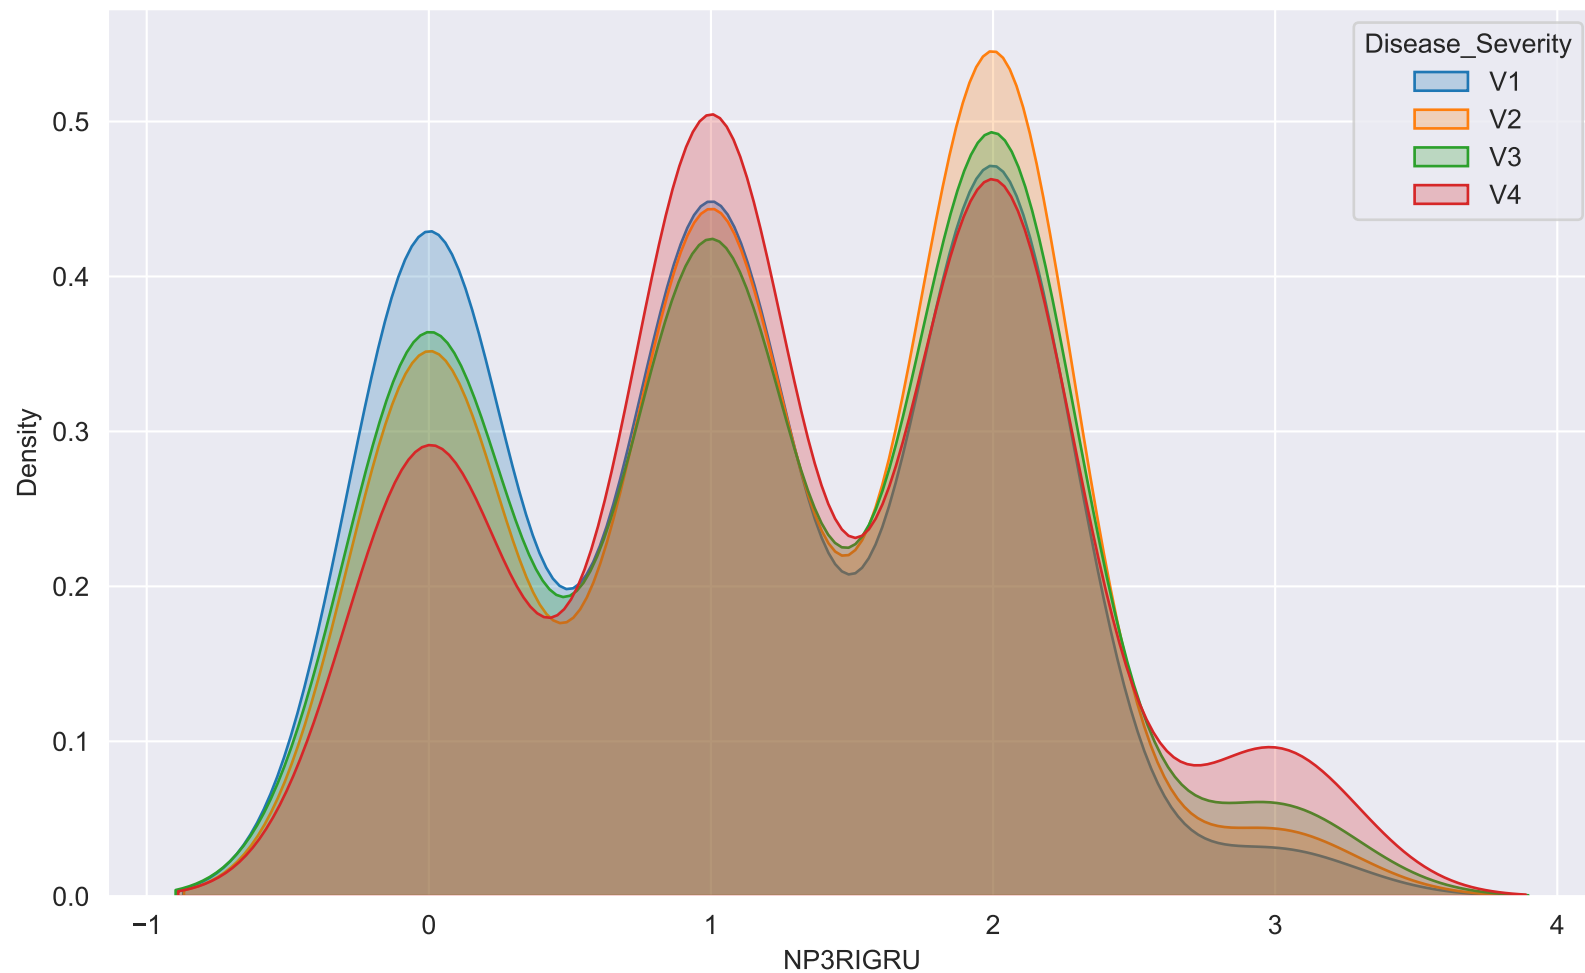

Probability Density Function for NP3RIGRL

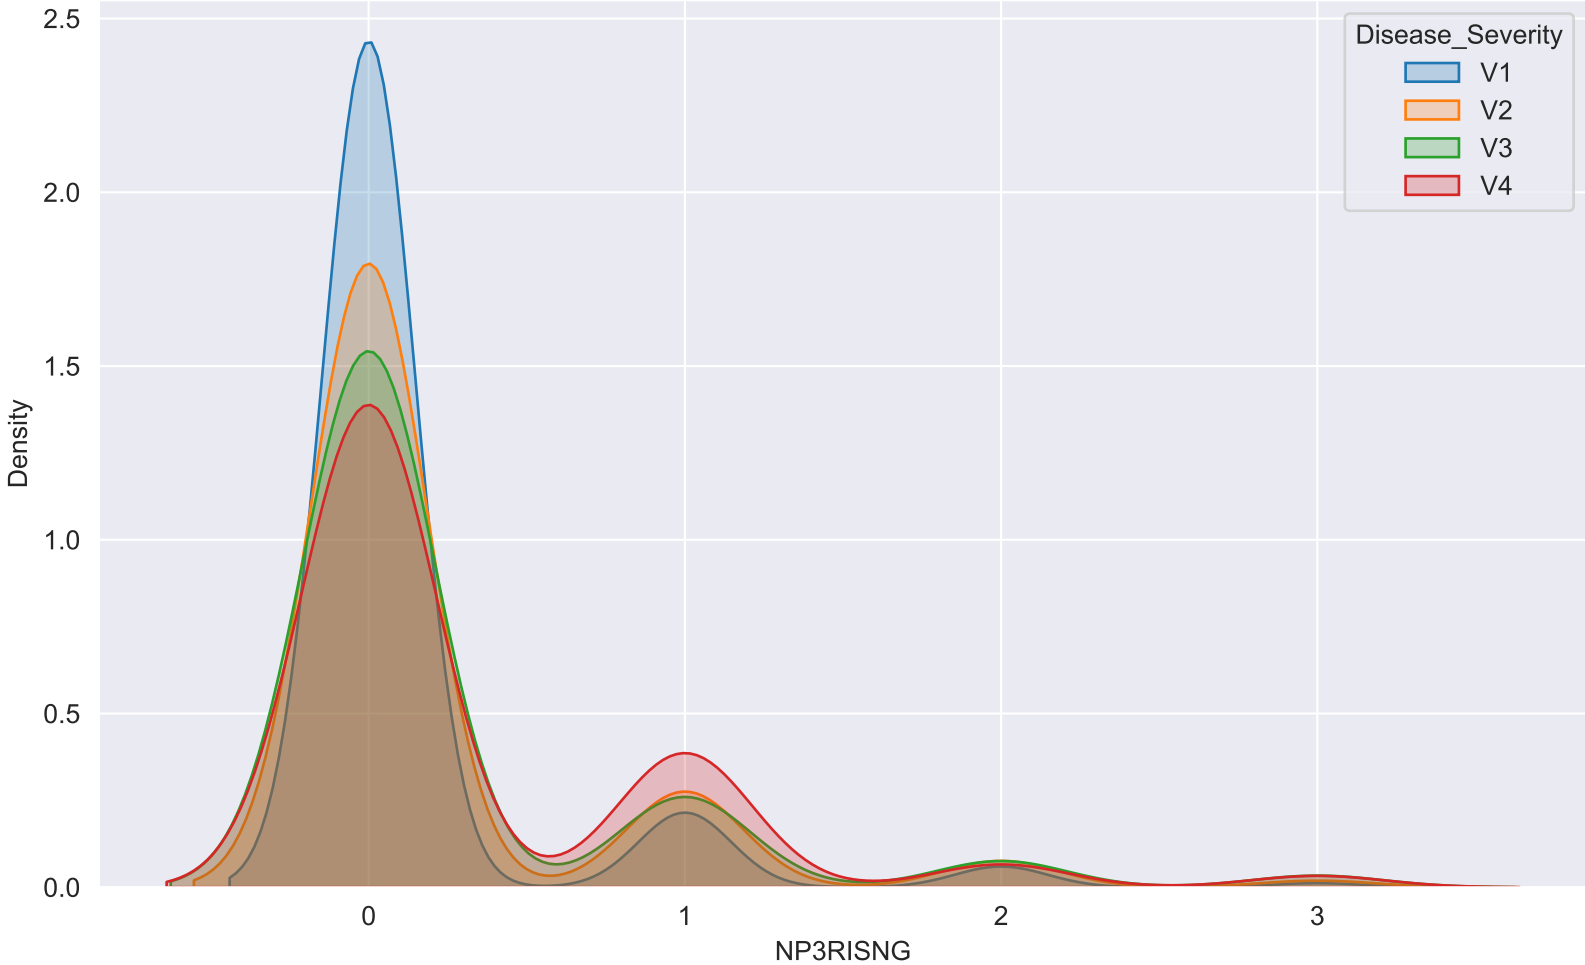

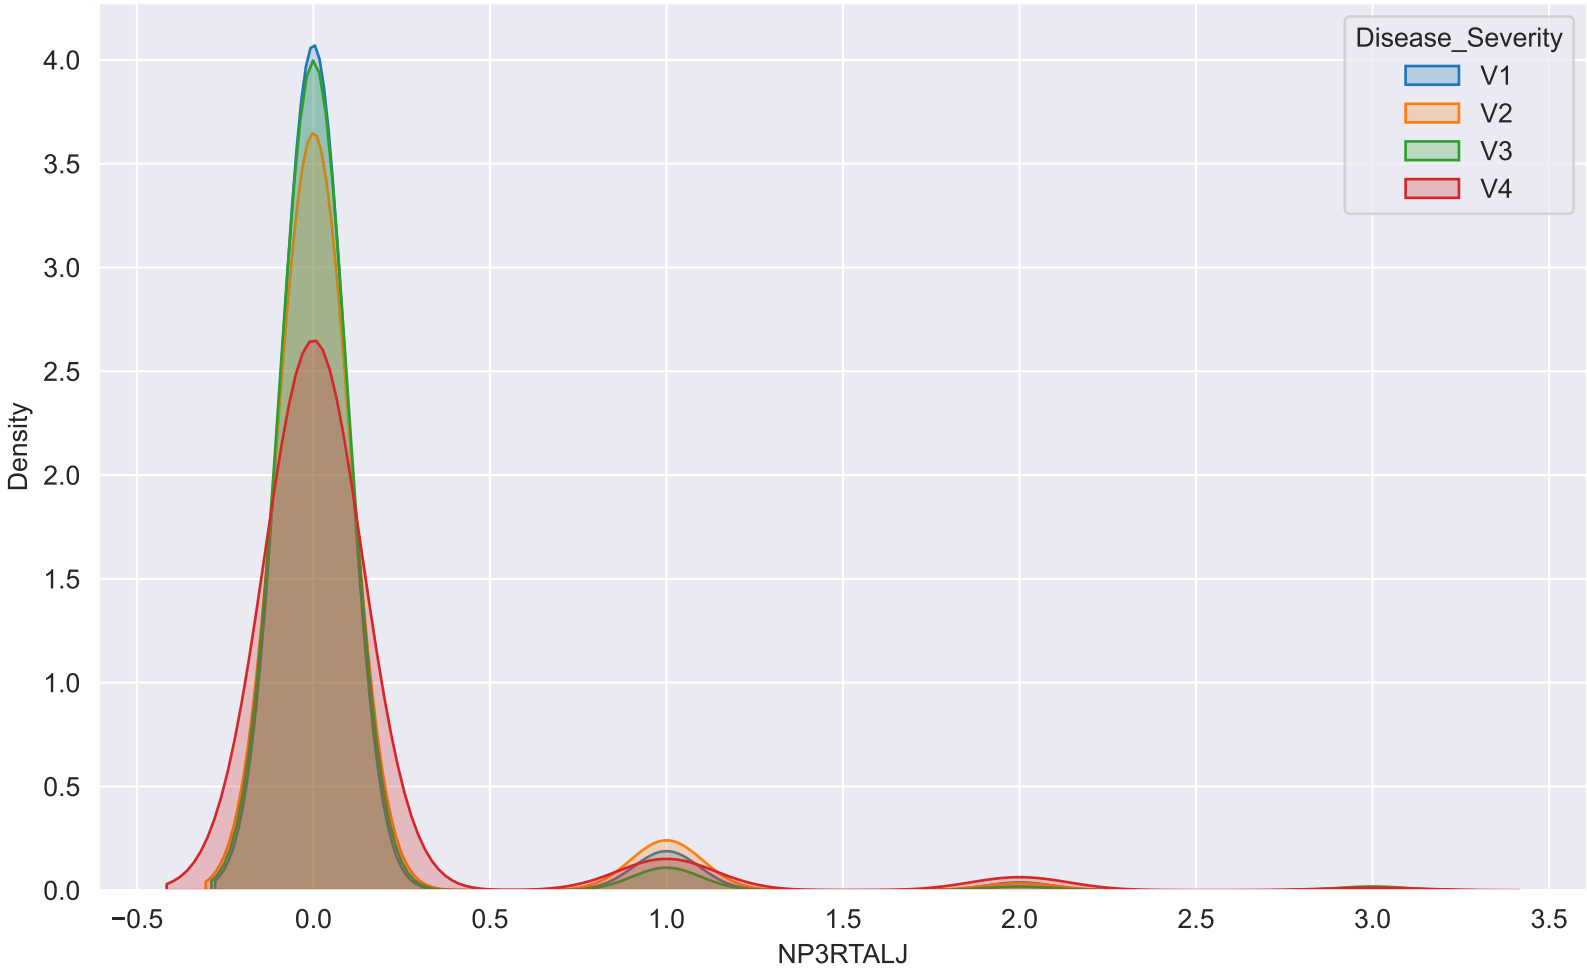

Probability Density Function for NP3RIGRU

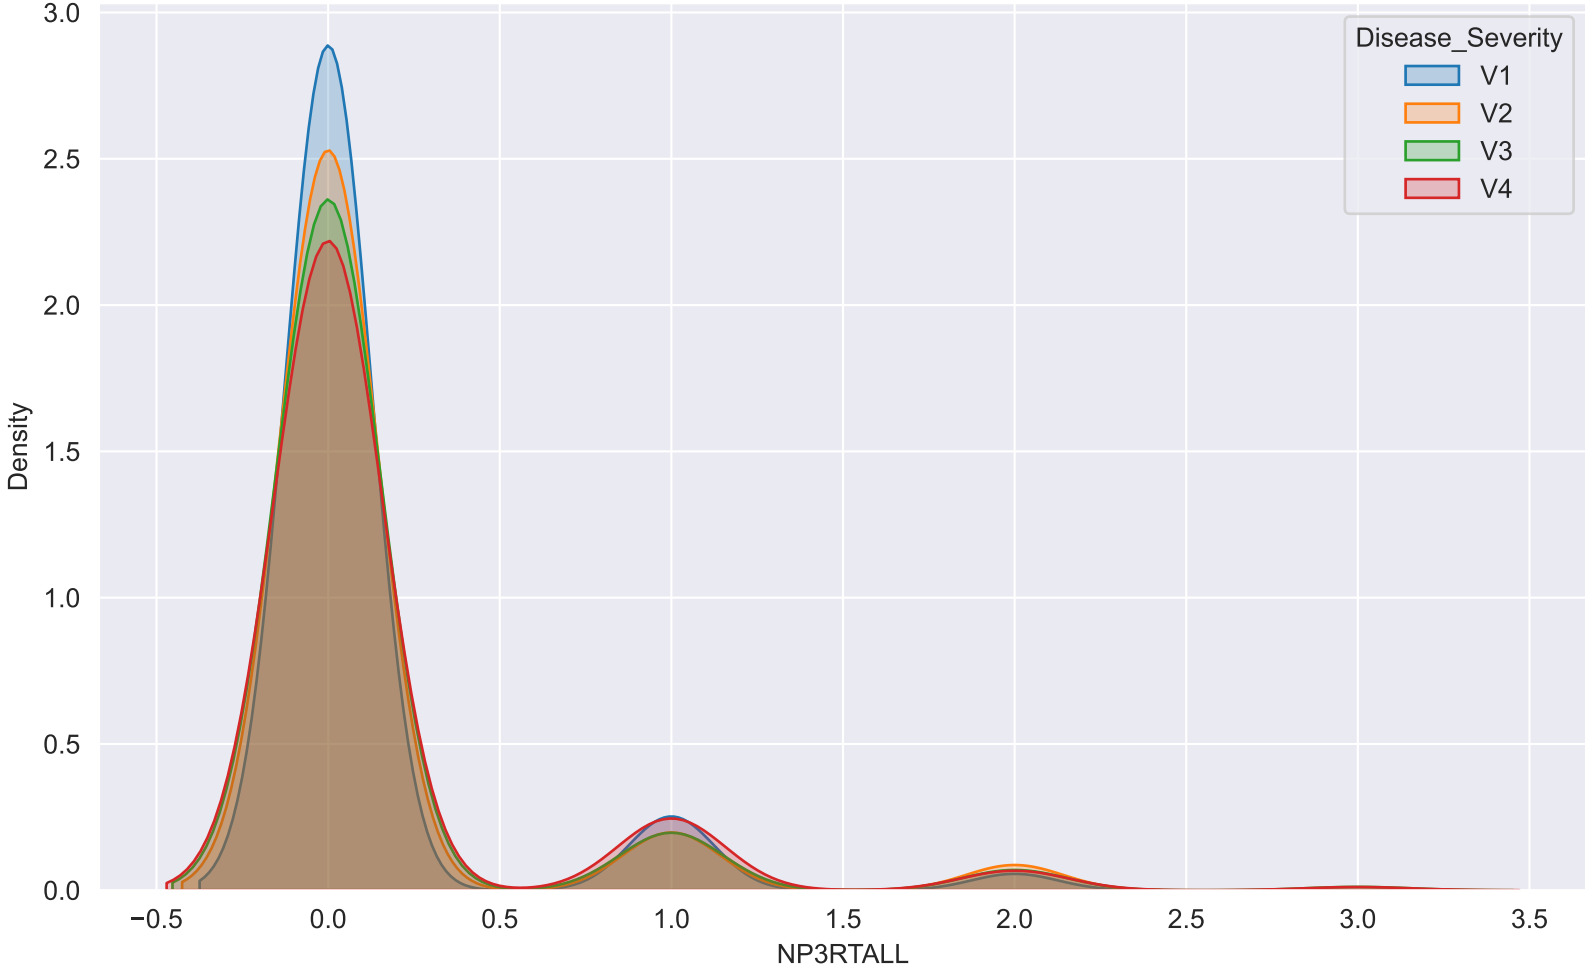

Probability Density Function for NP3RISNG

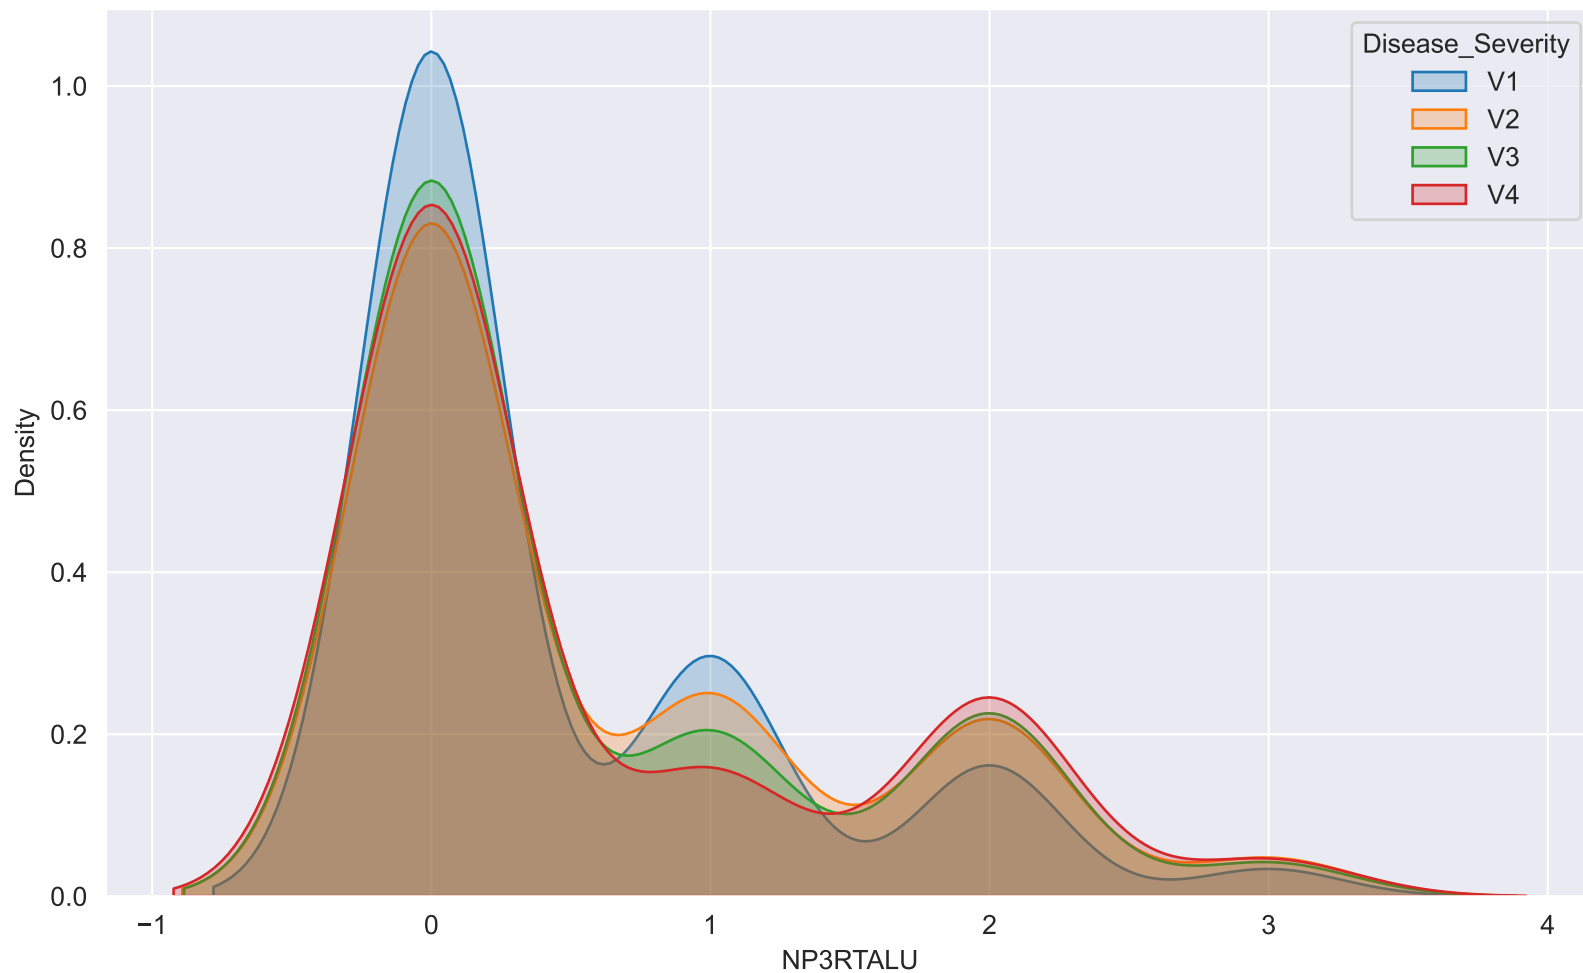

Probability Density Function for NP3RTALJ

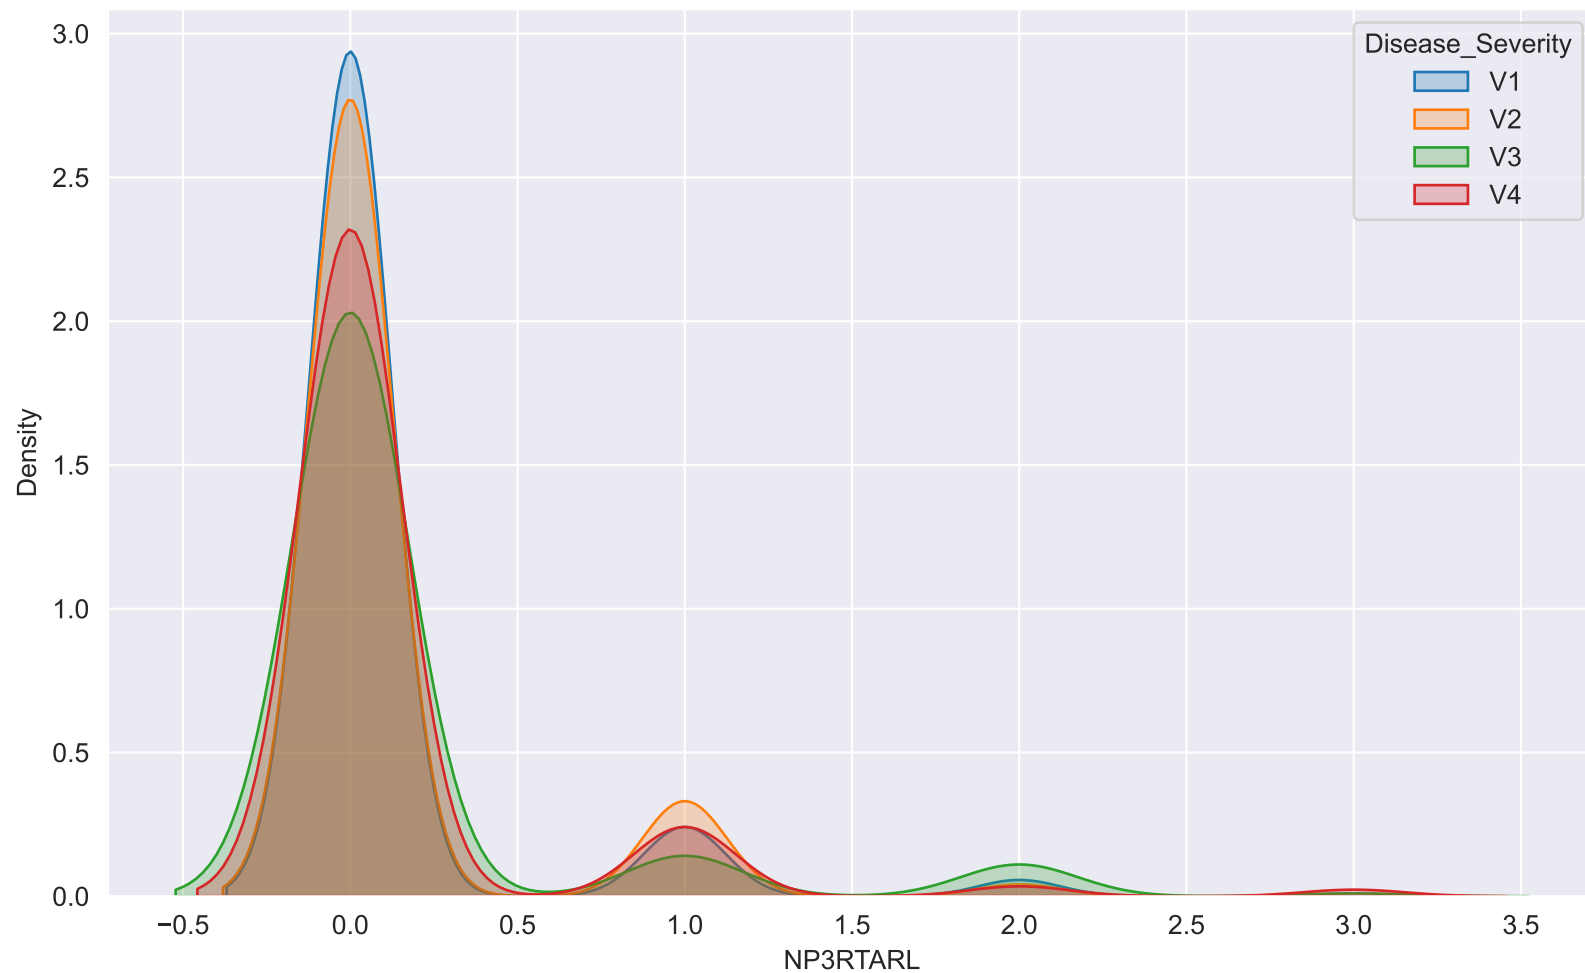

Probability Density Function for NP3RTALL

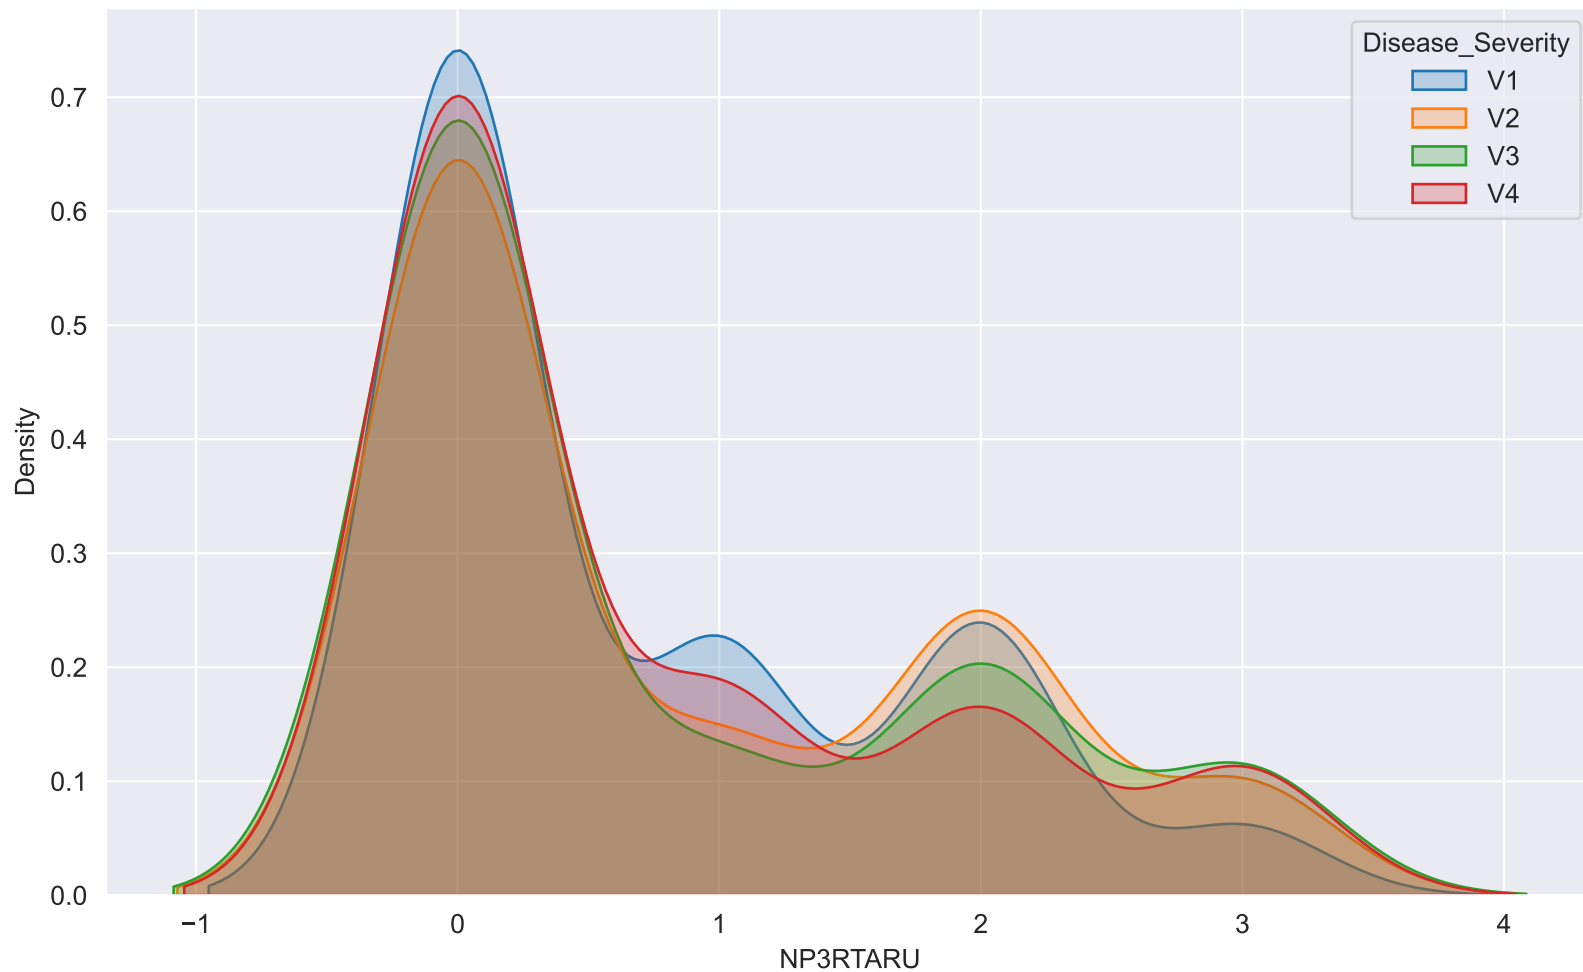

Probability Density Function for NP3RTALU

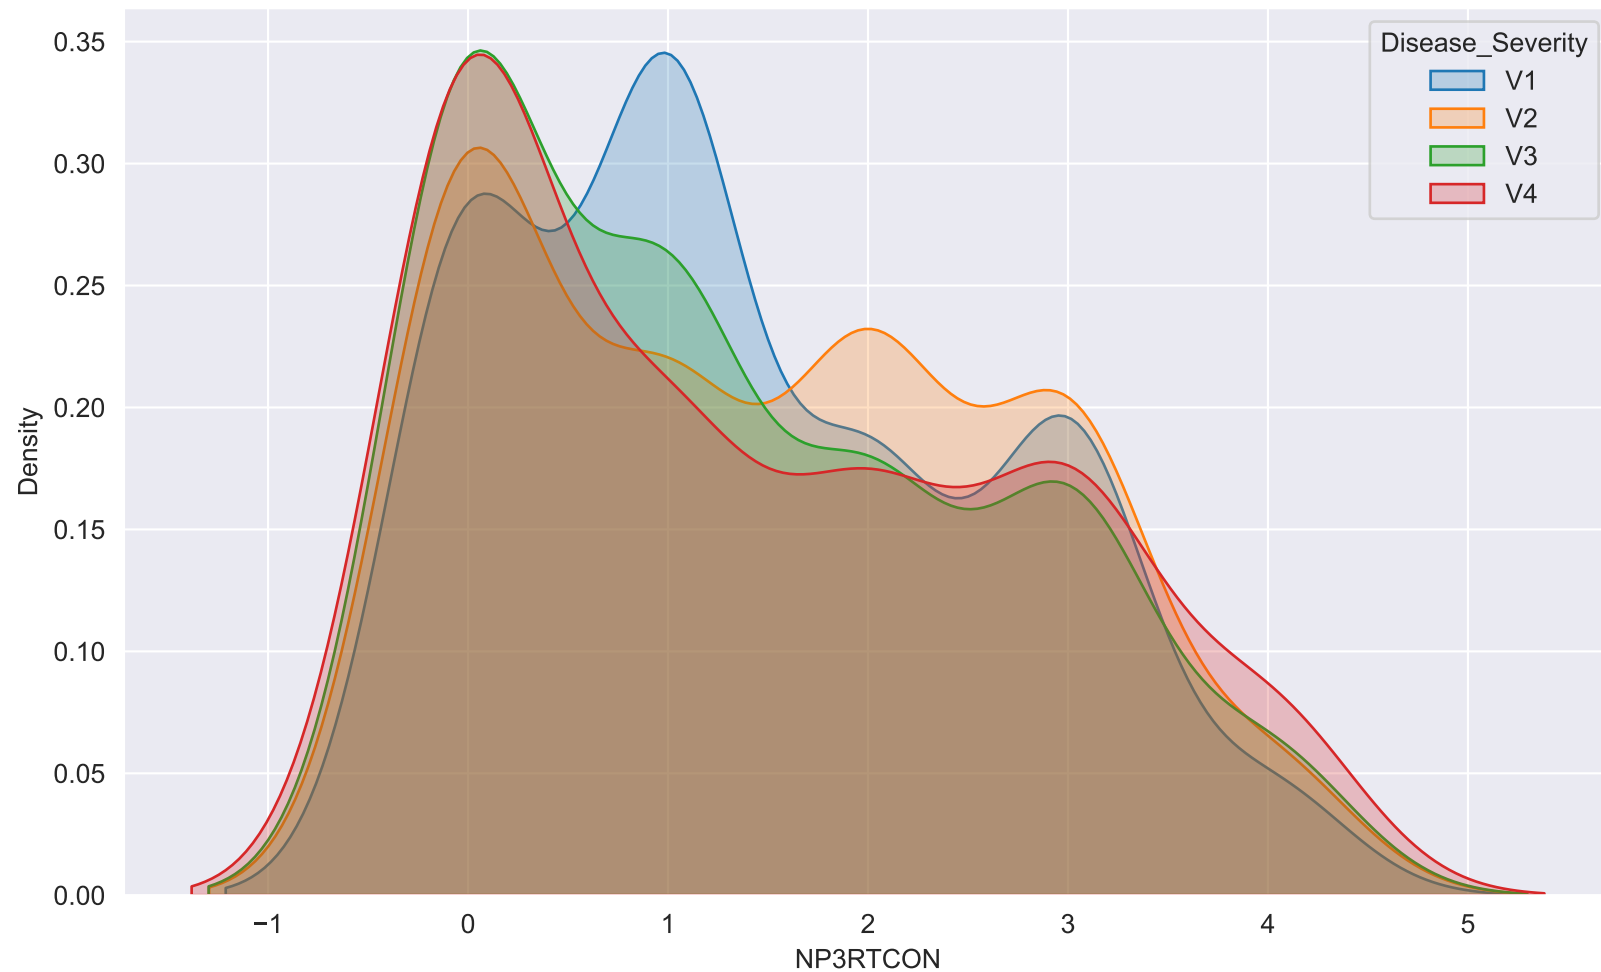

Probability Density Function for NP3RTARL

Probability Density Function for NP3RTARU

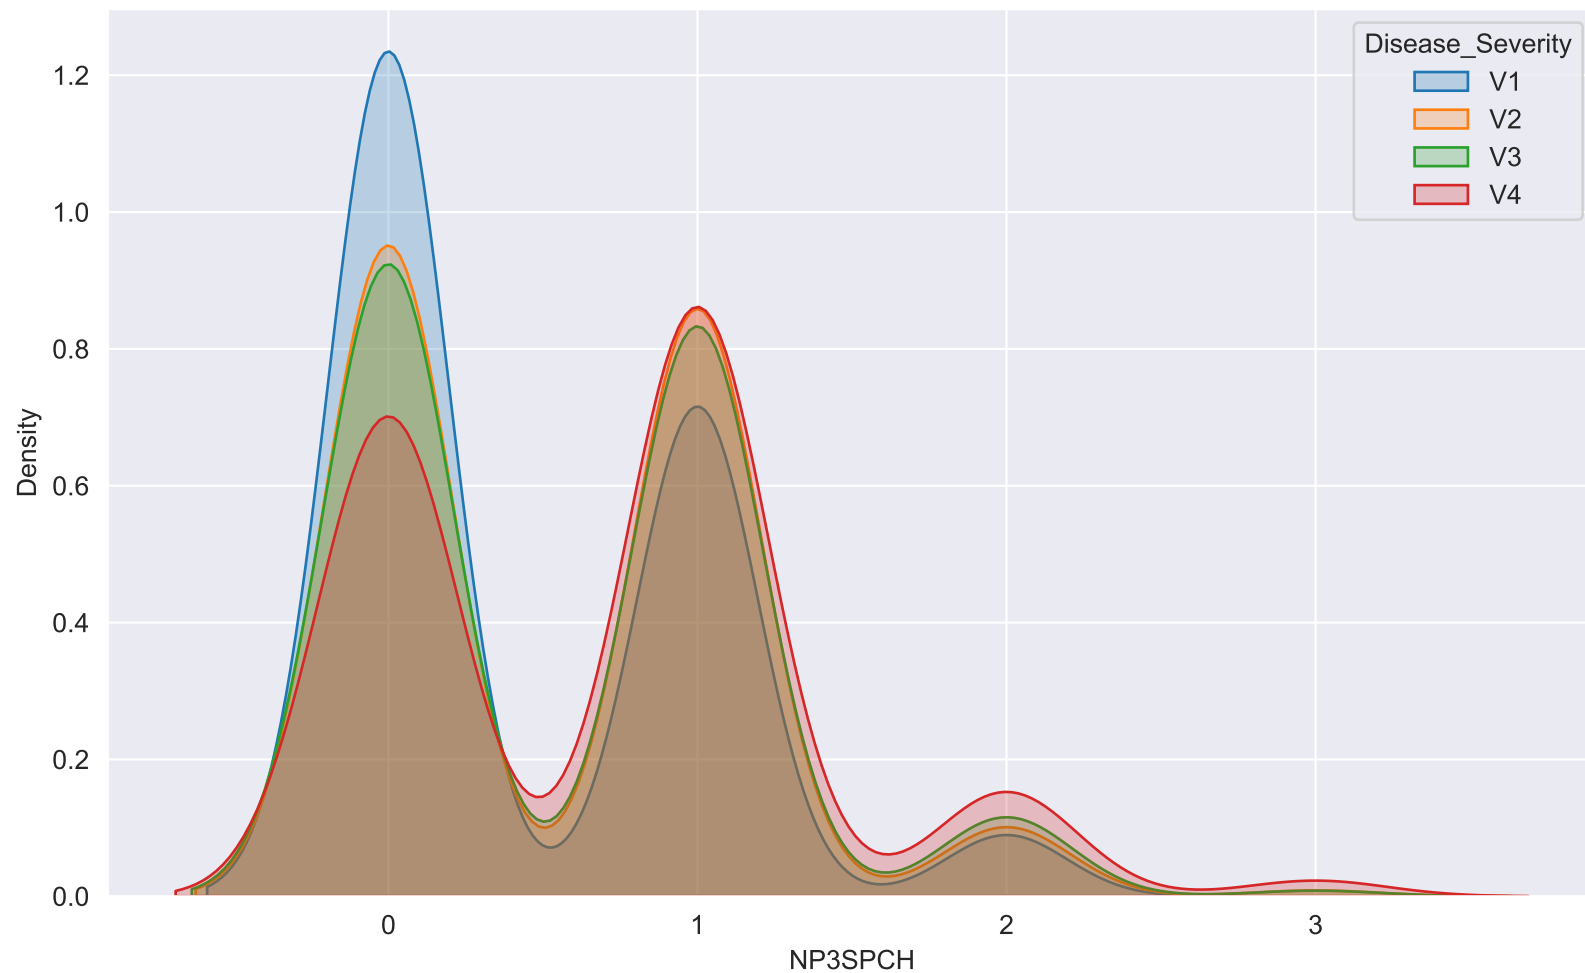

Probability Density Function for NP3RTCON

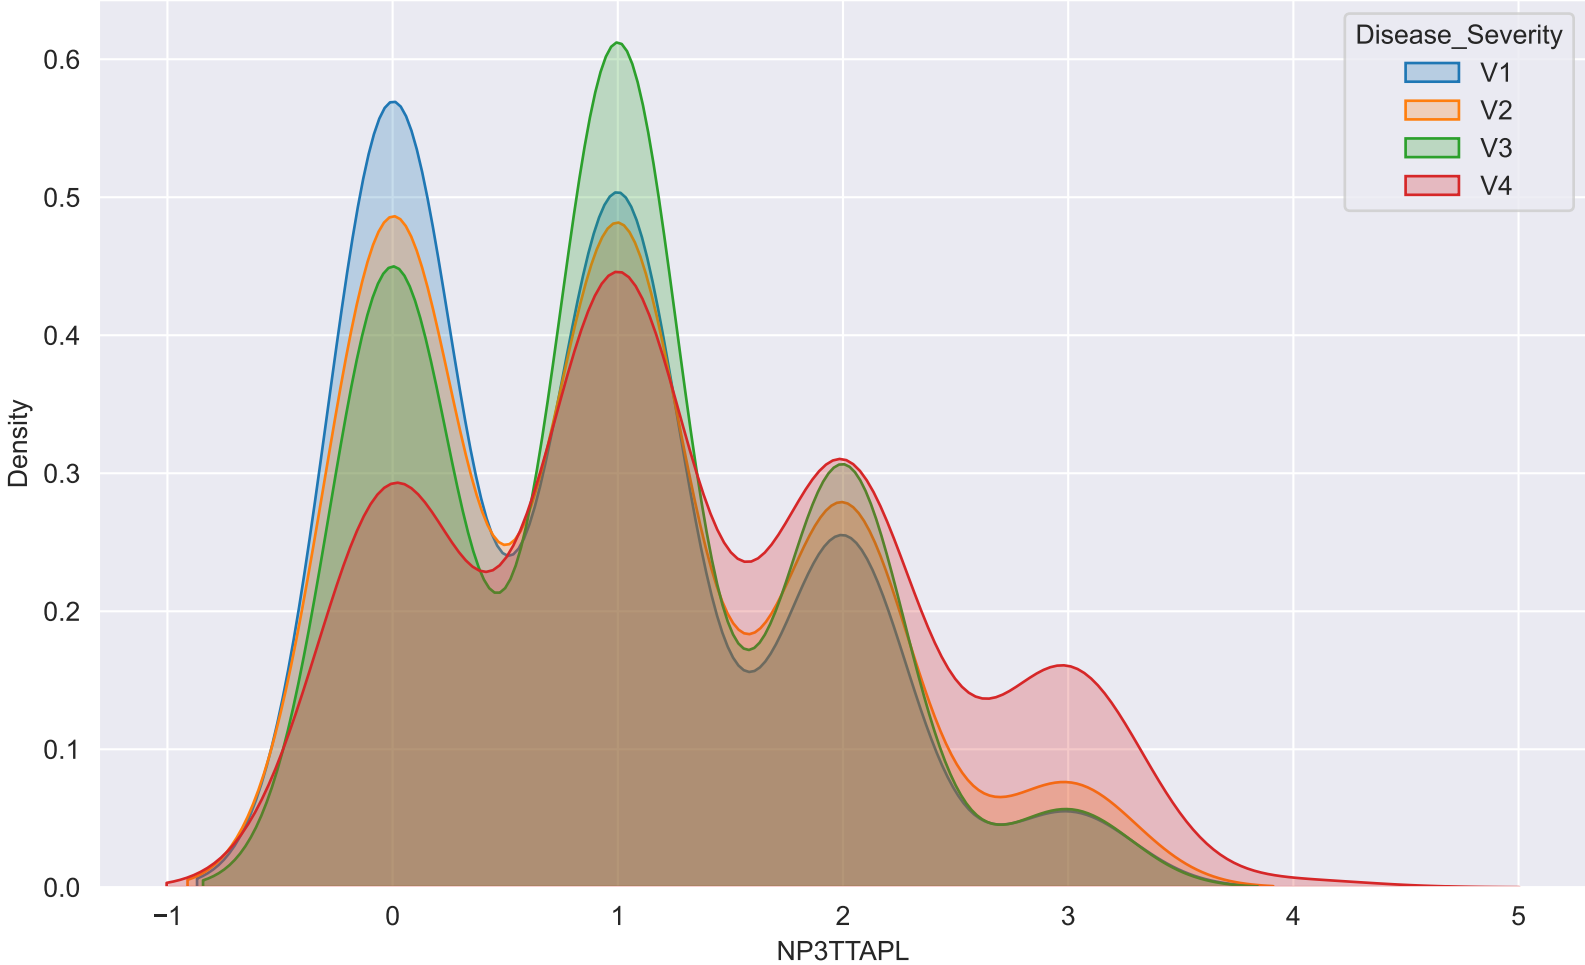

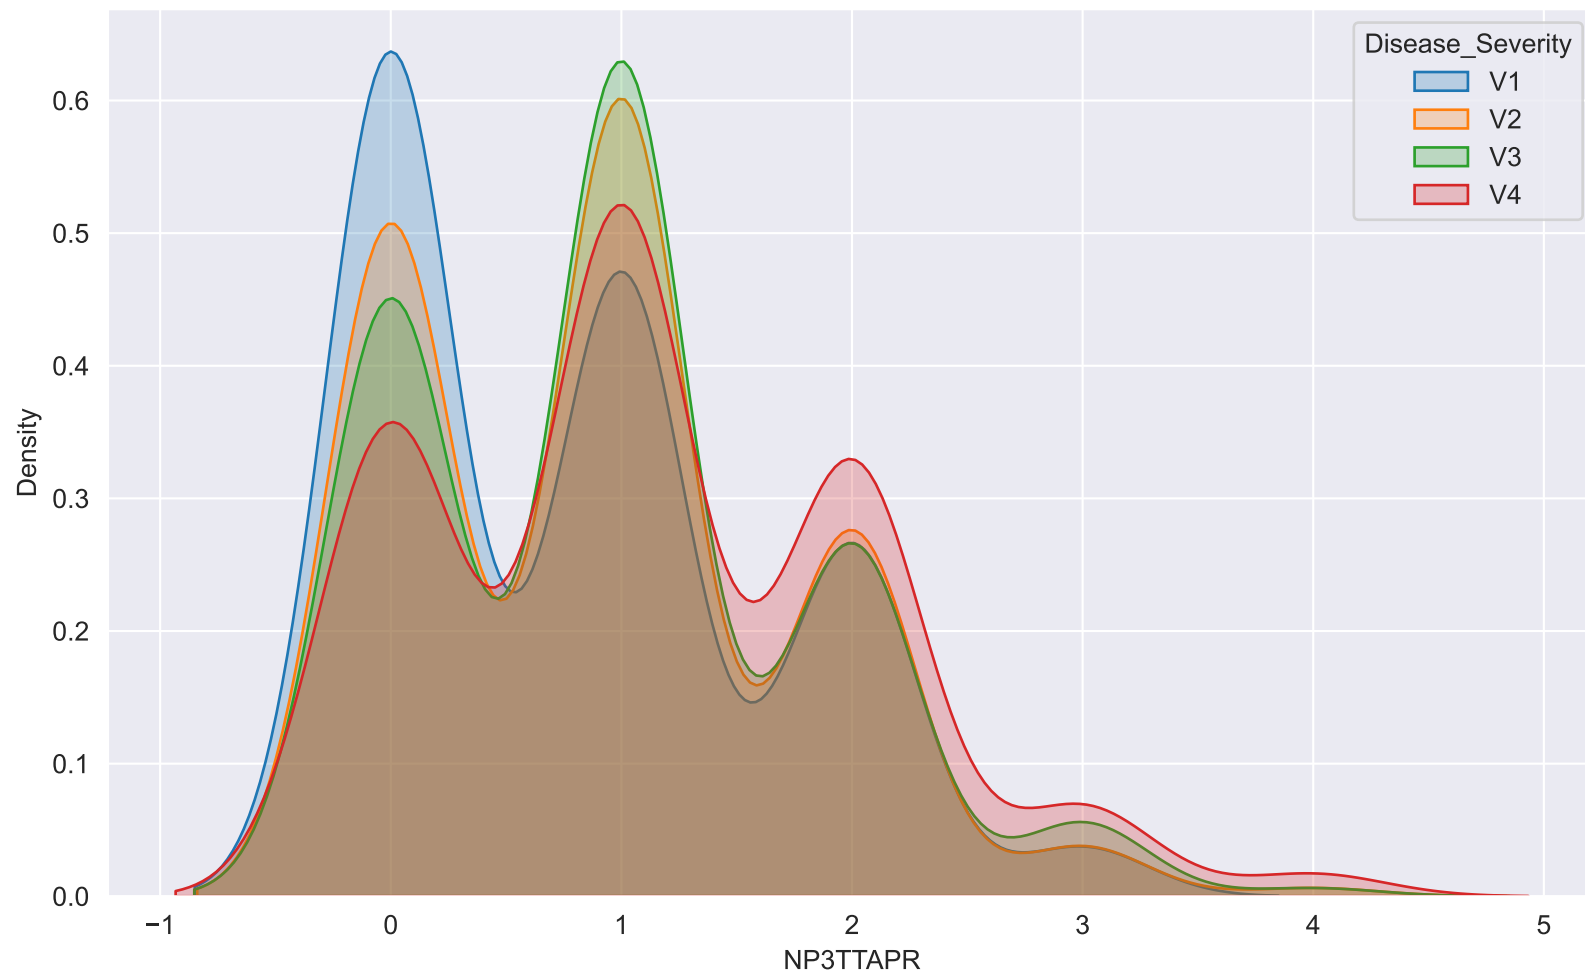

Probability Density Function for NP3SPCH

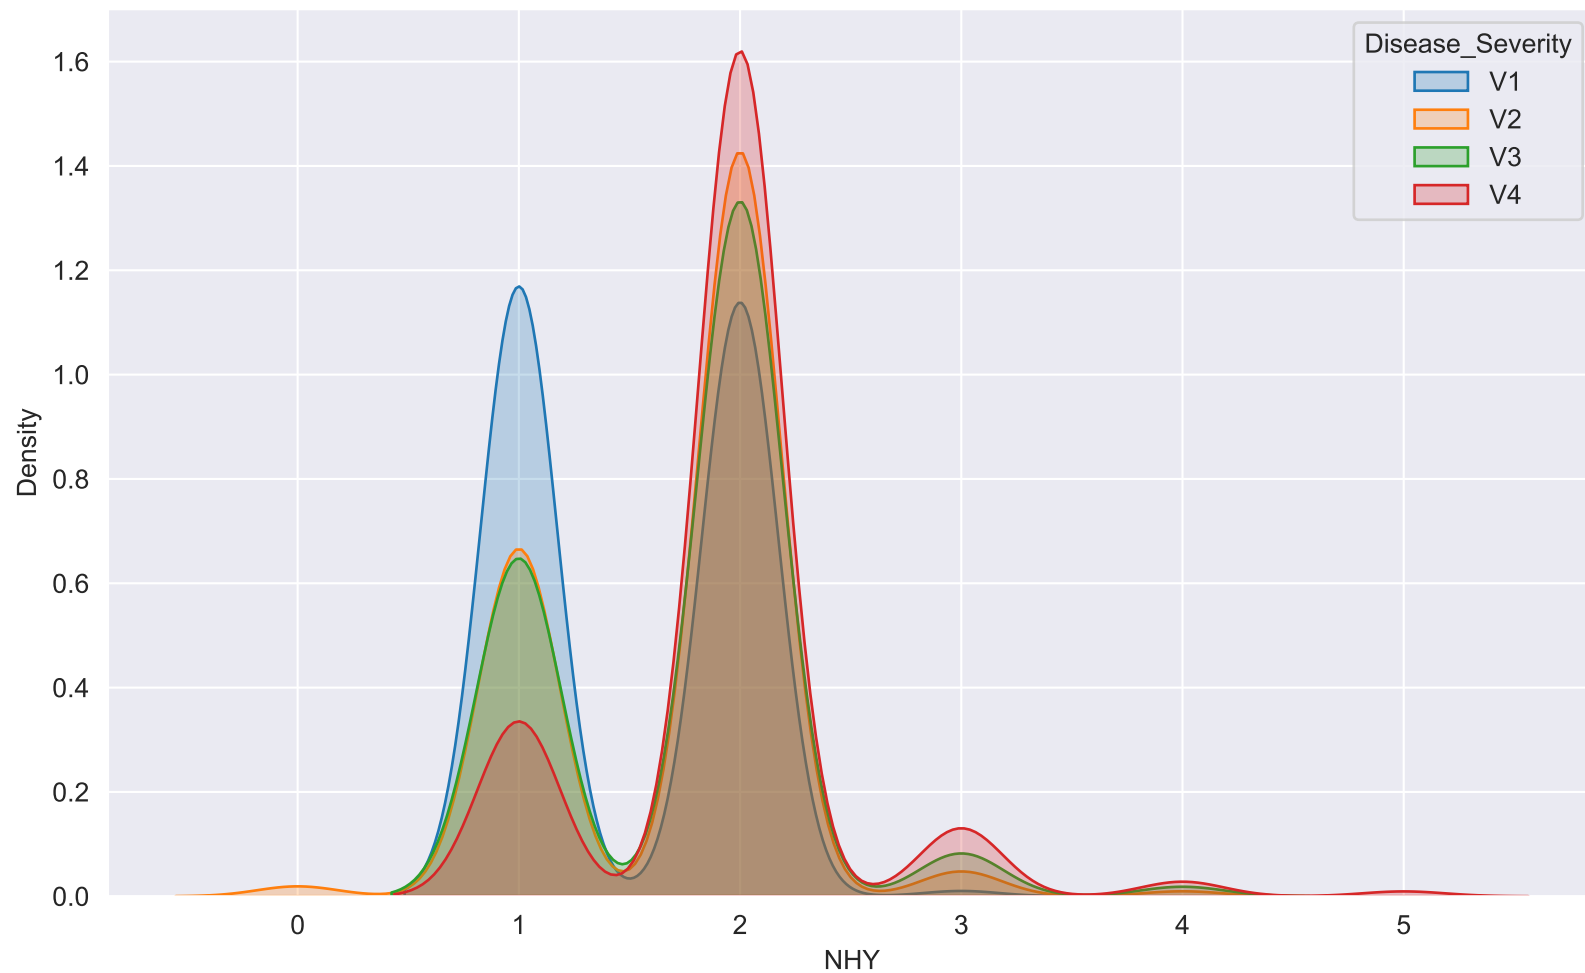

Probability Density Function for NP3TTAPL

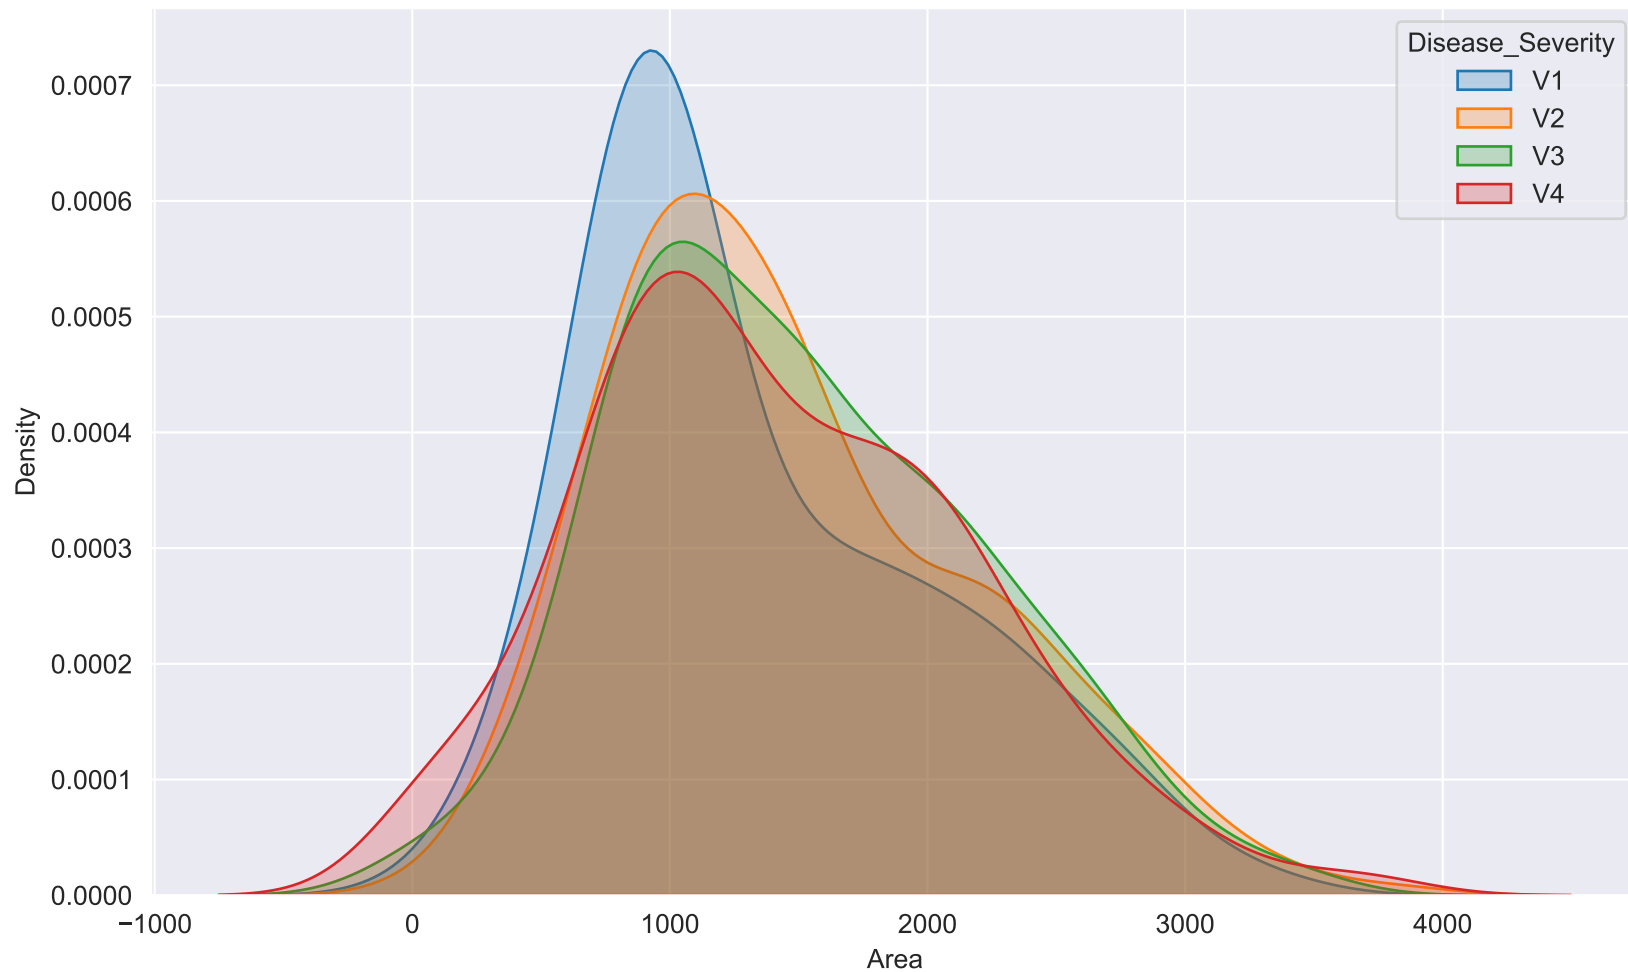

Probability Density Function for NP3TTAPR

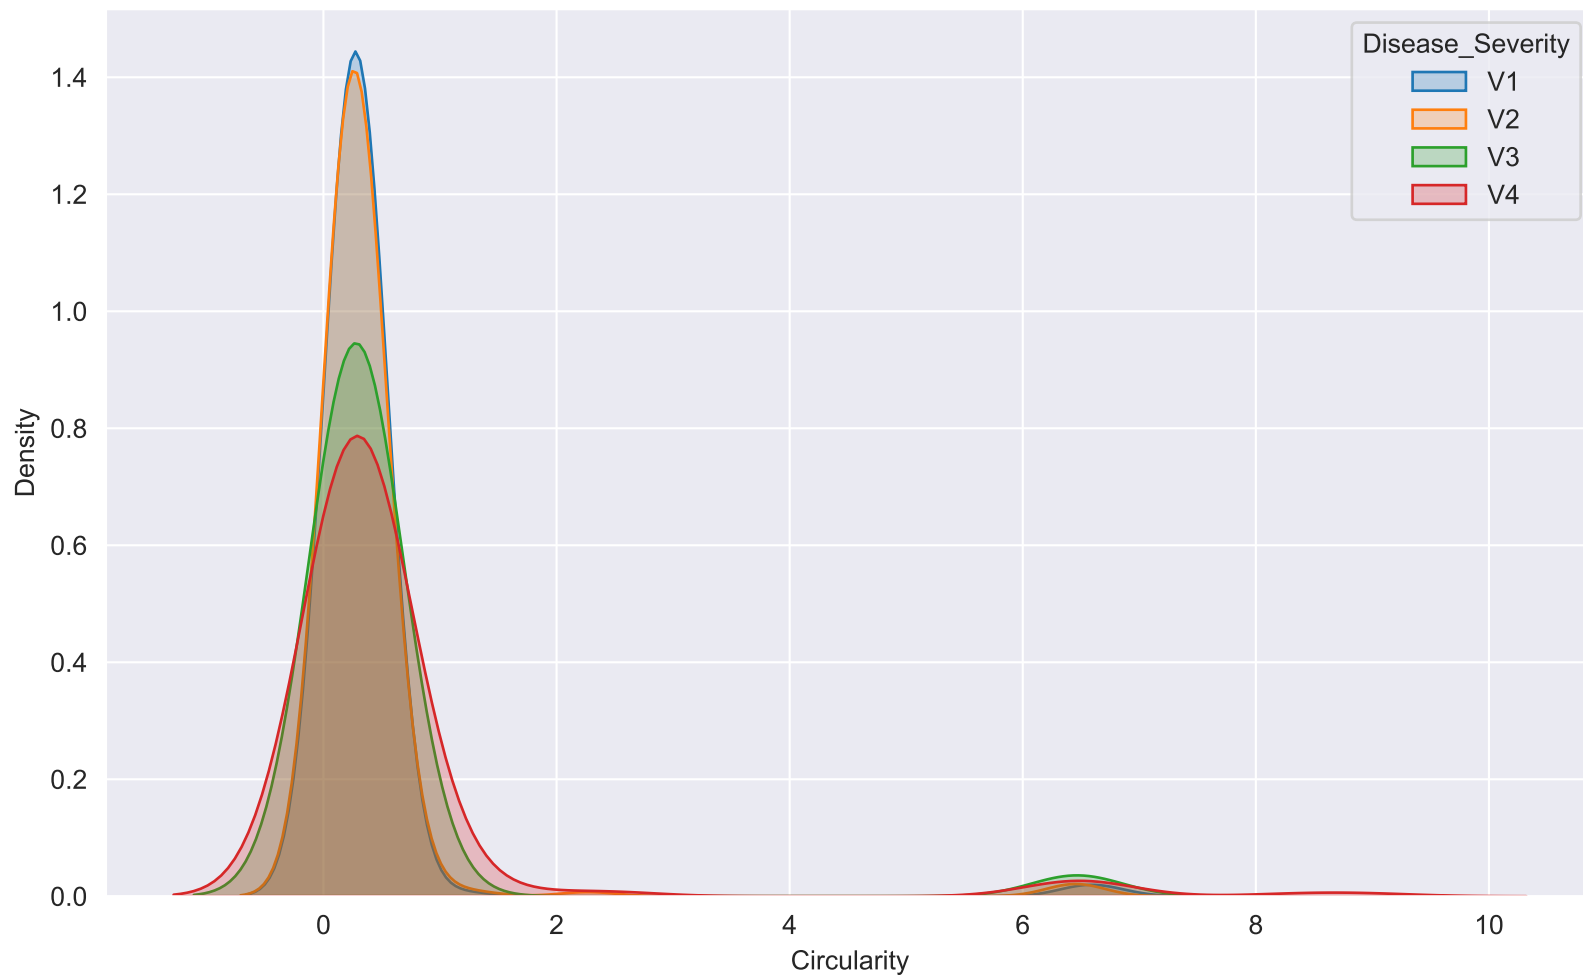

Probability Density Function for NHY

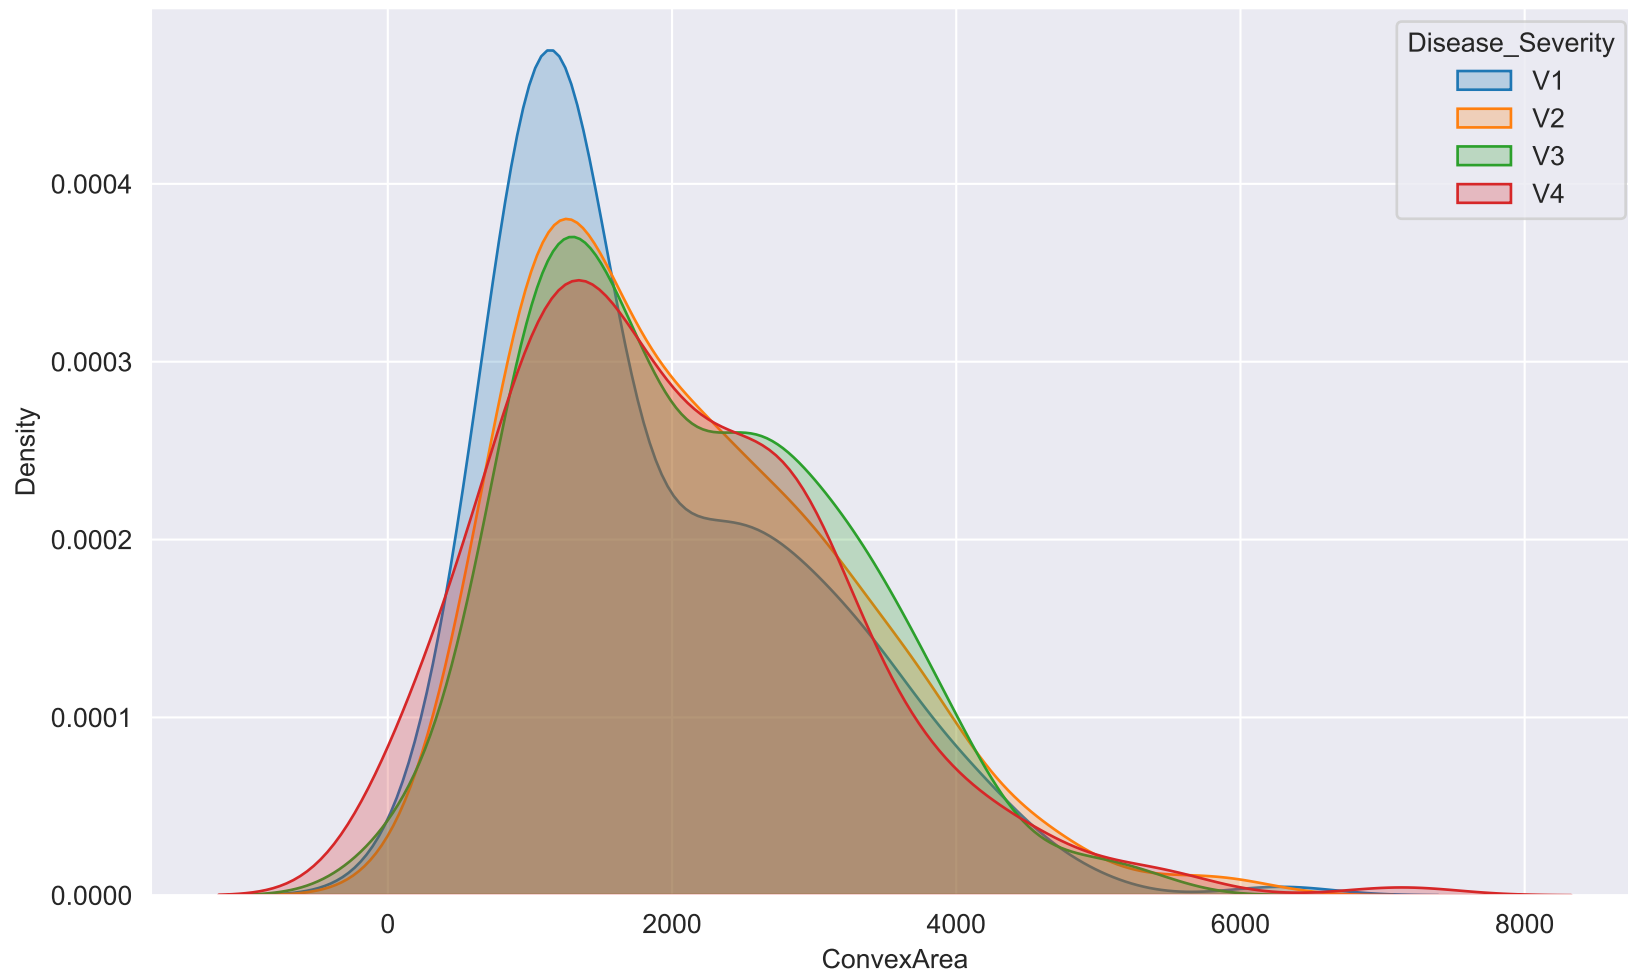

Probability Density Function for Area

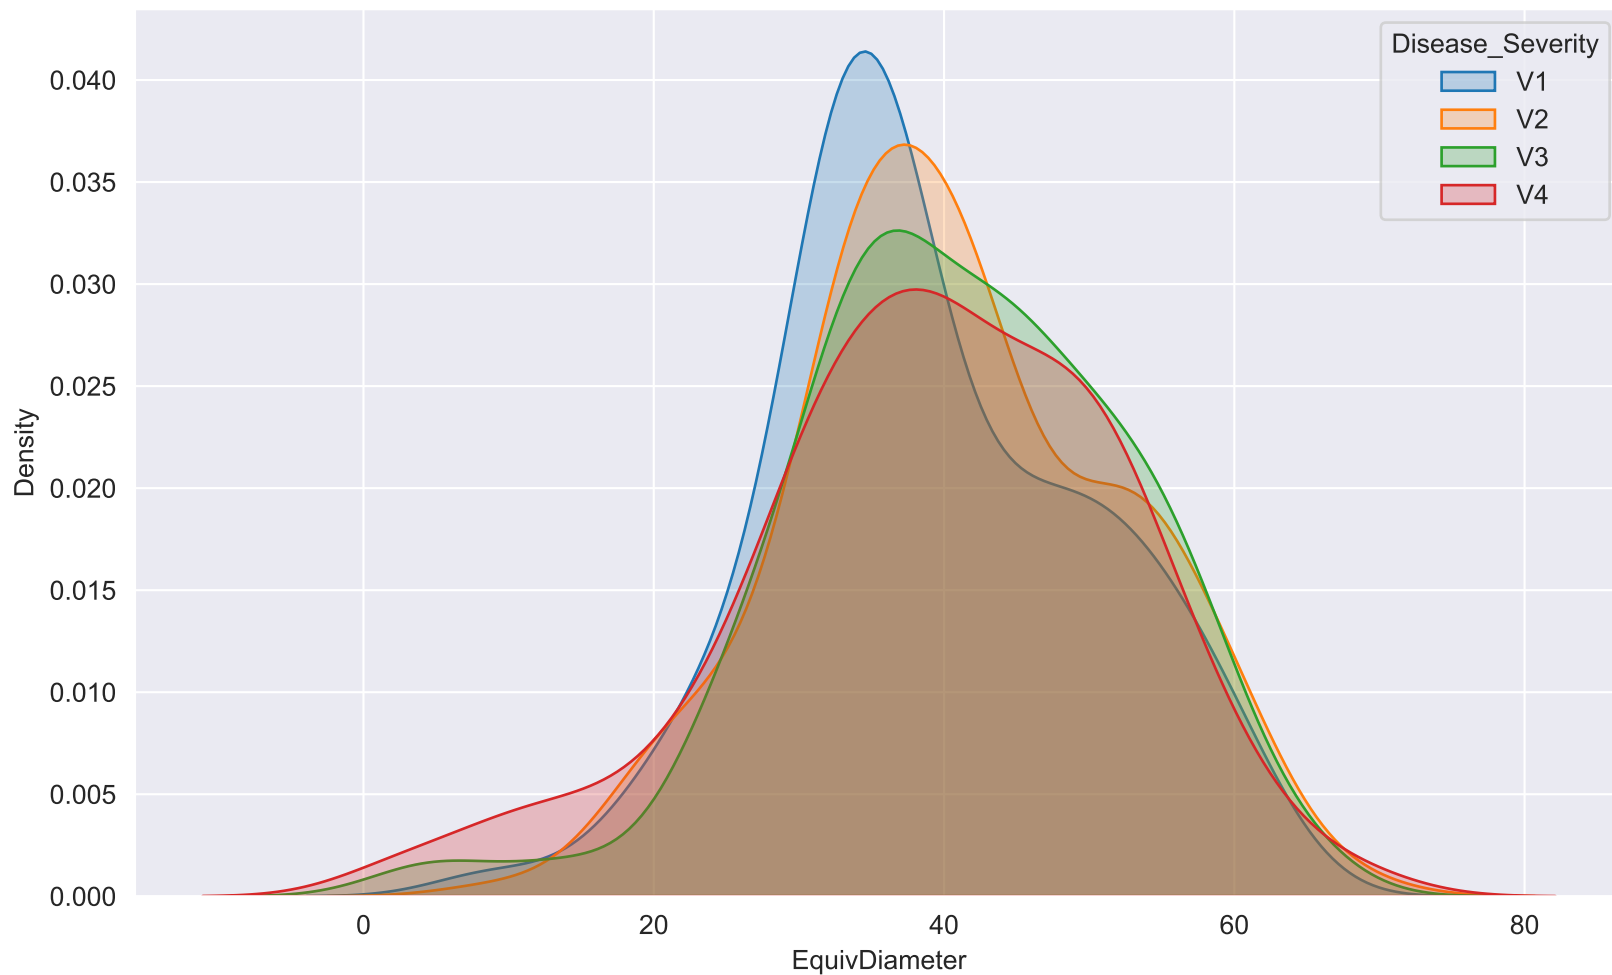

Probability Density Function for Circularity

Probability Density Function for ConvexArea

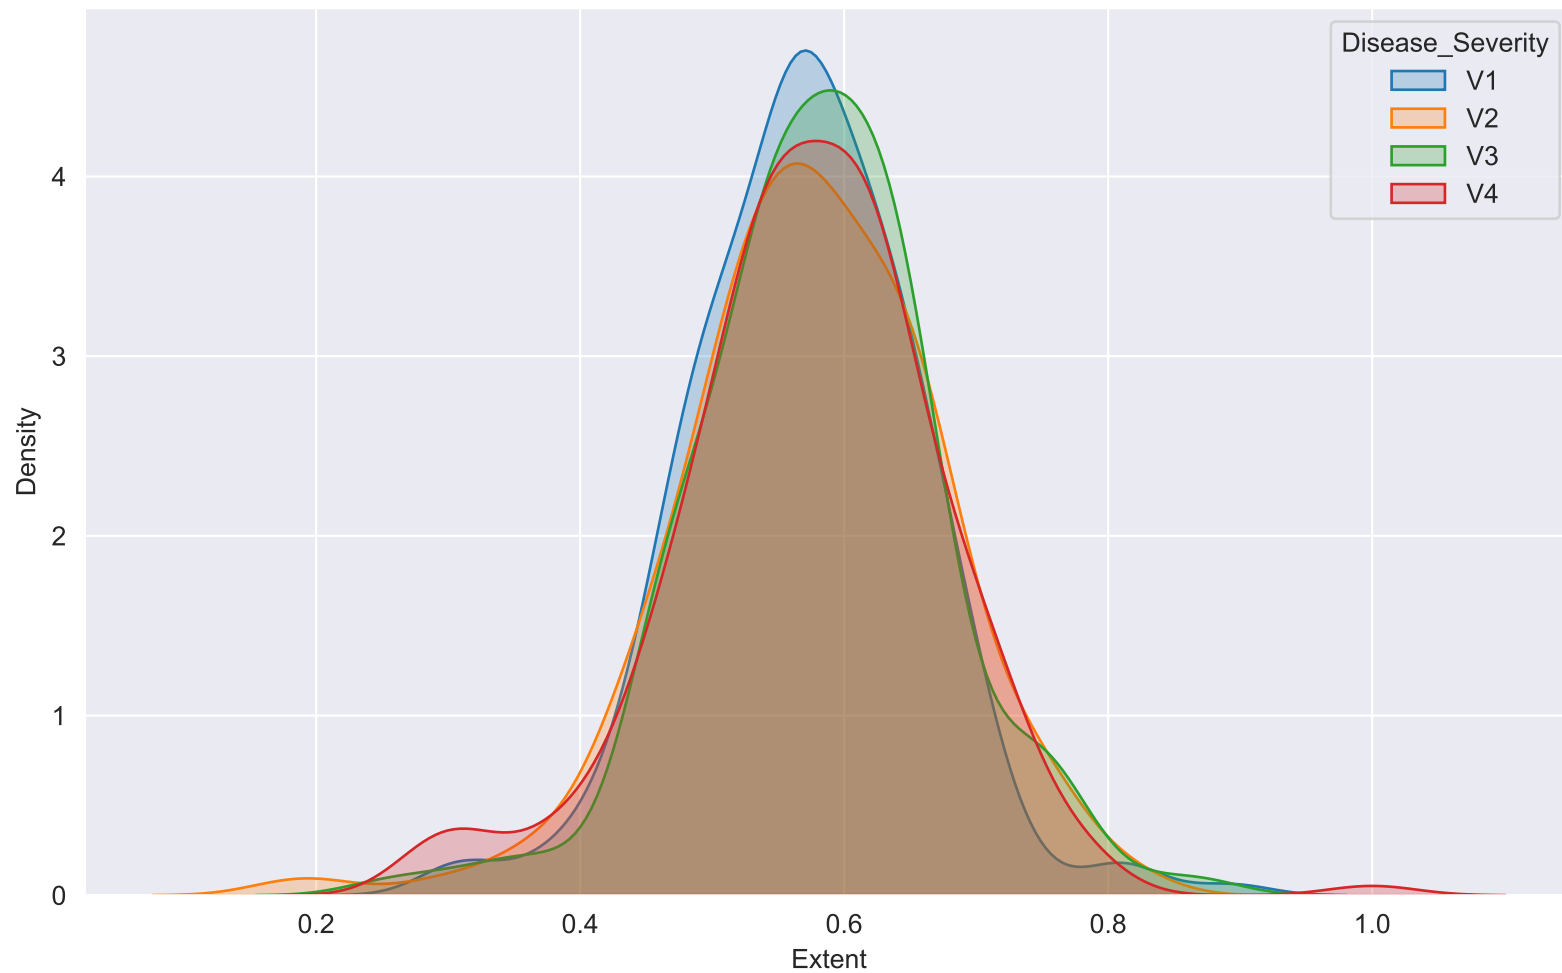

Probability Density Function for EquivDiameter

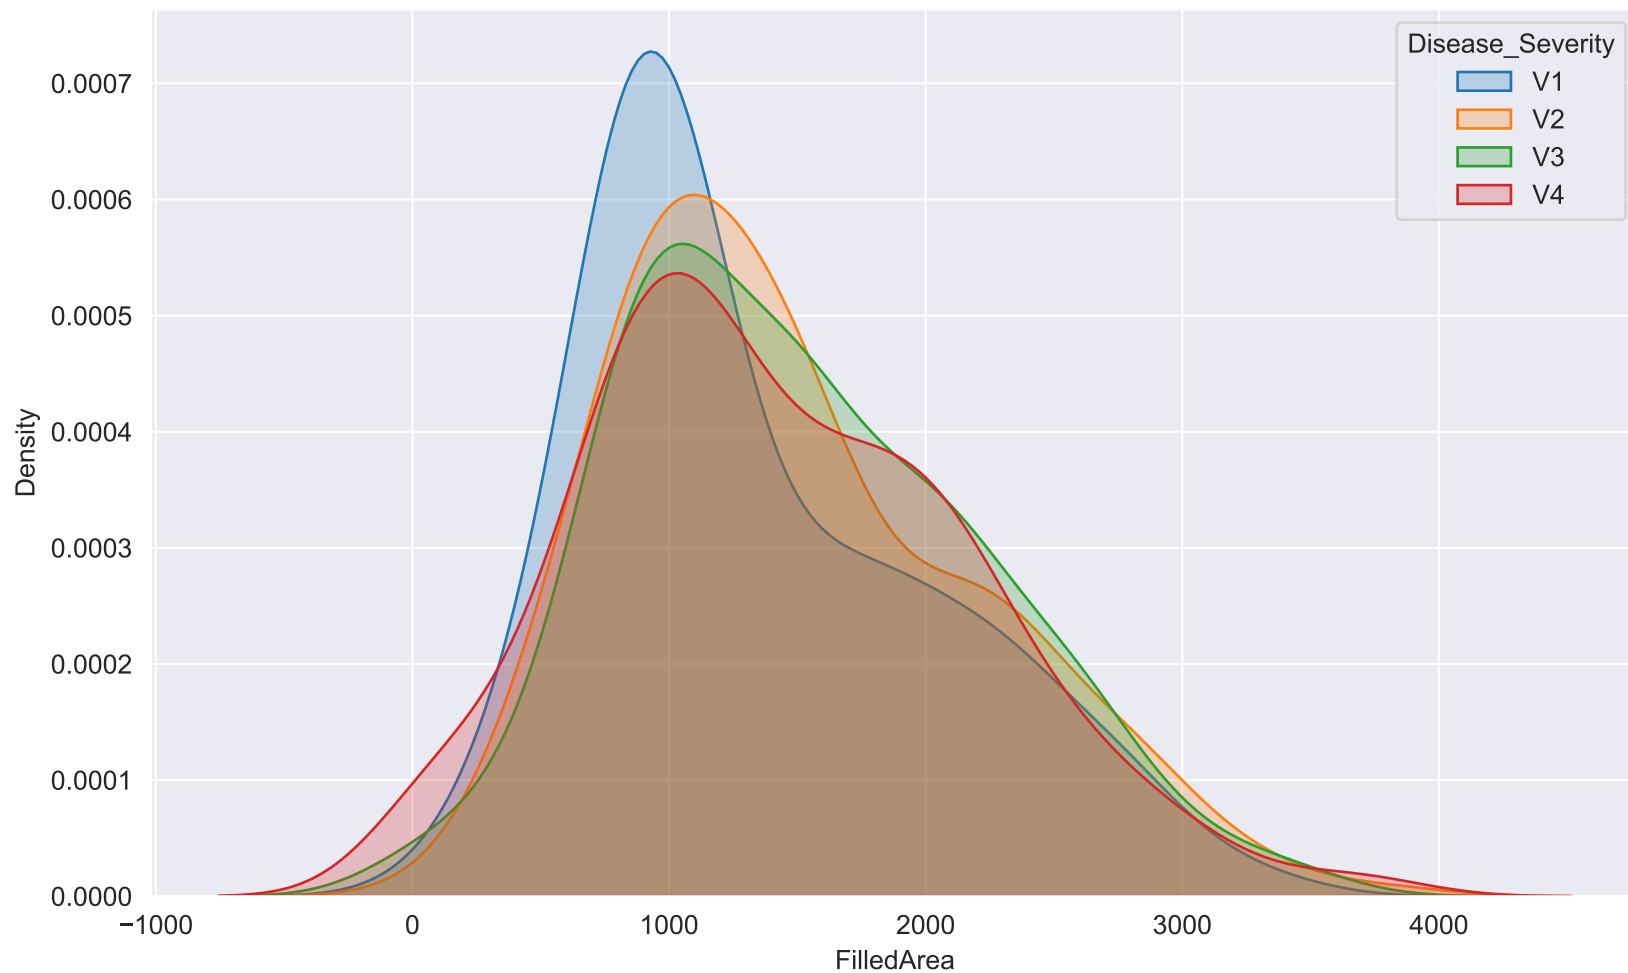

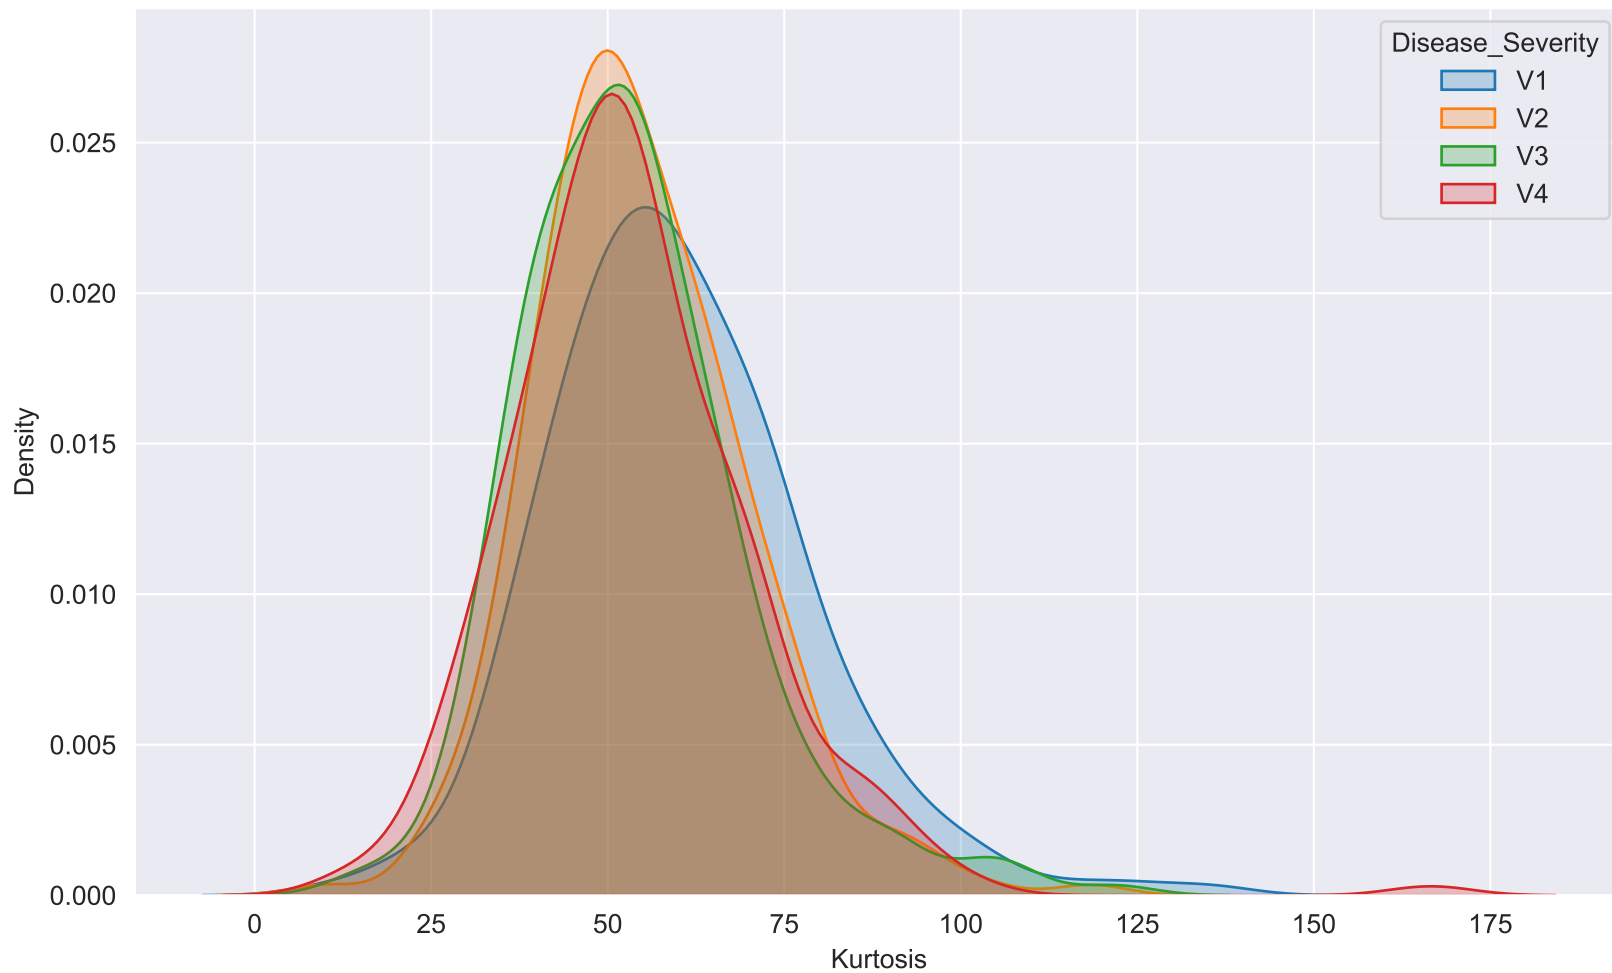

Probability Density Function for Extent

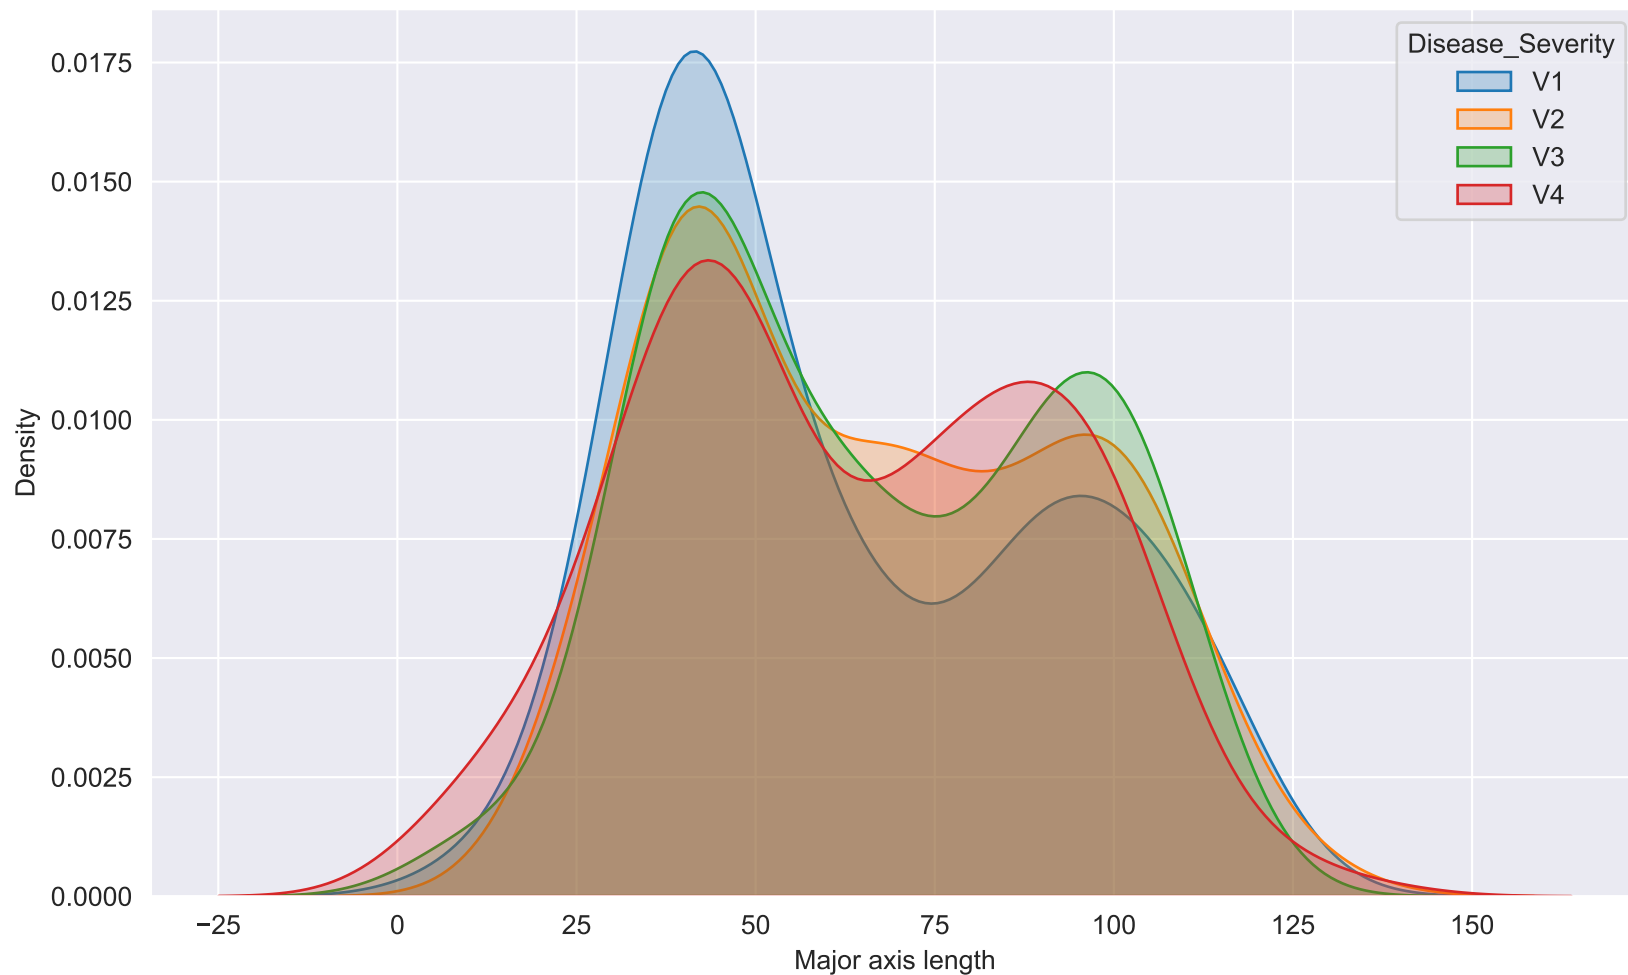

Probability Density Function for FilledArea

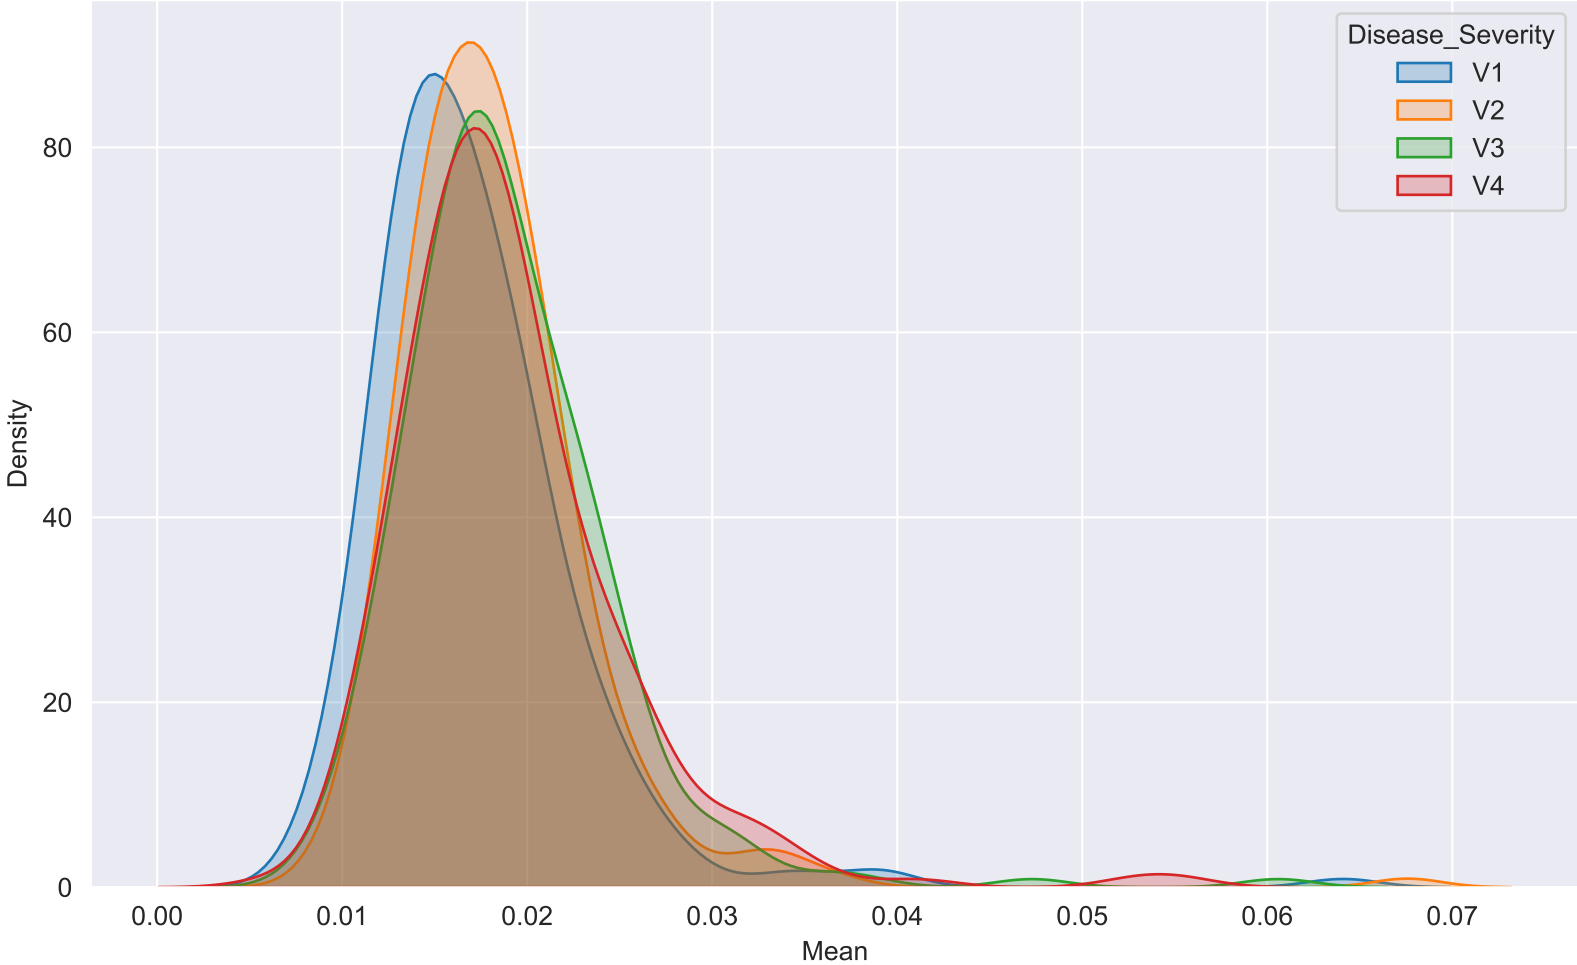

Probability Density Function for Kurtosis

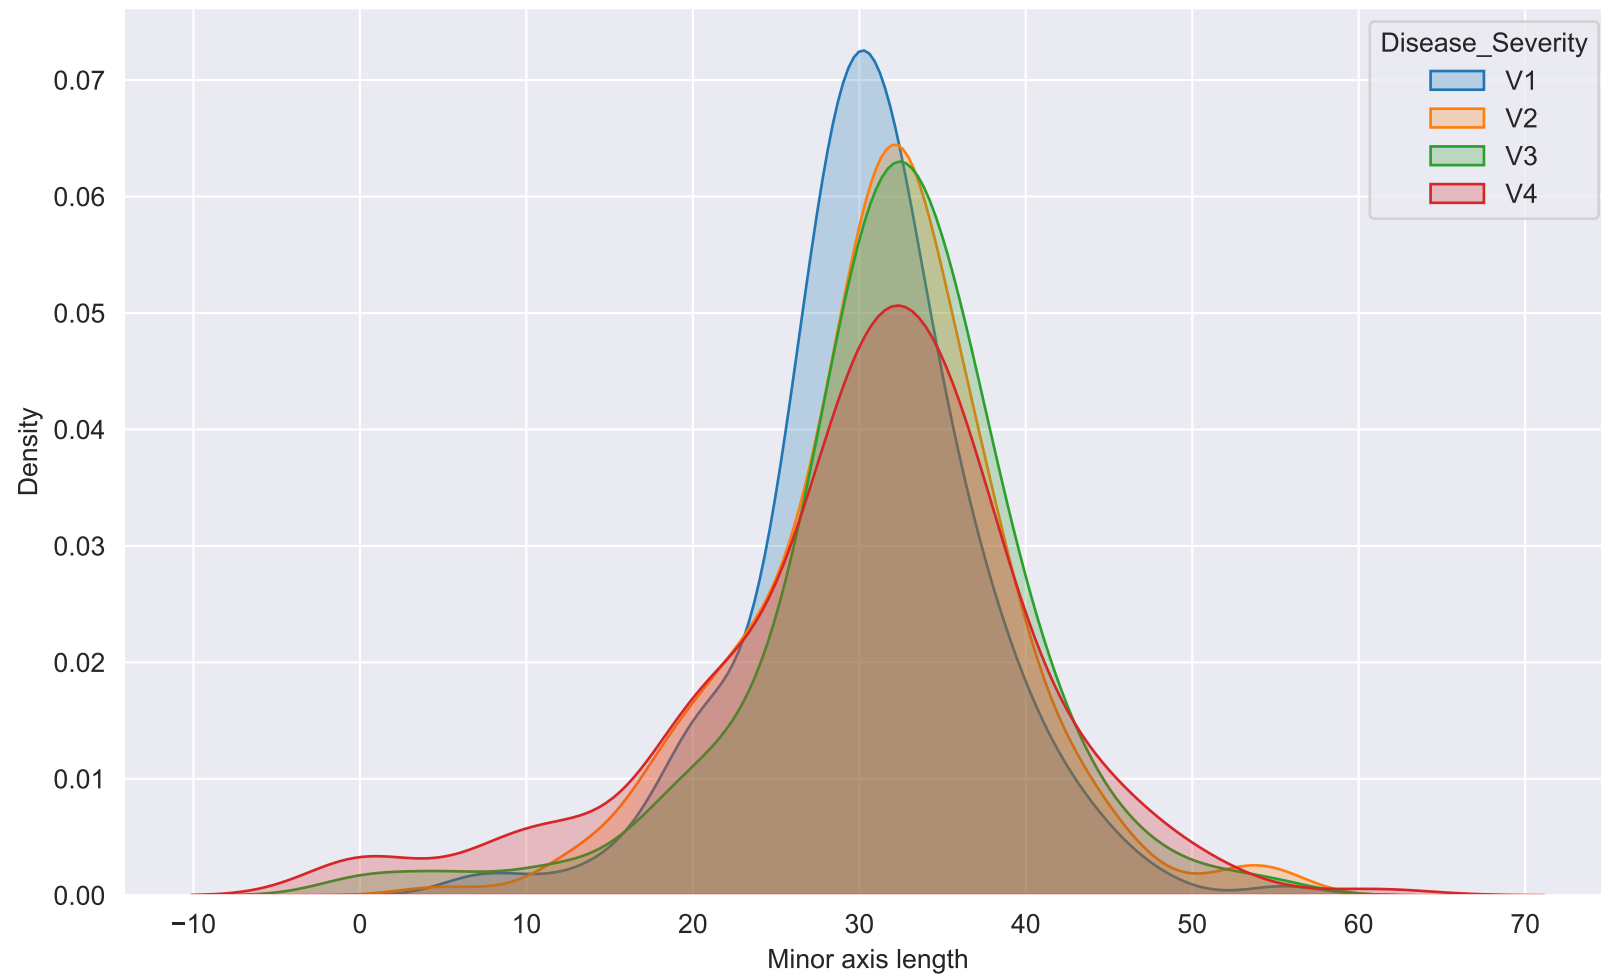

Probability Density Function for Major axis length

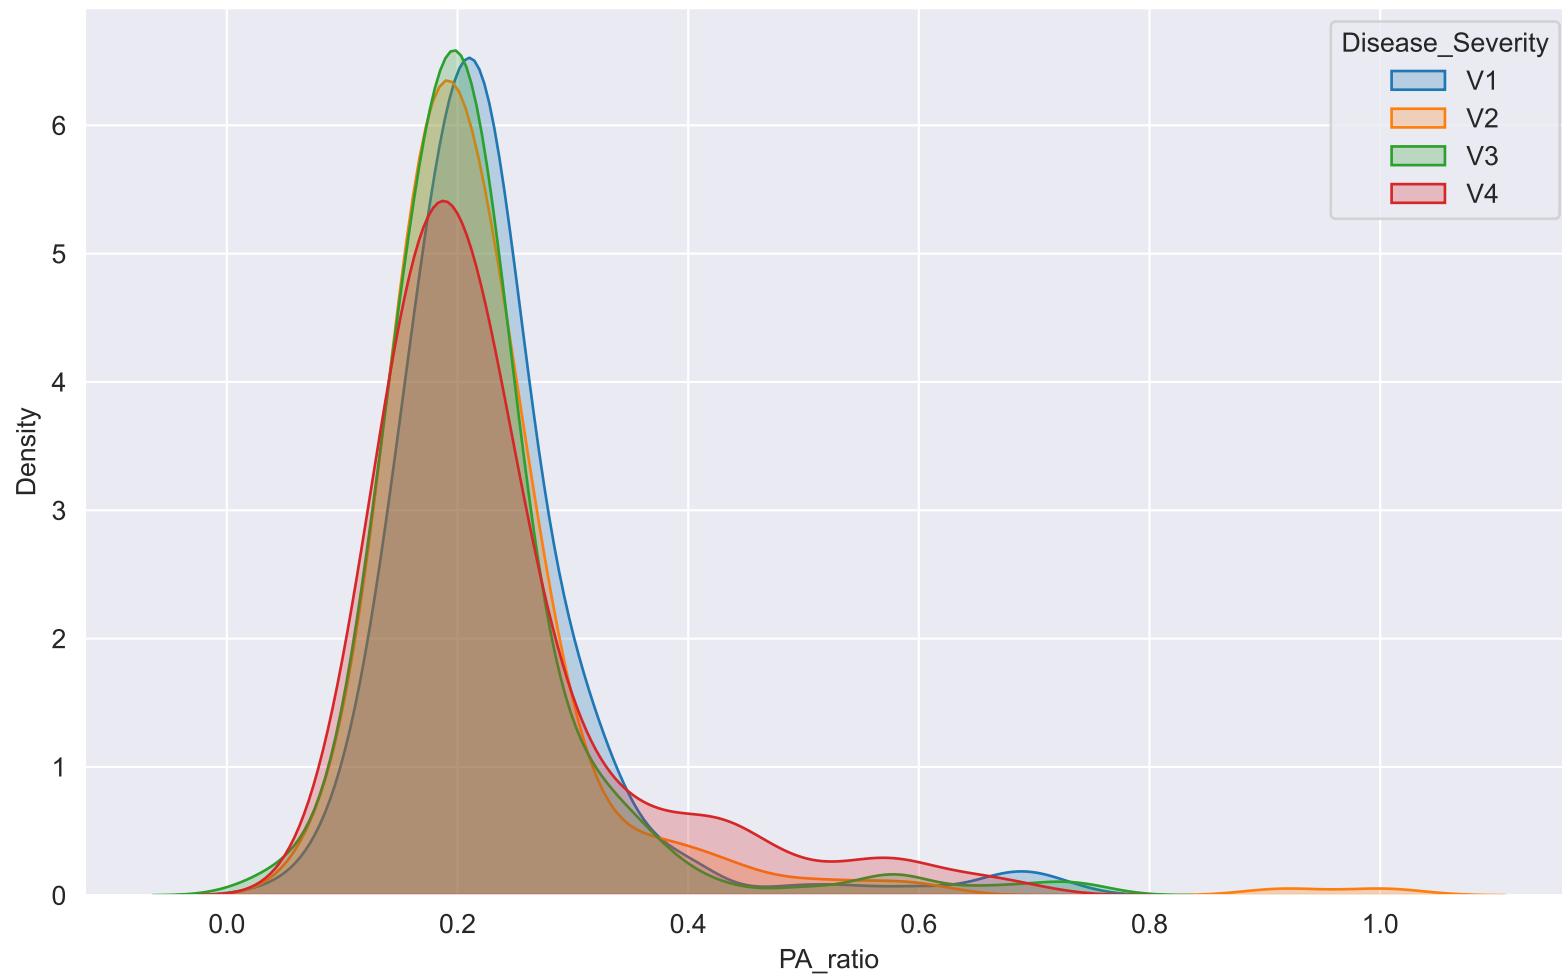

Probability Density Function for Mean

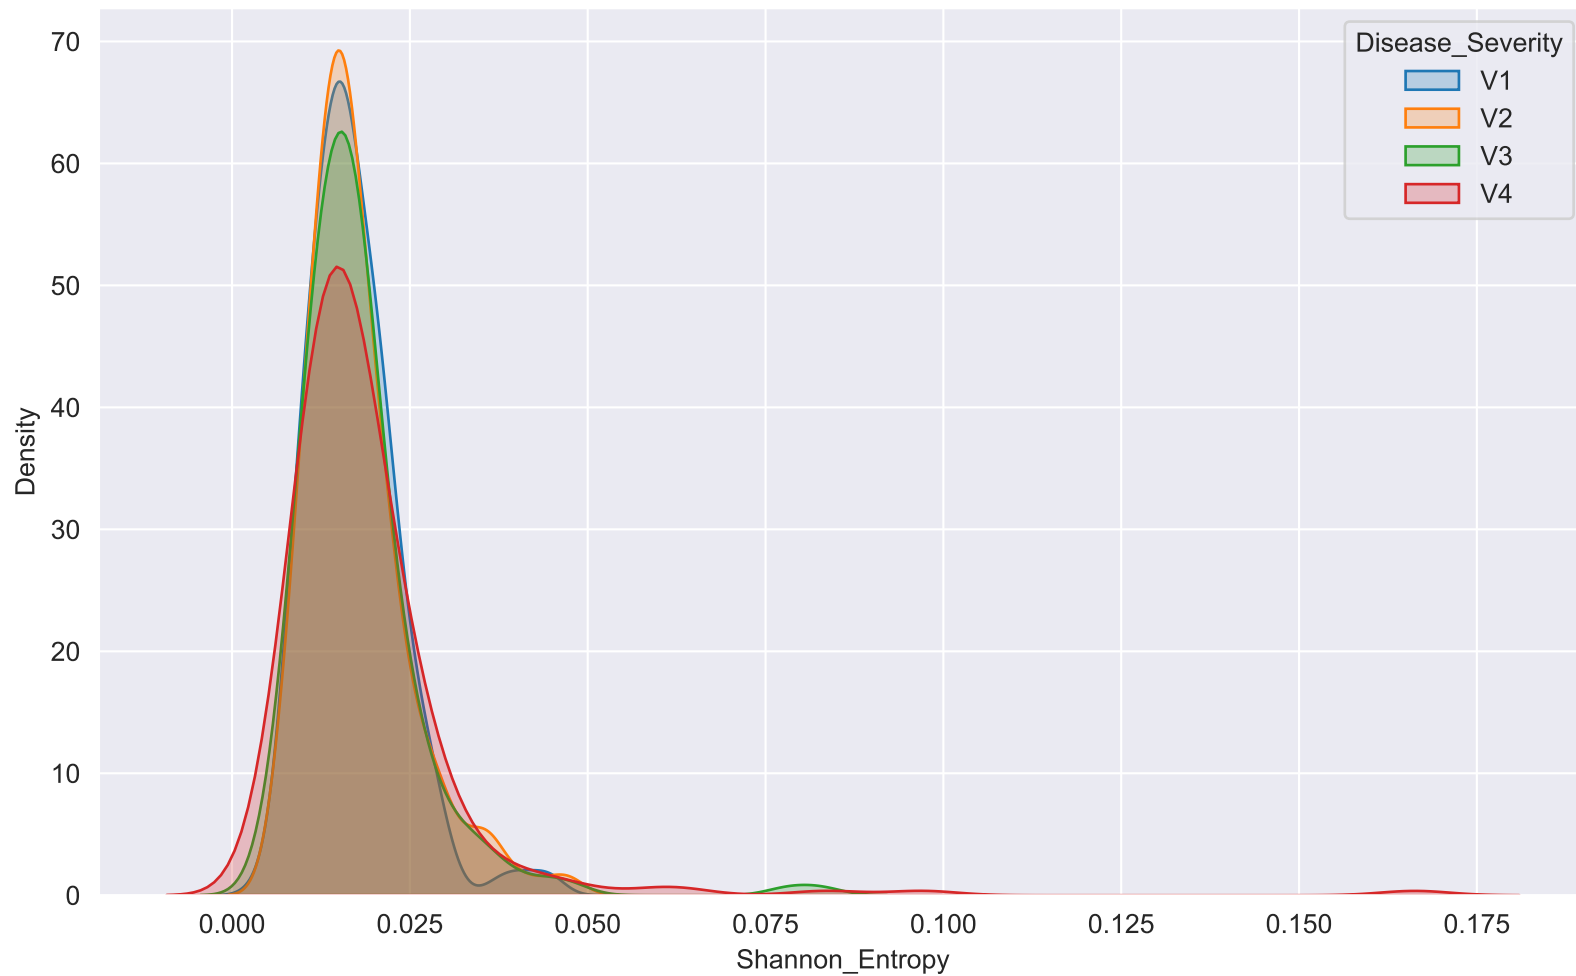

Probability Density Function for Minor axis length

Probability Density Function for PA\_ratio

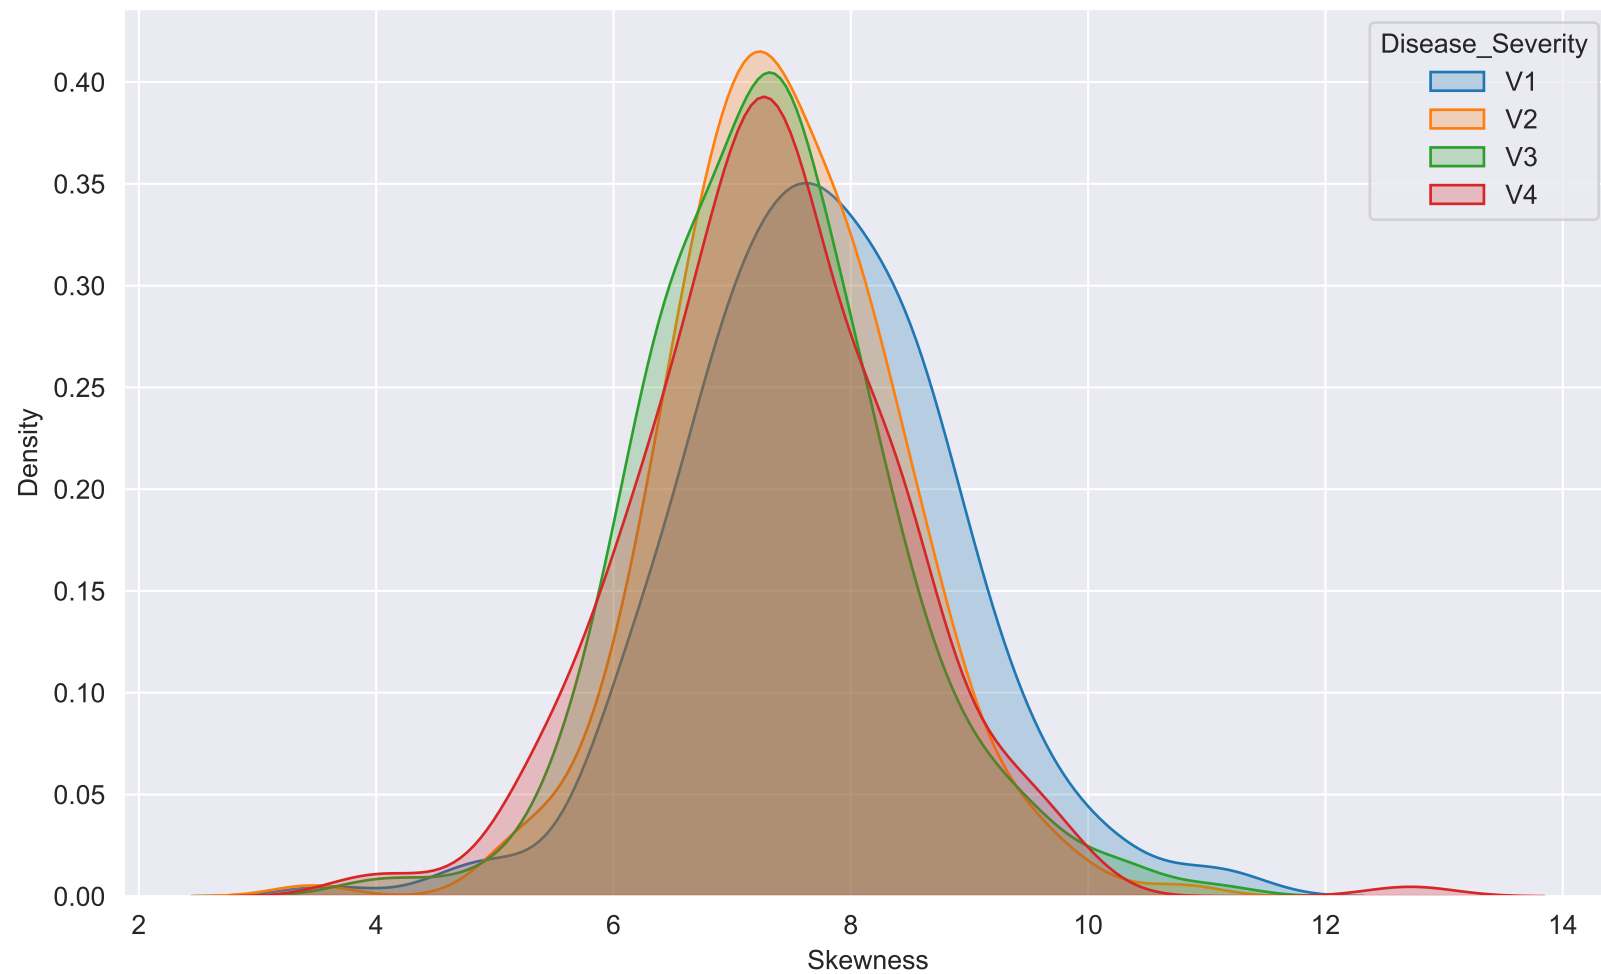

Probability Density Function for Shannon\_Entropy

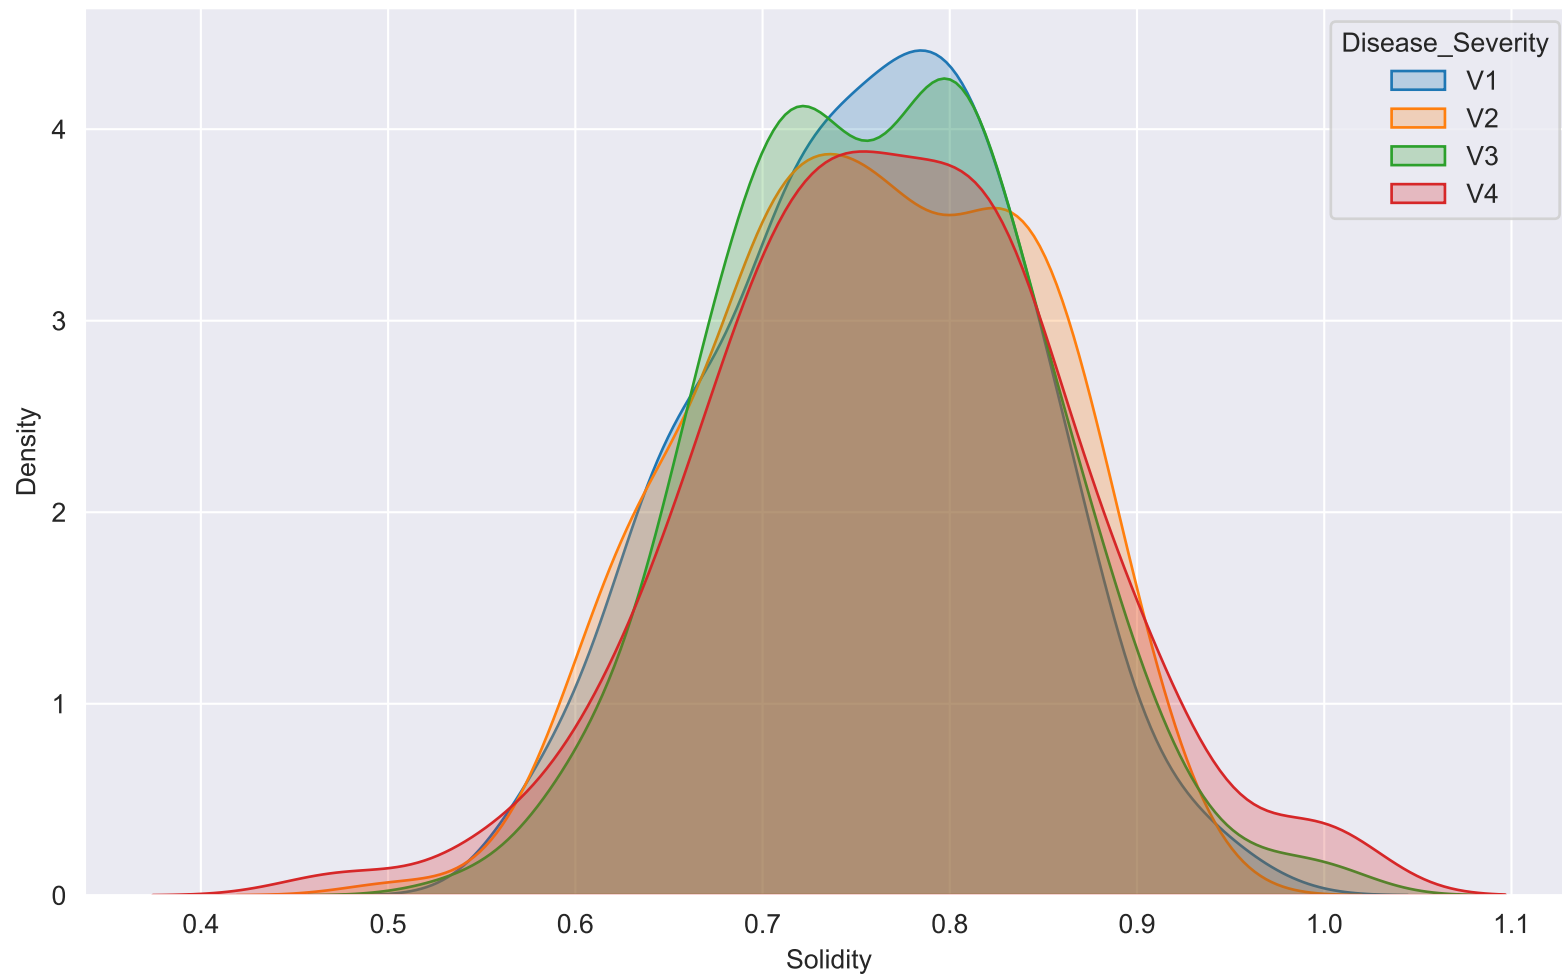

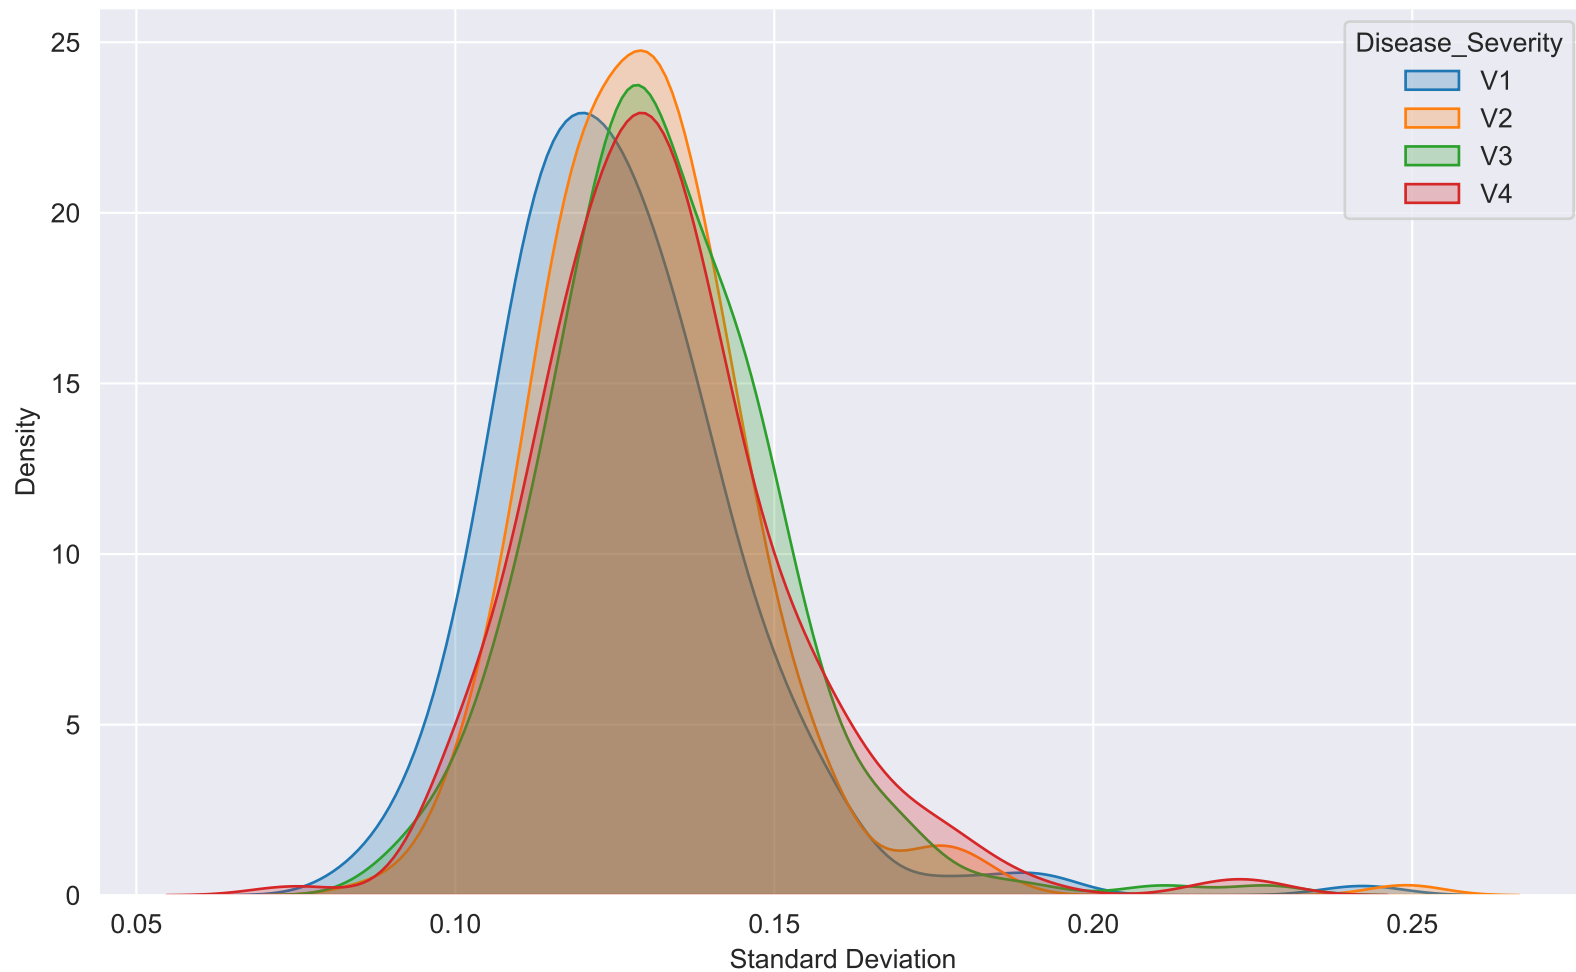

Probability Density Function for Skewness

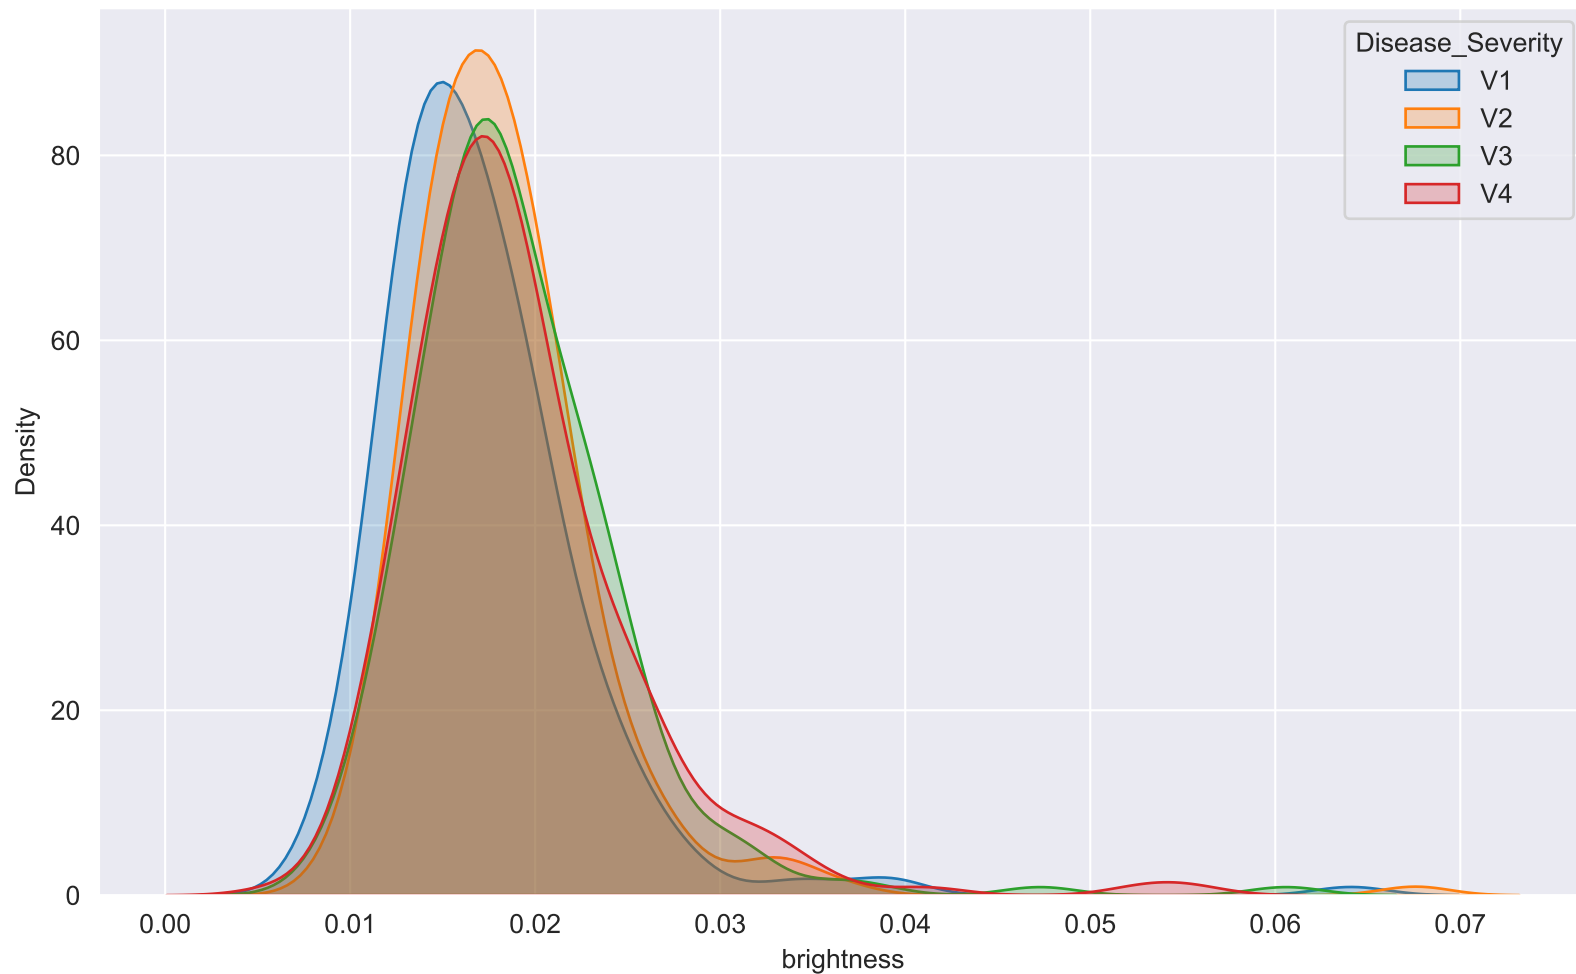

Probability Density Function for Solidity

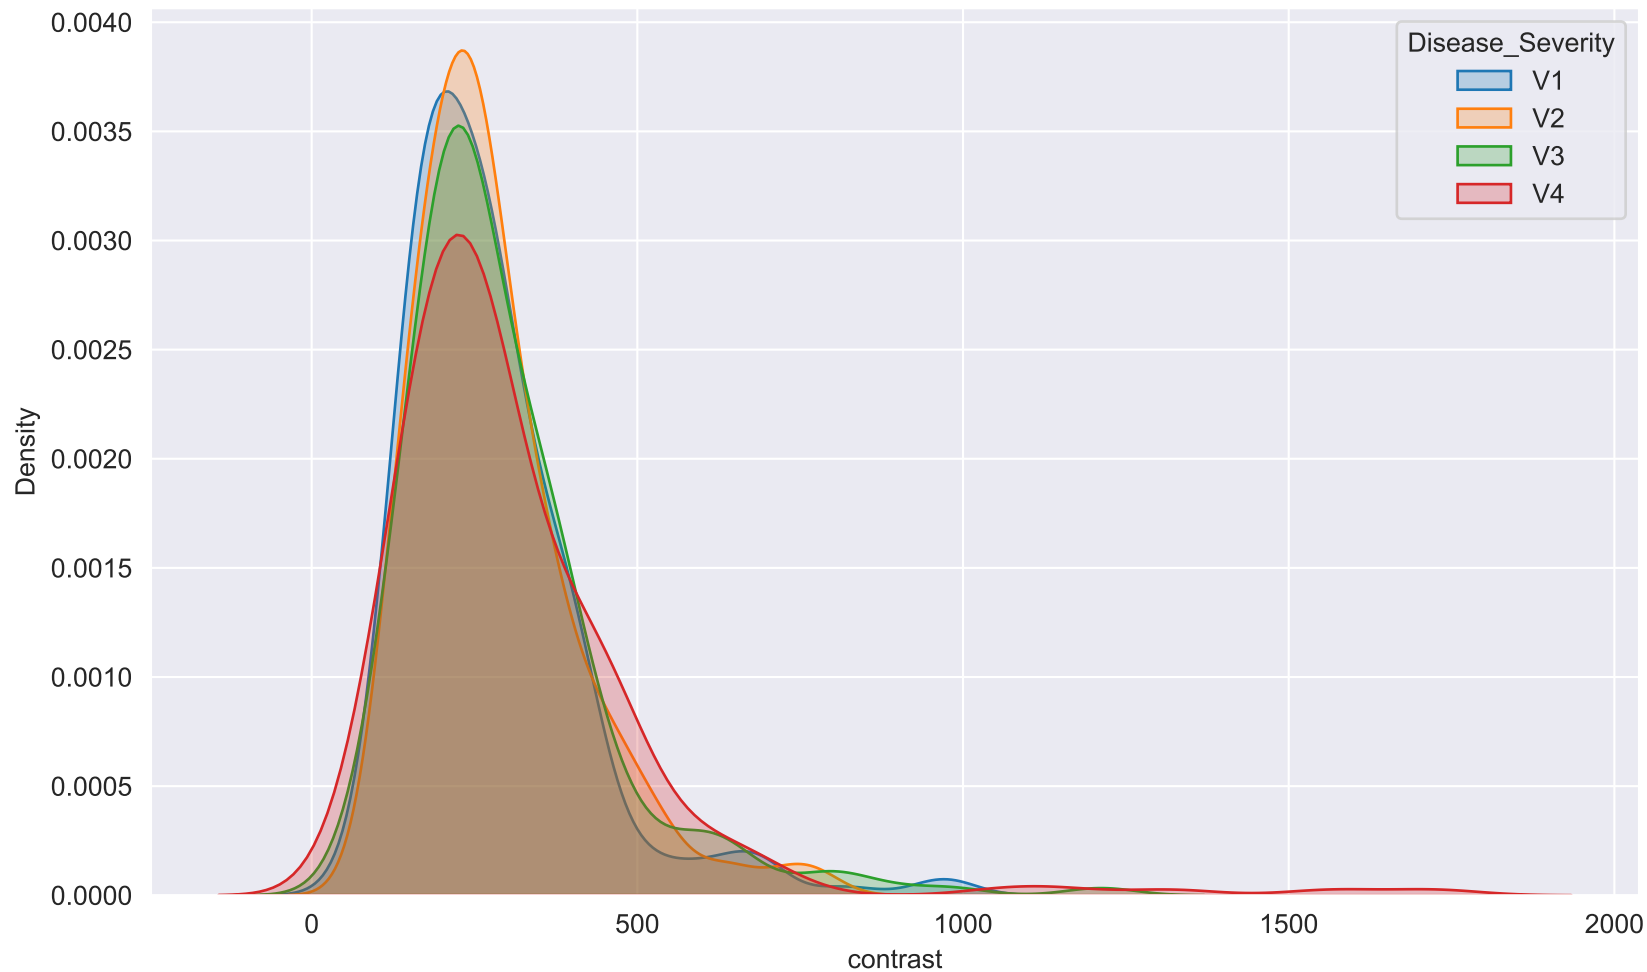

Probability Density Function for Standard Deviation

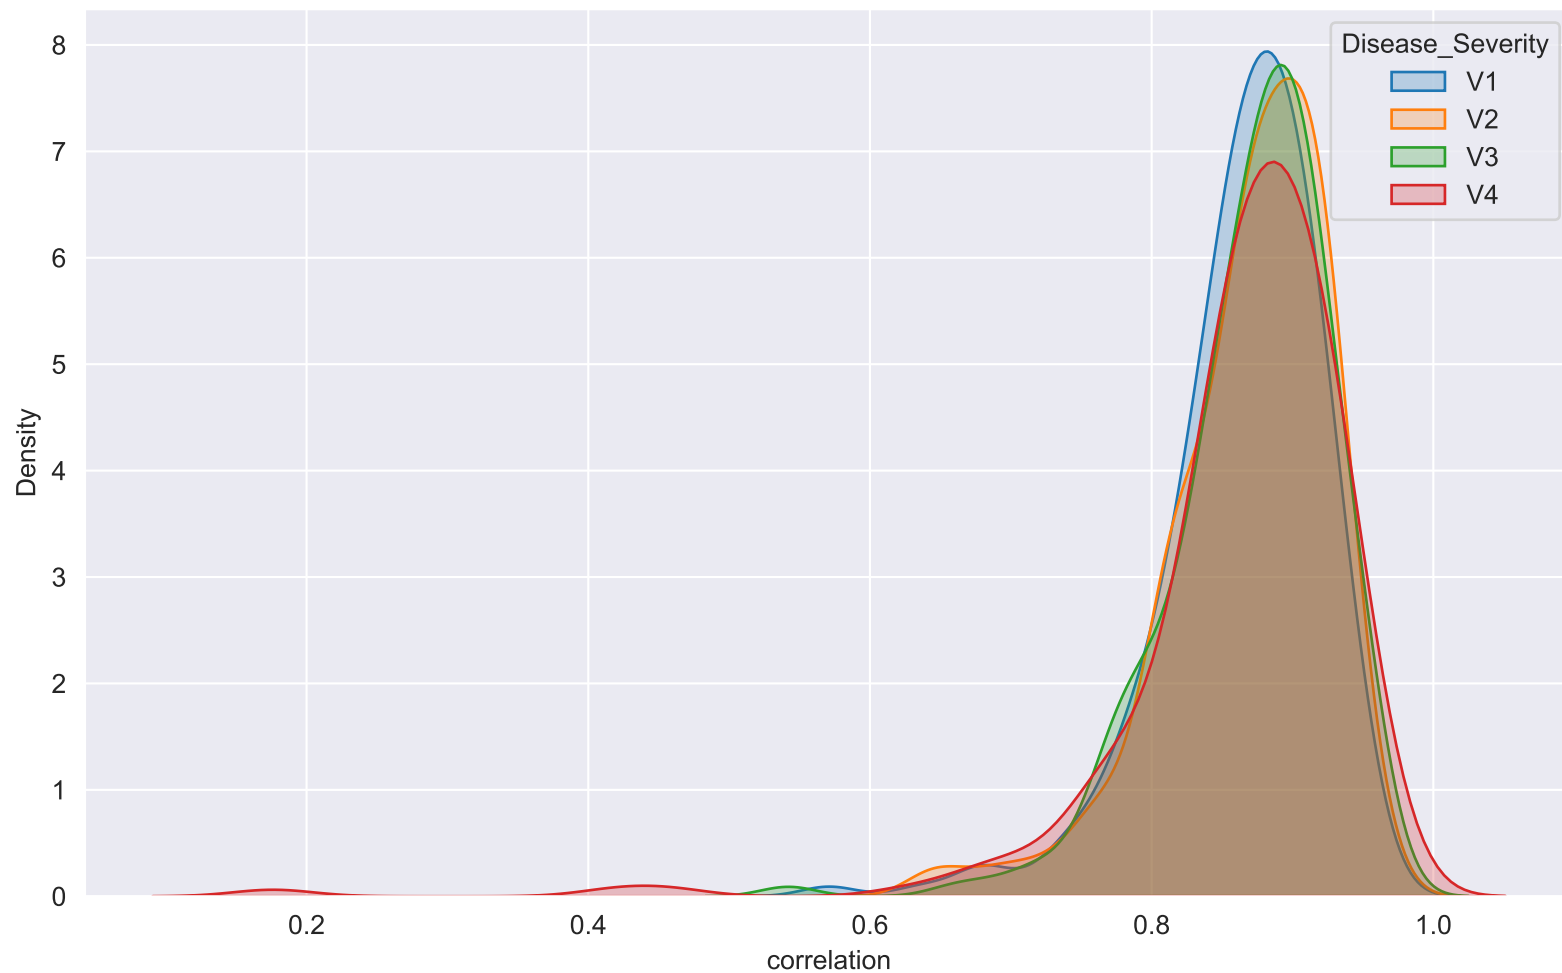

Probability Density Function for brightness

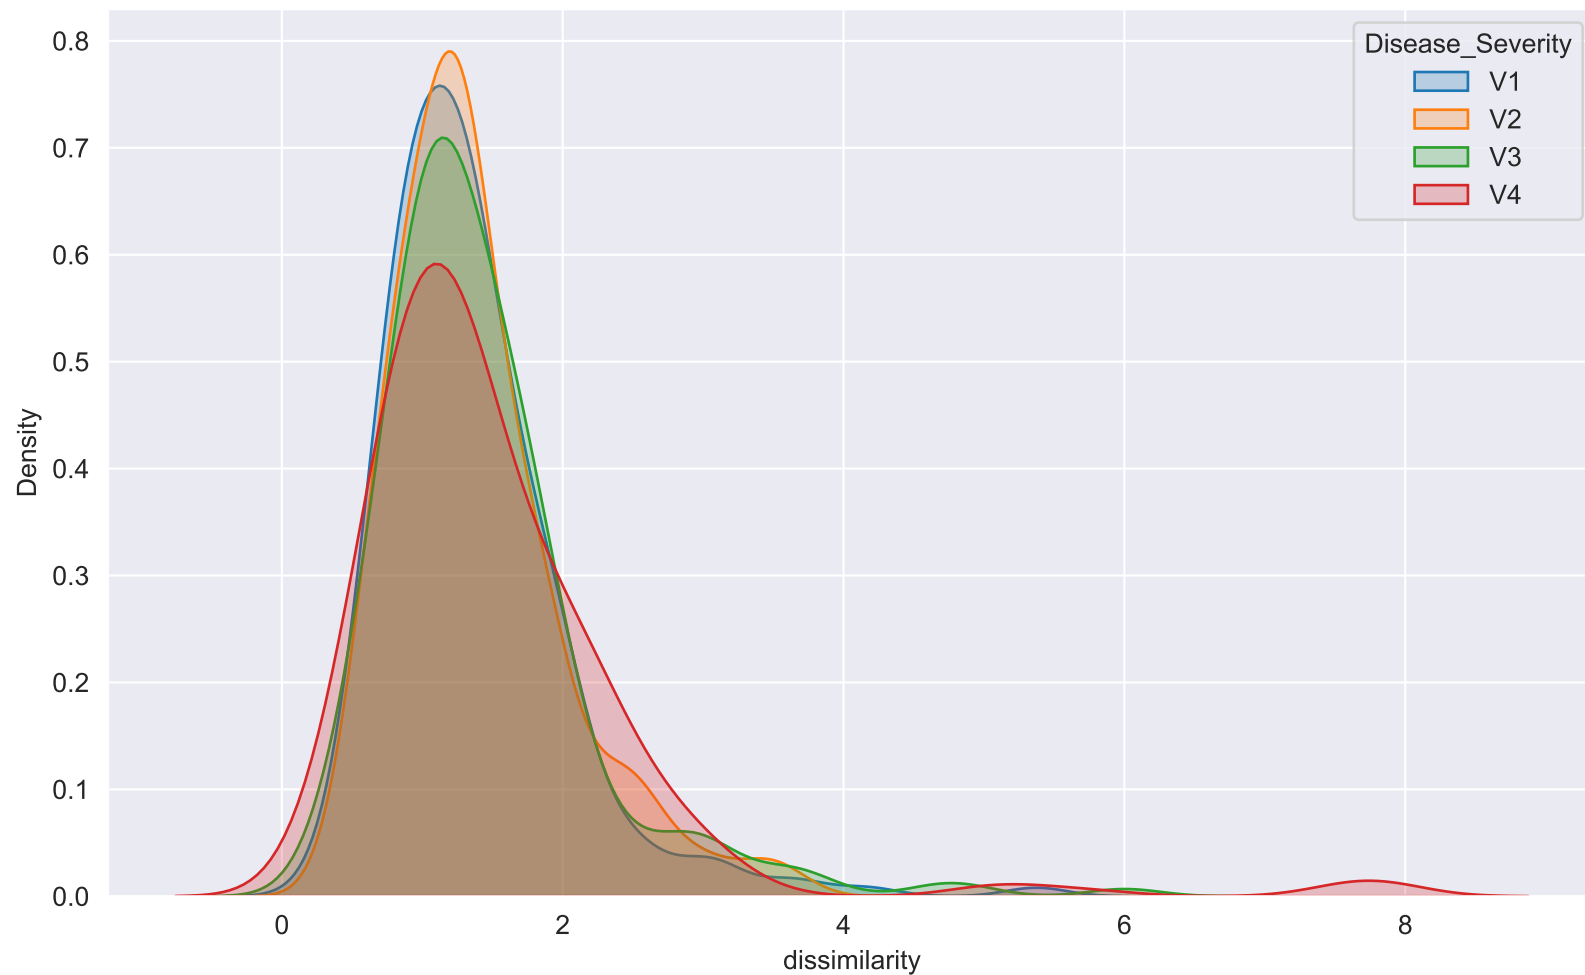

Probability Density Function for contrast

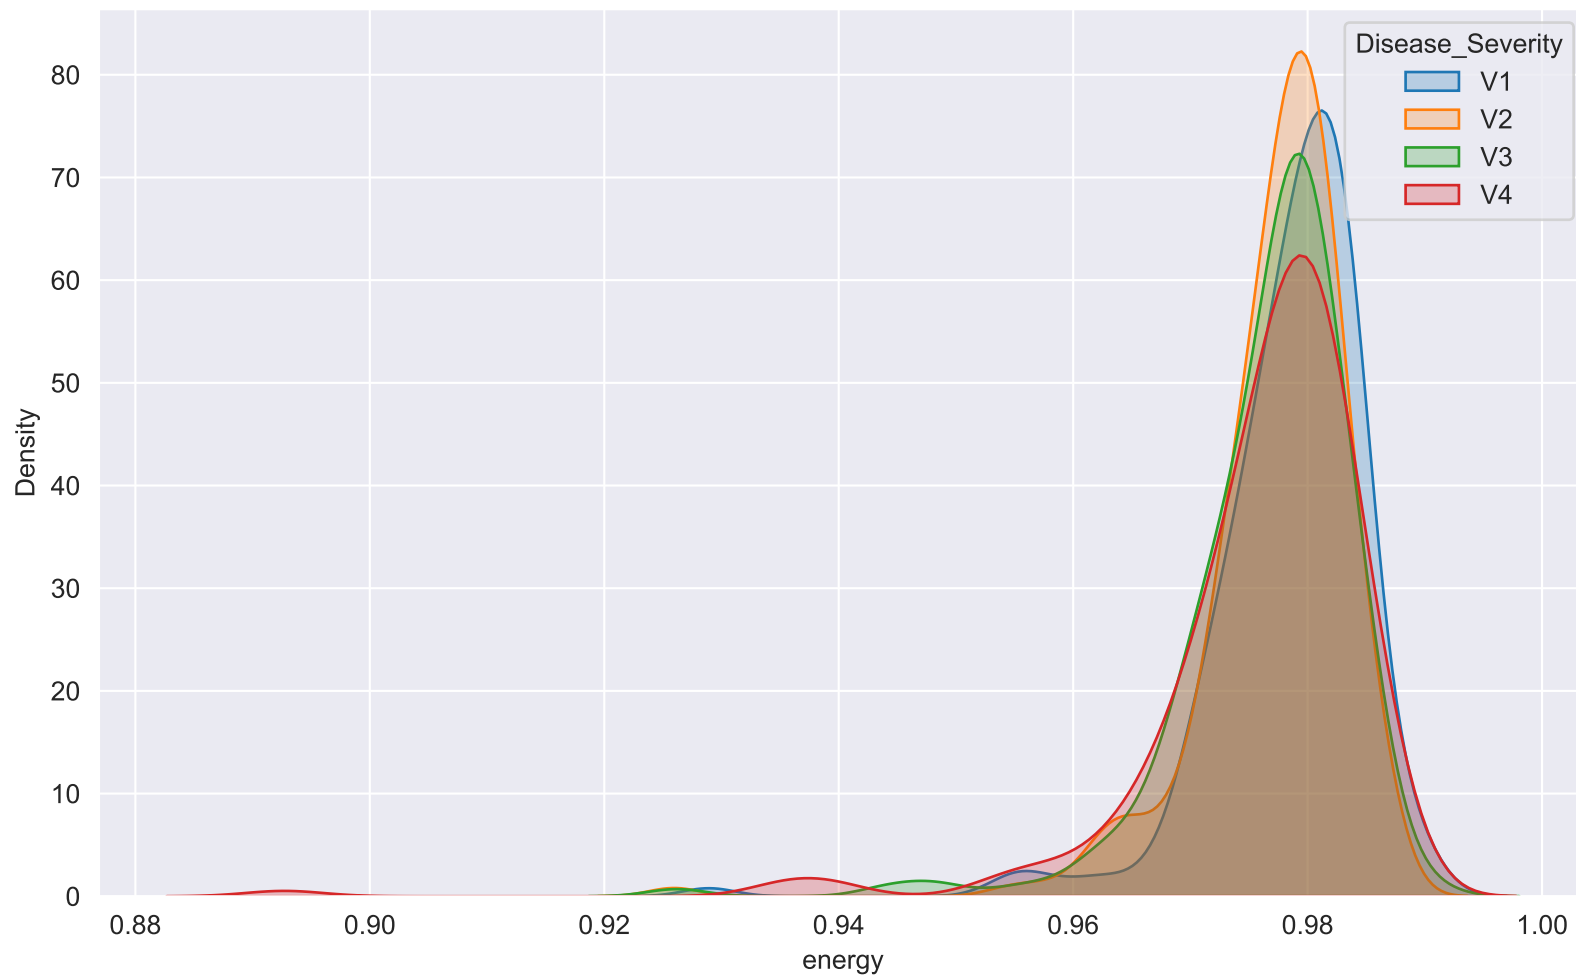

Probability Density Function for correlation

Probability Density Function for dissimilarity

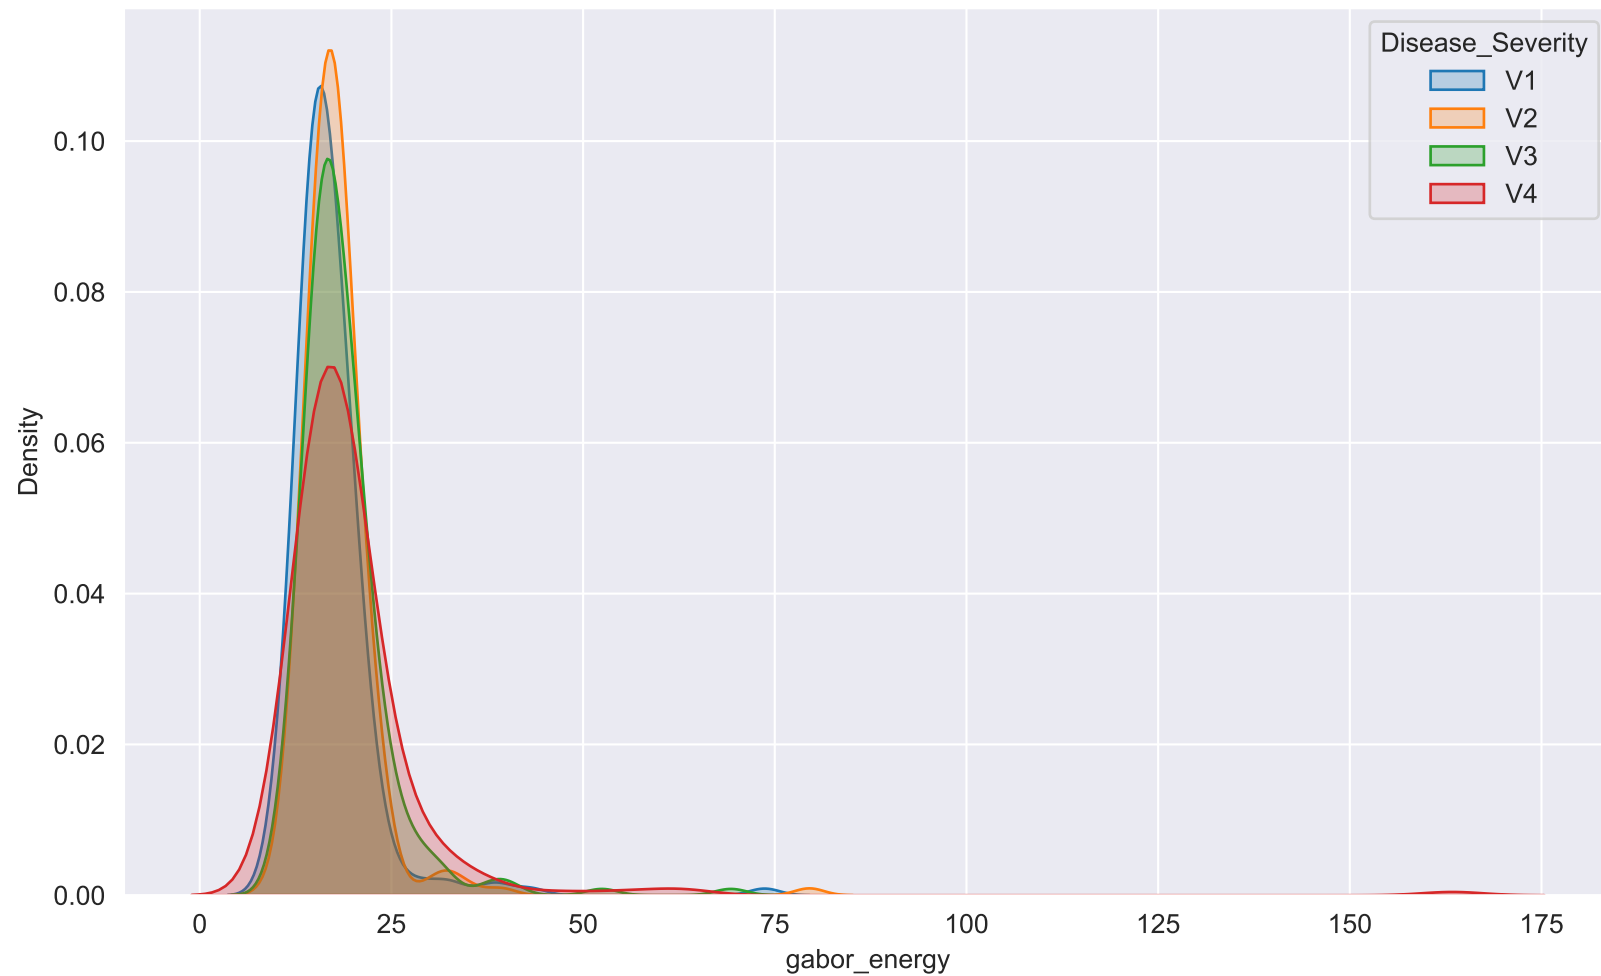

Probability Density Function for energy

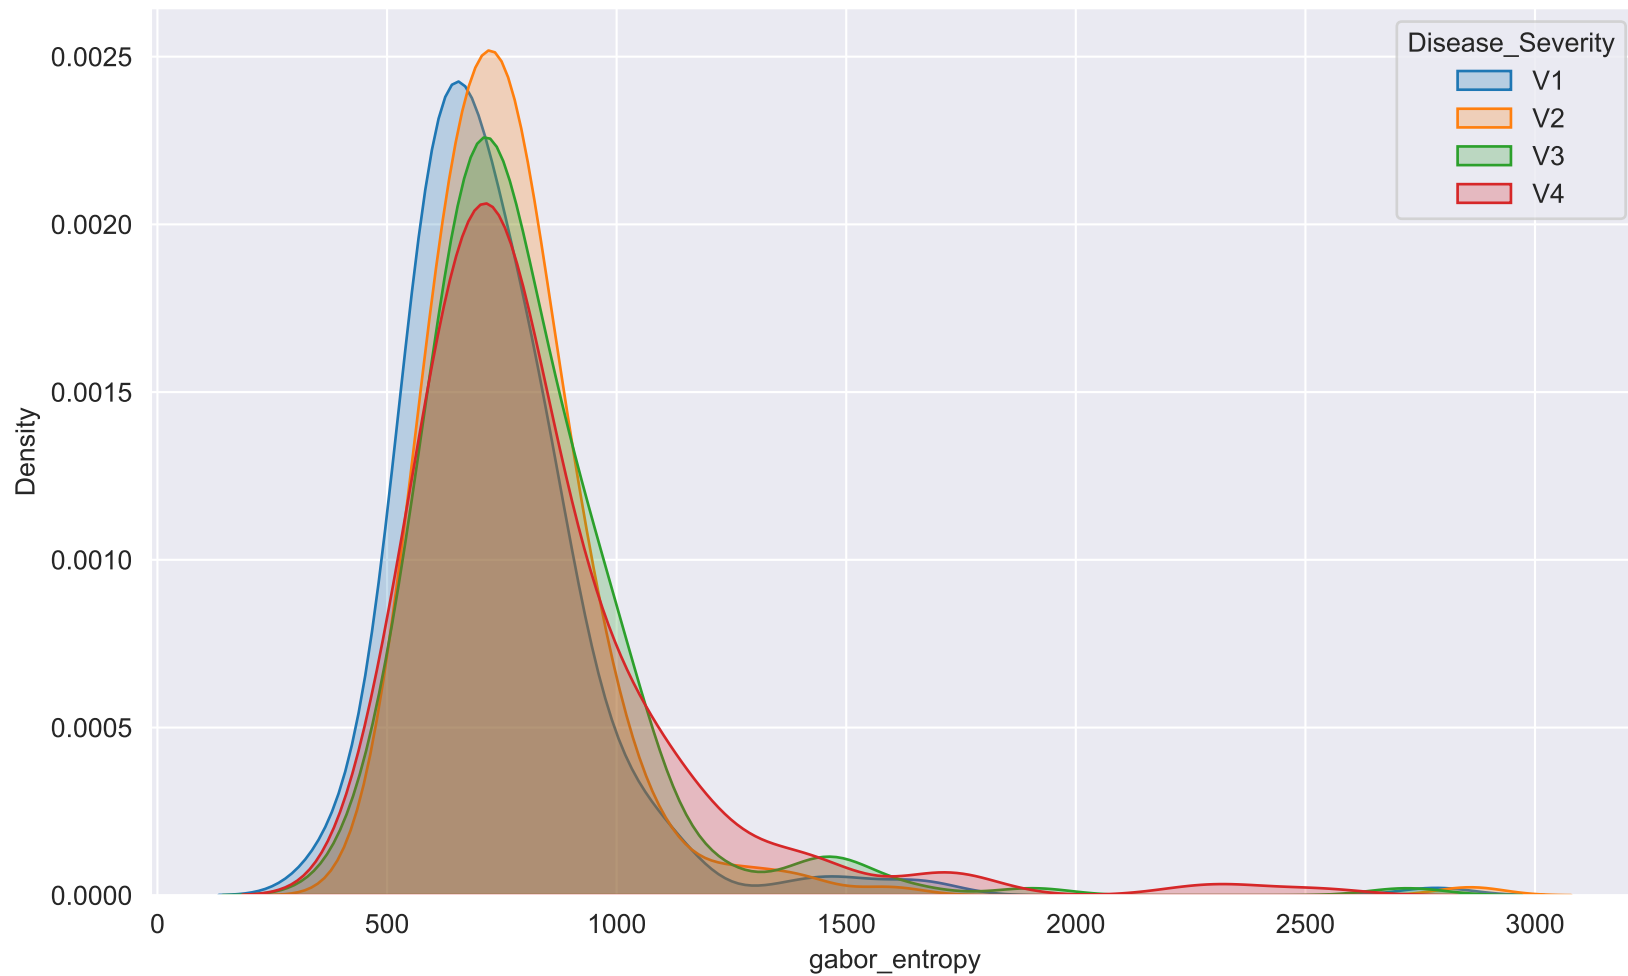

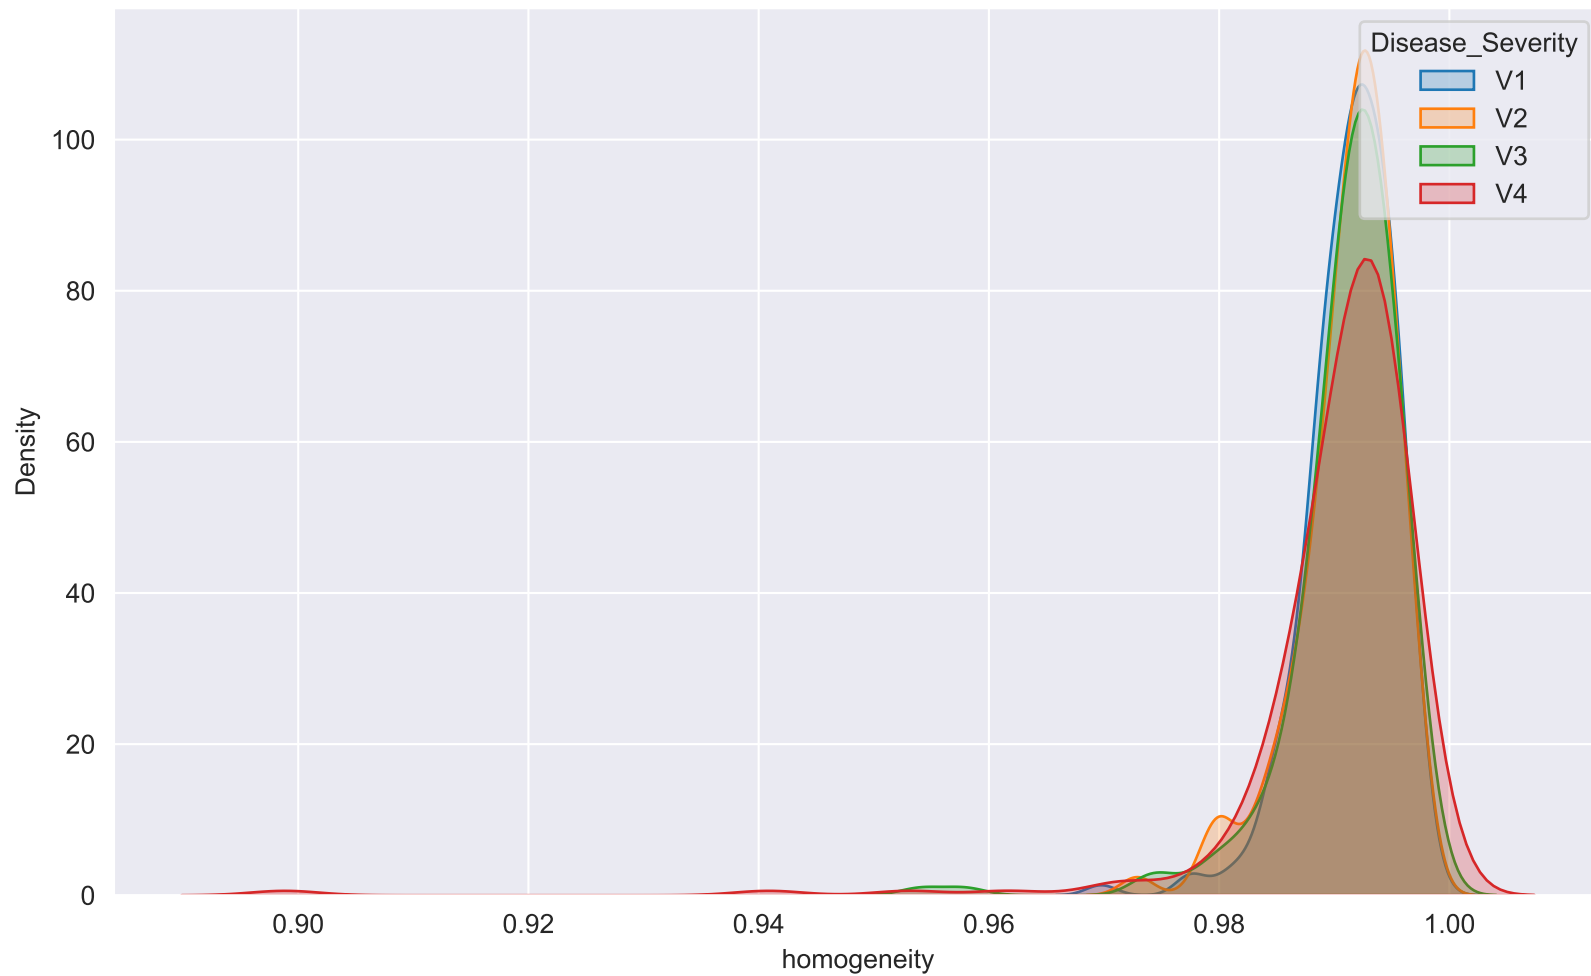

Probability Density Function for gabor\_energy

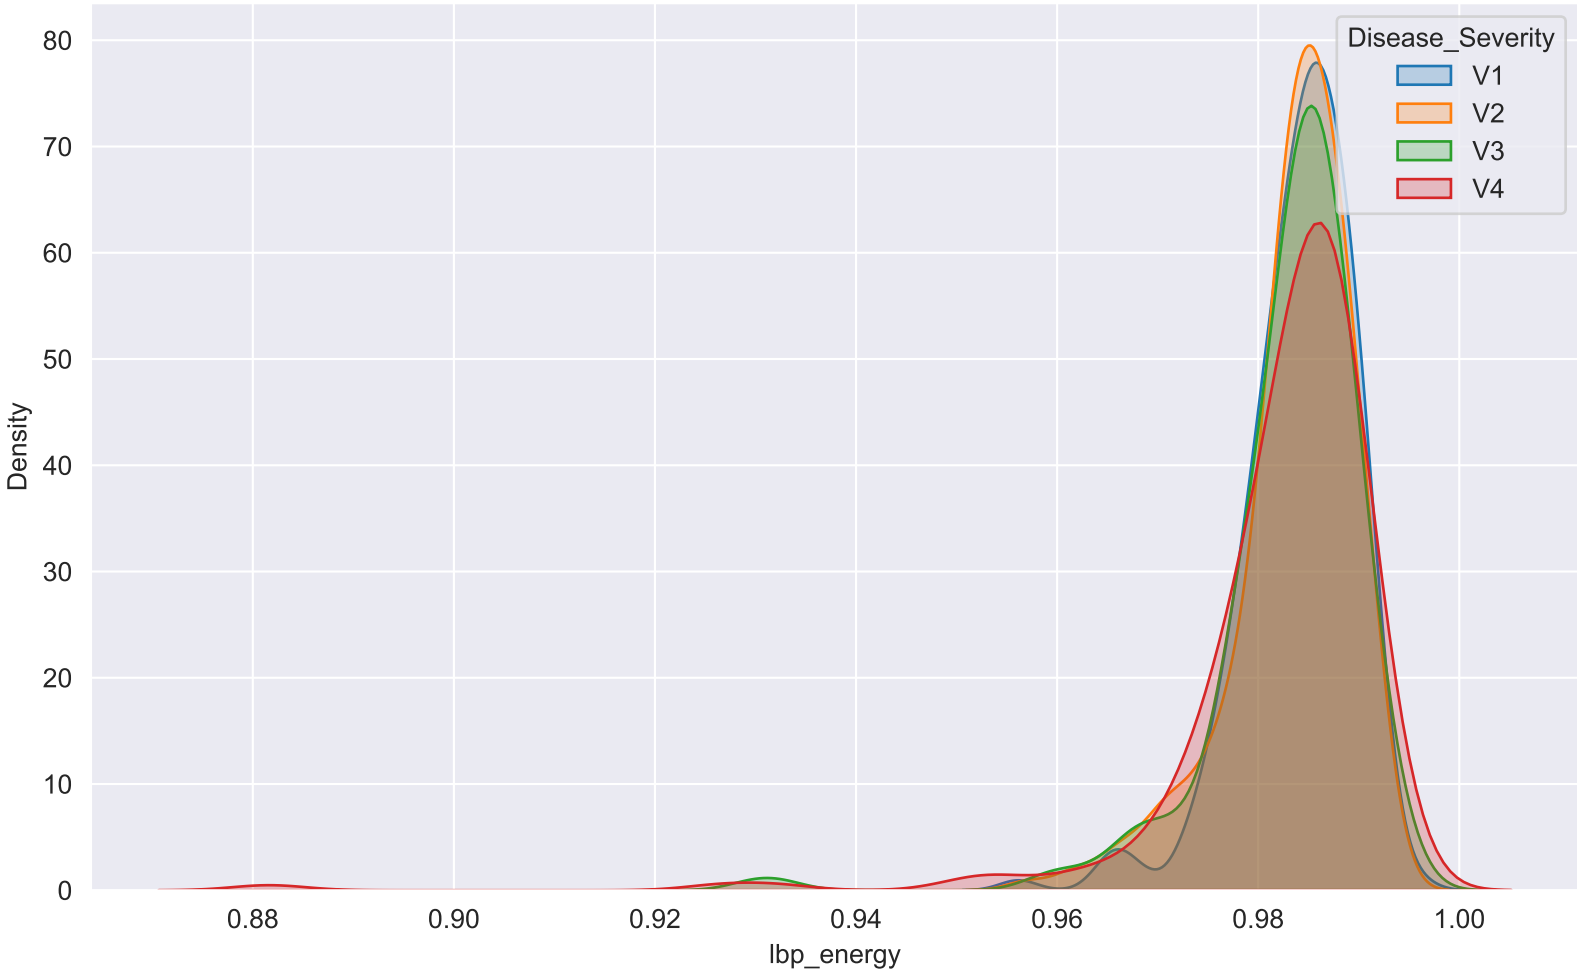

Probability Density Function for gabor\_entropy

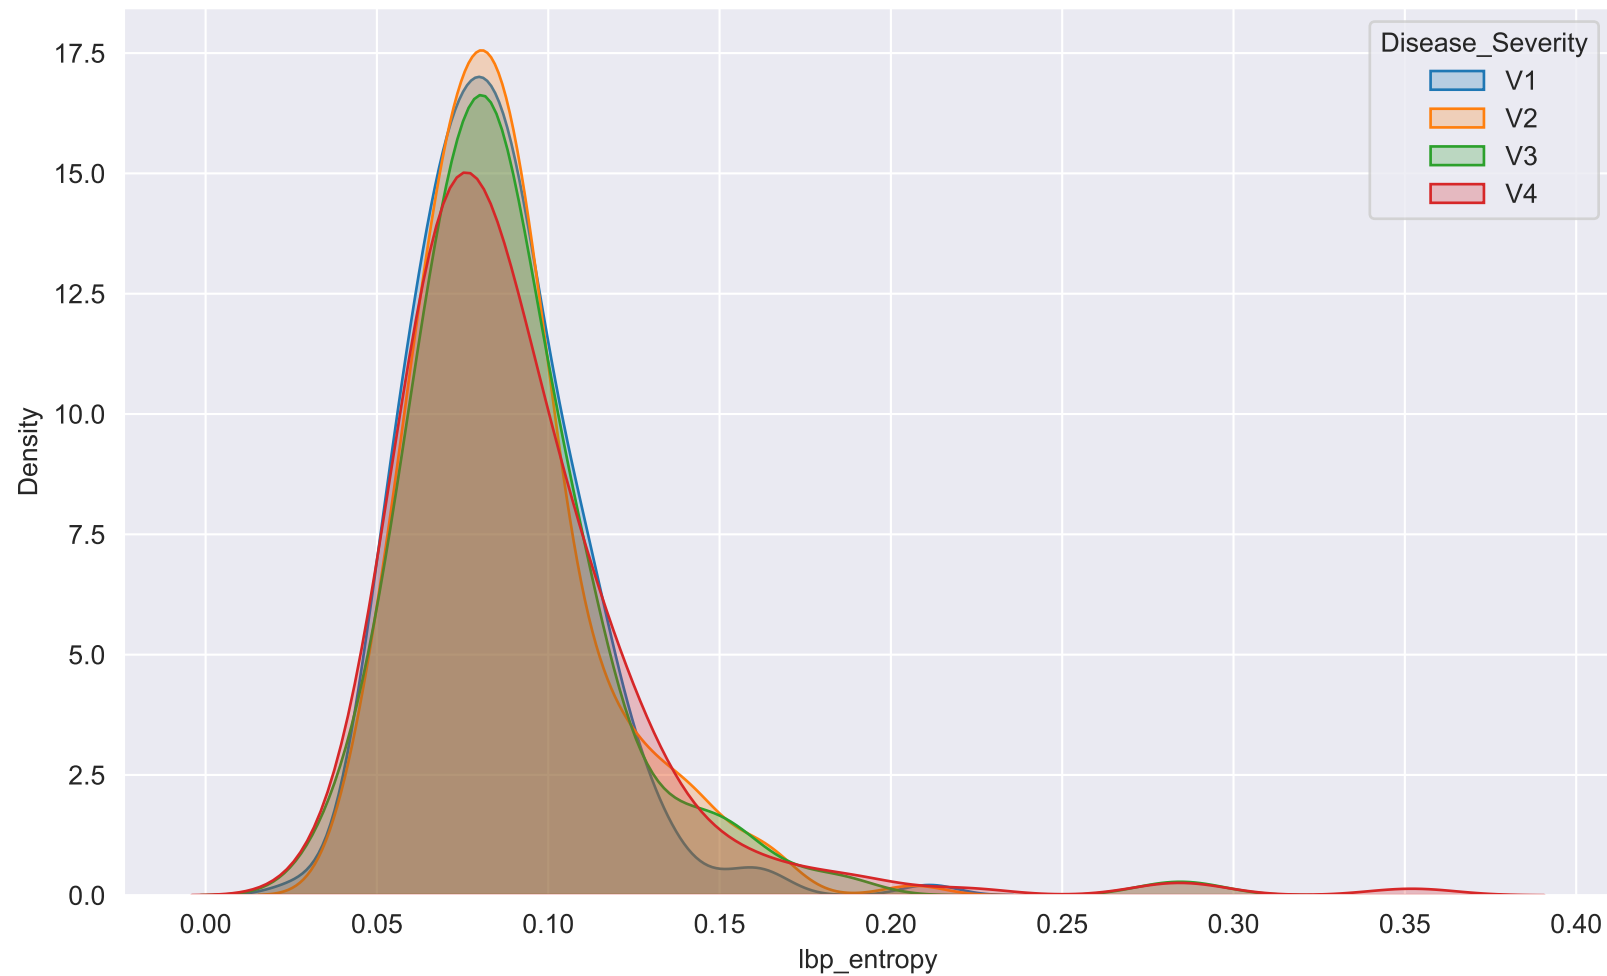

Probability Density Function for homogeneity

Probability Density Function for lbp\_energy

Probability Density Function for lbp\_entropy

Probability Density Function for UPDRS\_SCORE
